DOWN THE BACK STRETCH

It transpires that the pacing mare Betty E. 2:07 1-4, recently brought from Ohio to Saint John, is owned by Cecil M. Alexander and not James Alexander, as the various newspapers have stated. Cecil is a son of James, who will be 1-1 membered as the owner and driver of Grandama 2:09 1-4, afterwards sold to Rankin McLaine, City.

As much per load to move the clay as it will now. A total of 60,000 loads were hauled out last year. We had the pleasure Wednesday of seeing Dr. F. W. Christopher's three-year-old trotting filly Mignonette by Great Britton 2:02 1-2 receive some light training with Jim McInnis up. She brushed through the home stretch in company with Heatherbell 2:10 and showed surprising step.

Franklin McLaine, well known automobile dealer, who has quite a flair for harness horses, recently made a deal with Jimmie Power of Charlottetown, whereby an auto was converted into Volo Rico 2:04 and some cash. Rankin says he is prepared to sell this good son of Volo Rico in a reasonable sum. To make him jogged and looked after by Elmer Ferguson and we would say is in better trim than any year since he came here.

It was the 24th of May, 1931, when Volo Rico first appeared on the Charlottetown driving park track. He had been acquired by the MacKinnon Stables from Squires Bros. He made one start that year at Charlottetown and was second to Eula H. in 2:10 1-4, 2:08 (a new track record) and won the first heat in 2:08 3-4 which is the fastest heat ever stepped in the Maritimes by an Island owned horse.

The formation of a P. E. I. Driving Club is a step in the right direction. The object is to encourage the breeding, care, development and racing of colts and fillies. This will be done mainly through stake races, the first of which will be a two-year-old event to be raced this season and possibly a three-year-old race, the latter open to the Maritime Provinces. A suggestion has been made that it might be possible to have a one day colt futurity stakes meeting in connection with the School Fair at Charlottetown in September. This would give colt owners an opportunity for further developing their charges.

Work started on the infield of the Exhibition race track Thursday morning and that day one thousand loads of clay were moved to make a reasonably good job upwards of 25,000 loads will have to be disposed of. Last fall the weather conditions were not so favorable and the ground was frozen so that it cost almost twice

Pomp Bailey has Heatherbell 2:10 in training for owner Brenton McInnis, and the son of McGregor the Great 2:03 1-2 looks to be better than he did this time of year. Appears to be stronger and more full of vim. It wouldn't be surprising to see Heatherbell reduce his record as he is only eight years old and has not been worn out by any means.

Well McNeill's horses, some of which are in part ownership with Raoul Raymond, look in great shape to go on with. We noticed Worthy Lee 2:07 1-4, Addie McGraw 2:10 and Winnie Winkle 2:13 1-4 getting early miles.

We are glad that Jim Milligan is following in the footsteps of his popular dad, Edgar, and will give a real harness horse meeting at Northam, July 18th. It will be up to every one of us to co-operate and help Jimmie so as to start him off successfully. No finer plant or better place to race exists in the province and for a day's outing it cannot be excelled.

Dick Reynolds 1:59 1-2 the only two minute pacer of 1933 and heavily engaged through the Grand Circuit this season, has been sold by W. N. Reynolds, Winston Salem, N. C. to his nephew Dick Reynolds of the same place.

The fastest mile of the season was negotiated at Hamburg, N. Y., last week when the Canadian gelding

CITY LEAGUE FORMED LAST NIGHT

June 4th Set As Date of Opening Game - Falcons, Stars and Cubs Are Teams Competing.

The City Baseball League is to function once more. At a largely attended meeting held in the Holy Name Club last night three managers entered teams for this year's loop, officers were elected, the opening date set and many other matters of importance, necessary for the success of the league, decided upon.

Falcons, Stars and Cubs are the squads competing for the Campbell Trophy. The first two mentioned teams with rosters comprising 13 players each give promise of fielding strong lineups and while the Cubs' roster is not as yet known it is a safe bet that Manager Bert Cooper will field a strong nine. Manager Cooper is to name his players a week before the opening date of the loop.

After the election of officers had taken place umpires, base-judges, scorers, etc., were appointed by standing votes.

Dr. F. C. Dougan is to be umpire in chief with power to appoint a substitute in case of his not being able to be present. He was also given authority to forfeit any game in which one of the opposing teams is not ready to start on scheduled time, the starting being set for 7 o'clock sharp on Monday and Thursday evenings.

Watson Craswell, Lou Mathieson and George Rice were appointed base-judges for the season with N. Mathieson, E. Rice and P. Power to be official scorers of the league.

