—DEATH OF MR. BREWER HALL.—The death occurred on Monday evening at his home just east of Summerside of Mr. Brewer Hall after a brief illness. Mr. Hall was 74 years of age and was born in Wilnot, but came with his parents as an infant to reside on the old Hall homestead just east of Summerside. His father was the late Jonathan Hall and his mother, before her marriage, was Jennie Mansay of Summerside. The late Thomas Hall of the Hall Manufacturing Company was his brother. Mr. Hall was a carpenter by trade and had spent a number of years in the United States, but returned about twenty years ago to the old home, where he has resided until the time of his death with his niece, Miss Helen Hall. He was a man of quiet habits and a good neighbour and friend. He belonged to the Church of Scotland and was most highly esteemed. His wife, formerly Lillian Howatt, predeceased him some years ago. There are two daughters left to mourn, Mrs. Arling and Mrs. Graham John Love of New York, and one grandchild, Miss Jeanette Love, also one sister, Mrs. Fenwick Lettewick of North Bedouque, to whom much sympathy is extended. The funeral takes place this afternoon from his late residence to the Cemetery at Wilnot.—S

—GOOD NEWS FROM FORMER ISLANDER.—Mr. Fidele Perry of Summerside has received an interesting letter from Mr. Alexander MacMillan, former resident of O'Leary. Mr. MacMillan has been visiting in South America and as he is a veteran of the Spanish American War it proved most interesting to him. He recalled many incidents of the war at places he visited. He mentions San Juan, Porto Rico with its wonderful harbour and the Spanish fortifications Morro Castle and San Cristobal, at San Juan he met a Mr. Phillips, son of John Y. Phillips, who is a manager of a branch of the Bank of Nova Scotia there who wished to be remembered to old friends in Summerside. Mr. MacMillan says he sees a wonderful change for the better in these South American cities. He described the scenery as very beautiful, with wonderful groves of every kind of fruit, with every inch of ground cultivated. An amusing incident when the steamer was anchored off Barbadoes, was the little boys and girls swimming round the boat and diving for coins and getting them everytime. At this port they took on a cargo of molasses, a large portion of which was consigned to Prince Edward Island. Mr. MacMillan wished to be remembered to the doctors and staff of the Prince County Hospital, where he was a patient for over three months in the summer of 1932. Mr. MacMillan met with an accident in the State of Maine on his way to visit his old home in O'Leary, which turned to a serious case of blood poisoning in his leg. A very delicate skin grafting operation saved his leg from amputation and Mr. MacMillan has a soft spot in his heart for the doctors and hospital ever since. His many friends will be glad to hear that Mr. MacMillan can walk without a cane now, but not yet able to return to work.—S

—BANQUET.—Last Thursday evening, March 15th, the home of Mrs. Nell Matthews was the scene of a very entertaining and enjoyable evening when a banquet was sponsored by Rev. Fred Williamson, Princeton, assisted by the ladies of the community, for the Baltic Ranger Club who played in the North Shore League and won the trophy donated by Mr. Cleve Baker, Margate. In a playoff of four games with the Indian River Rovers, the first game of the playoff resulted in victory for the Rangers by a score of four to two. The second game resulted in a defeat for the Rangers by a score of seven to one. The third game resulted in a tie of one all, and the fourth game resulted in victory for the Rangers when Rob Craig acted Ken Dorsey in the series, making the score one all at the end of the third period. Ten minutes of overtime was played when Rob Craig rushed in another counter for the Rangers, giving them a victory over the Rovers and deciding the winners of the silver mug. Amongst those present outside of the team were the team's coach, Mr. Allison Bernard, Kensington, and Dr. A. A. Lockhart, President of the League. Mr. and Mrs. James Bearisto and Chas. Woodside and daughters, Mrs. Preston Bearisto and son, Evered, and Mr. Keir Crafer and Mr. Alonzo Holmes. About eight o'clock the team, with its officers, sat down to a bountiful spread of delicacies prepared by the ladies. Dr. Lockhart was toastmaster for the evening and the toast given by him was the King, after which he gave a brief outline of the teams of the league, and also stated that Riley and Driscoll were tied for the medal for best defenseman, but Harry Easter of the Rovers had a few points more and won the medal. He also stated that Harold Champion and Rob Craig had a considerable number of votes for defenseman. Rev. Mr. Williamson made a short speech in which he congratulated the team for the congenial manner and temper each player showed all through the series and he made special mention of the visitor in the person of the cup and hoped to see it in the same place next season. Mr. Bruce Riley, captain of the team, made worthy of particular emphasis a speech suitable for the occasion, in which he regretted that the donor, Mr. Baker, was unable to be with them at the banquet on Thursday evening. Mr. John Driscoll was called upon to say a few words and he said that he hoped the good luck would follow him next season, as the cup last season went to New Annan and Mr. Driscoll was goalie for that team. This season being goalie for Rangers, the cup came to Baltic. Baltic will be very fortunate if they can retain the services of Mr. Driscoll for another term of which he is giving grand satisfaction both in his daily duties in the school and to the Ranger Hockey Club. Mr. Chas. Woodside and Mr. Keir Crafer were called on to make a few remarks which they made suitable for the occasion. The remainder of the evening was spent in jokes and music furnished by Misses Mabelle Woodside and Jennie Matthews on the organ and Mr. James Bearisto and Chas. Woodside with the violin. About midnight each and every one dispersed to their several homes. On Saturday the Ranger team went to Summerside and had their picture taken in hockey uniform with the cup. Anyone desiring a picture may have one by paying the cost of reproducing and applying to the manager or captain, Rev. Fred Williamson, or secretary of the team, Mr. Keir Crafer.

Card-playing was carried on for the usual two hours, the grand prize being won by Mr. Allan J. McCormac and the ladies by Miss Isabel McCormac. Supper was then served by the hostess, assisted by Mrs. Frank Keays, Mrs. Allan J. McCormac, Miss Helen McLaughlin and Miss Bertha Brian, during which dancing of quadrilles, old-time break-downs and waltzing was indulged in, excellent violin music being furnished by Joseph Chalmers, John D. MacAdam, Russell Burke and Joseph Conway. One of the features of the evening was individual step-dancing by Russell Burke, Kenneth Kelly, John D. MacAdam, Pius Steele and several others, which was greatly enjoyed by all present. All then repaired to their homes very well pleased with the evening they had spent. This was the last party in the district before the Lenten season.

—DEATH OF MR. STEPHEN MUTTART.—An old but highly respected citizen of Carleton passed away last Friday in the person of Stephen Muttart at 85 years of age. The deceased belonged to the Muttart family that settled in Cape Traverse. His father was the late William Muttart of Cape Traverse. Very early in life Mr. Muttart settled in Carleton and married Miss Annie Irving, they had been married 67 years this month. Mr. Muttart was an industrious practical farmer and by his industry and thrift had reached middle life in comfortable circumstances.
