Mr. McKay made a very suitable reply in behalf of Mrs. McKay after which the company entered the dining room where the found the table set with everything that would tempt the appetite of the most fastidious. The remainder of the evening was spent with music on the organ and gramophone interspersed with speeches, games and singing. After the clock chimed some of the wee sma'ors the company joined in singing one of their favorite parting songs feeling they had spent one of the pleassest evenings of their lives.