The matter of drawing up a schedule of games was left to the officers of the league to be published in the press at the earliest possible date.

At the conclusion of the meeting a hearty vote of thanks was extended the officers of the Holy Name Club for the use of their Club room.

The election of officers resulted as follows, the managers of the three teams being chosen as the executive: President: Neil Mathieson. Vice-president: Lou Mathieson. Secy-Treas: Pat Power. Executive: W. J. Ennis, Falcons; Bert Cooper, Cubs; Ian McKenzie, Stars.

At a meeting of the officers and executive directly after adjournment it was decided that June 4th, be set as the opening date with Falcons and Stars competing.

Following are the players comprising the Falcons and Stars. Falcons: Geo. Francis, T. McFarlane, E. Robin, Lou Campbell, U. Blanchard, P. McInnis, W. McEachern, F. Bradley, "Tie" Williams, P. Bolger, R. Doyle, P. Power, A. McFarlane.

Stars: H. Gross, E. Hennessy, W. Goss, P. Connors, E. McNeil, K. Aorn, J. Squarebriggs, F. Whalen, J. Duffy, G. Whitlock, G. Stewart, B. Murley, F. Carbone.

Those people who have been claiming that golf is a game for older people will have to think again now that a little girl of fifteen has won the women's southern championship title. The new champion is Betty Jameson, high school girl of Dallas, Texas. On the other hand the British amateur champion is Hon. Michael Scott who is 60 years old. It looks like golf is a game for all ages.

Clarence Demar who is very close to fifty years of age, has filed entry for the 15 mile National Amateur Championship race to be staged at Norwich, Conn., May 30th. Demar has won the famous Boston Marathon seven times.

An all American soccer football team arrived in Naples, Italy, on the Italian liner Roma last Tuesday and immediately left for Rome where they will compete for the world's soccer championship on May 24th.

A new world's record for third-cricketer partnership in first class cricket was established at London, England, last Tuesday by W. H. Ponsford and Stanley McCabe, members of the Australian team. They scored a total of 380 runs against Marylebone cricket club. The previous best partnership was that of Patsy Hendren and John Hearne, the Englishmen set eleven years ago at 375.

A Port Arthur bowler, Bill Maderson, has equalled the record of Mickey Kerchin of Winnipeg, by bowling a hundred games of ten pins in eleven hours and thirty minutes.

Cubs And Pirates Lengthen Lead Over Giants And Cards With Sparkling Wins

NEW YORK, May 18—Right-handed Benny Frey's masterful pitching today spoiled Al Smith's debut as a starting Giant pitcher. The veteran Cincinnati hurler kept the eight Giant hits well scattered, while the Red bunched three of their five hits off Smith for both th runs to give them a 2-1 decision over New York Giants.

The lone Giant run came in the ninth on Terry's double, Ott's 1-1 field out and O'Doul's fly. CUBS CONQUER 3 HOMERS Chicago's league-leading Cubs led by the rugged batsman, Chuck Klein, continued their home run belting in Baker Bowl and downed the Phillies 9-5, for their second straight victory over the local National League.

Three hard hit four-baggers had a lot to do with the Cubs victory, for the trio of round trips scored eight of the nine runs the invaders chalked up in the course of the contest. All of their runs came in two big innings. The first of the circuit blows

came in the opening inning, propelled by the bat of the mighty Klein with two on. It was Chuck's 12th homer of the season and his third in two days, Stainback and Hartnett pole the others.

BRAVES TROUNCE CARDS After belting Jim Winford, rookie pitcher from Columbus for three runs in the first two innings and ruining his major league debut, Boston Braves proceeded to trounce St. Louis Cardinals 6-2 in the second game of the series at Boston.

PIRATES EVEN SERIES Pittsburgh Pirates evened their series with the Dodgers in the first inning at Brooklyn when they drove Charley Perkins, the Dodgers' only southpaw to cover with a five-run assault. They peppered Ray Lucas later in the game and finished on the long end of an 8-3 score.

Ralph Birkofer started the game for the Pirates but wildness caused his removal in the sixth inning and Larry French finished.

Hurlers Touched For 28 Safe Blows As Tigers Again Defeat Yankees

(A. P. by Guardian's Special Wire) NEW YORK, May 18—Lusky clouting featured today's game between New York and Detroit in which the Tigers made it two in a row over the Yankees by winning 10-8 at Detroit, Detroit made 15 hits and the Yanks 13.

Southpaw Elton Hogsett, who worked but two-thirds of an inning, gained credit for the victory, while Harry Smythe, who came to the rescue of Red Ruffing in the middle of the fifth was charged with the loss.

SEATON'S BEAT INDIANS 3-1 Southpaw Walter Stewart held Cleveland Indians in check while his Washington Senator mates pounded Lloyd Brown for 12 hits and a 3-1 victory at a Ladies Day game in League Park.

Nearly two-thirds of the 12,000 fans were women, who booed the umpires lustily and contended baseballs that floated their way. One large feminine fan became entangled in a turnstile, but was extricated in time to see the game.

SOX FALL BEFORE ST LOUIS 'Buck Newsum, the talkative

Californian, was in fine pitching form at St. Louis, his Brown teammates were in a batting mood and St. Louis won its second consecutive game from Boston Red Sox 11-3.

Honolulu's men collected 17 hits, one a home run by Burns off three Boston twirlers, while Newsom pitching easily, granted eight scattered safeties, and struck out the same number of visiting batsmen.

WILDNESS IS CAUSE OF DOWNFALL Joe Cascarella issued five bases on balls in the first inning to force three Chicago White Sox runs across the plate and give Ted Lyons just enough leeway to eke out a 5-4 victory over Philadelphia Athletics at Comiskey Park.

Jimmy Fox with Bob Johnson on base in the sixth inning, hit his seventh homer of the season and the first hit into the center field bleachers constructed at Comiskey Park in 1927. The distance from the plate to the bleachers is 436 feet, and the ball landed in the seventh row up.

Third Year Class Banquet

The Third Year Class of Prince of Wales College held a most enjoyable banquet at the Russ Hotel last evening. Members of the class and friends sat down to a sumptuous dinner. The college orchestra provided music, and a number of popular songs were sung. Miss Marguerite Colwell accompanied. Miss Marguerite Colwell, accompanied by Mr. Raoul Gaudet, rendered a vocal solo, which was heartily enjoyed. Mr. Bertram Foster was toastmaster. Short speeches, sparkling with wit and humor, but tinged with regret at the breaking of pleasant associations, were made by several of the students.

Sport Briefs

Wallie Rodd, Island champion long distance runner, is rapidly rounding into shape and those who have seen him in action during the week marvel at the great improvement that has taken place under the coaching of Bill Massey and are highly optimistic that the Island has after a quarter of a century, a prospect of another the equal of Michael Thomas.

It will be remembered that Michael Thomas won the Halifax Herald road race three years in succession 1910-1911-1912 and was in a class by himself until Al Rogers of Dartmouth appeared on the scene in 1913 and took the honors from him.

Ernest Lamy, Manager of the Saint John Forum and the Saint John Beavers, has been quietly reconstructing the hockey team for next winter, together with Clint Benedict, coach of the Club who will be back again at the helm.

The goal will be Hawse Marsh of the Hamilton Tigers, who figured so prominently in the playoffs against Moncton. Captain Jack Draper will be supported on defence by Red Farrell, outstanding defenceman of Hamilton on Tigers, and Bill Walker of last year's Abies.

The third string forward line will be Foster Dickson, centre, with Donald and Houston wings, all of last year's team. Other forwards secured are Sherwood of the New Edinburghs, Finnigan, Hymie McArthur, who is working in Saint John, and others not mentioned. There is no question but that Saint John will be one of the very best teams in the league.

Hallfax Wolverines will have the same lineup as last season with the exception of Leo Sargent. Two forwards, one of them Ron Hudson, a defenceman and goalie will be the new additions.

Moncton Hawks will release Monty Muckle and possibly Duke McDonald and have secured two rattling good forwards from Upper Canada. It looks like a hot time in Maritime hockey next winter!

The two greatest one mile runners in America, Glen Cunningham of Kansas and Bill Bonthron of Princeton, who have divided two thrilling hairline decisions on indoor four tracks last winter, will meet on June 18th on the fast track in the Palmer Stadium, Princeton, N. J., where Bonthron chased Jack Lovelock of Oxford, England, to a world's record of 4 minutes, 7.6 seconds last summer.

Invitations have also been extended to Gene Venacke of Penn-

sylvania, former indoor world record holder, Jack Lovelock and Luigi Beccali of Italy. Should all five start in the greatest field of mile runners the world has ever seen.

George Anderson, sensational University of California freshman sprinter, equalled the world's record for the 100 yard dash last Saturday at Fresno, California, running the distance in 9.4 seconds. Good judges predict that within two years he will hang up a new mark for the century.

The all Ireland Gaelic football team which will meet all American teams at the Yankee Stadium, N. Y., tomorrow and June 3rd in a two game series for the championship of the world, arrived at New York City last Monday on the liner Berlin.
