Johnny Gagnon Presses Young Maple Leaf Star For N. H. L. Scoring Lead

Dizzy Dean Rated Year's No. 1 Flop

NEW YORK, Dec. 20 — (AP)—Sports' biggest disappointment in 1937 was Jerome Herman (Dizzy) Dean, participants in the Associated Press' seventh annual poll decided today.

The dizzy one of St. Louis Cardinals was in trouble, as well as the headlines, from January until August when an arm ailment sent him to the sidelines for the rest of the season with his record standing at only 13 victories against 10 defeats.

High-spots of Dean's personal record for the year reveal why 20 of the 53 sport writers participating in the poll decided he was the year's biggest disappointment: February and first two weeks of March—Dean ready to quit baseball unless given \$40,000 salary for 1937.

March 19—Signs Cardinal contract for estimated \$24,000.

May 19—Involved in fight with Jimmy Rippel as Giants and Cards clash over balk called on Dean.

May 20—Fined \$50 for fight with Rippel who draws same penalty.

May 23—Goes on "hit-down strike" in game with Phillies, taking 11 minutes to make three pitches.

June 21—Suspended indefinitely by Ford Frick for conduct "deleterious to baseball."

June 4—Suspension fixed at three days after Dean denies verbally (but not in writing) that he had made any of the derogatory remarks of which he was accused.

July 7—Suffers broken toe when struck by line drive in all-star game.

Aug. 23—Arm ailment which has made him virtually useless to Cardinals is diagnosed as bursitis of right shoulder. Is through for season, having won only one game since all-star contest.

MONTREAL, Dec. 20 — (CP)—Youth and age are fighting it out for the National Hockey League scoring crown. Youth—as personified by Gordie Drillon of the Toronto Maple Leafs—is on top so far.

But age is coming up from under. Little Johnny Gagnon, one of those scorers who never seem to grow old, is moving right up in the standing. Tonight's official N. H. L. statistics show Drillon and the darling "Black Cat" of Montreal Canadiens running one-two for the honors.

The young Leaf picked up only one point during the week, to run his accumulation to nine goals and 10 assists. O. J. Gagnon, moving faster, getting three assists and stepping up from fourth into second place with four goals and 12 assists.

The Canadian, too emerged as the League's best feeder of goal-producing passes to date. His even dozen assists put him one up on Toronto's Red Horner, who had been top man in this division to date.

Another habitant, speedy George Mantha, ranks as high man in actual goals, with 10. This despite Marinha is in the for fourth place in the point standing with 15.

Point leader in the United States section is Cecil Dillon of New York Rangers with eight and eight. (The official list gives him one more assist than unofficial counts.) He's two points up on Detroit Red Wings' Marvety Barry.

Official bad man of the circuit is Allan Shields of the Montreal Maroons. The defencemen has spent 41 minutes with the timers four better than his teammate and runner-up, Baldy Northcott.

Caps Defeat Borderites 9-7

FREDERICTON, N. B., Dec. 20 (CP)—Abundance of action, scoring, penalties and scrapping gave the fans their money's worth to night when Fredericton Capitals defeated St. Stephen St. Croix 9-7 and broke a three-place tie in the Southern New Brunswick Hockey League.

"Bun" McLennan gathered three goals and an assist for a total of four points and four of his mates on the local squad had three points each.

Bill Cowley Moves Ahead Of Wiseman

(C. P. by Guardian's Special Wire)

MONTREAL, Dec. 20—Youthful Gordie Drillon's scoring pace has slackened somewhat in the last two weeks and his lead over National Hockey League scorers has been reduced to three points but he still holds a comfortable margin over former Maritimers in the major hockey circuit.

The one point the former Moncton junior added to his total last week placed him eight ahead of Bill Cowley, high-scoring Boston forward, official statistics showed tonight. Drillon, Toronto Maple Leaf ace, has nine goals and 10 assists, against four goals and seven assists for the former Halifax Wolverine.

Three points last week moved Cowley into second place ahead of American's Eddie Wiseman, native of Newcastle, N. B., who added only one to his previous nine. Cowley's line-mate, Ray Gelliffe, recruit from Charlottetown and Saint John teams, held fourth spot with seven points, one more than a week ago.

The defencemen's race switched again when Bill (Flash) Hollett of North Sydney, N. S., gained two assists for Boston. Those points, his second and third of the season, moved him one up on Maroons' Des Smith, another former Charlottetown and Saint John amateur, who is playing his first season as a pro.

Joe Lamb, the seventh Maritimer in the League, continued to play good hockey for Americans, but couldn't break the jinx that has held him scoreless all year.

The records:

	G	A	P
Drillon, Toronto	9	10	19
Cowley, Boston	4	7	11
Wiseman, Amerks	8	2	10
Gelliffe, Boston	4	3	7
Hollett, Boston	1	2	3
Smith, Maroons	2	0	2

Maroons Regain League Lead

SAINT JOHN, N. B., Dec. 20—Capitalizing on the breaks and a tight defence, Moncton Maroons regained leadership of the Southern New Brunswick Hockey League tonight with a 5-1 win over Saint John Beavers.

It was Saint John's second successive defeat by last year's Maritime champions. Five players were injured at different times. "Babe" LeBlanc topped the scoring column with two goals and an assist.

Snead Wins Nassau Open Golf Tourney

NASSAU, Bahamas, Dec. 20 — (CP) Samuel, Jackson Snead of White Sulphur Springs, W. Va., whose stretch finishes are almost as famous as his powerful 100-yard drive, came from behind again today to win the \$3,500 Nassau open golf tournament with a 72-hole 276.

Snead added a third straight par 70 to his opening 66 to draw down top money of \$75; as Victor Ghezzi of Deal, N. J., the 54-hole leader, faded to 73 and finished one stroke back, Ghezzi earned \$550.

The only two Canadians in the competition finished far back. Stanley Horne of Ottawa collected a 73 for a finishing total of 287, 11 strokes behind the winner. Jules Huet, Quebec professional, shot a 74 for a card of 296 over the 72 holes.

E. J. Harrison of Little Rock, Ark., stole the final-day spotlight with a course record 64, six below par, to leap from 14th place to third and a \$450 prize at 278.

TRAVEL INTO FAIRYLAND

Have a heart-to-heart talk with yourself! Double exposure, accurately planned, will let you.

DO you remember the wonder tales you read when a child, the forbidding castles filled with ogres, the huge jinn of the Arabian Nights, the trolls that lived under bridges and the fairies that haunted mysterious woodlands?

You can use your camera to recreate those childhood memories. You can make giants walk through your picture, or you can hold yourself, or a tiny version of yourself, in the hollow of your own hand. You can pose in intimate conversation with the Irish "wee people," the elves and sprites and the cobbling leprechaun.

It's not hard. The method is to use our old friend, the double exposure—two shots on the same film. All that is necessary is accurate posing and careful control of the light. A black background is necessary or you can pose your subject before the door of a dark room.

Note the picture above. Although it was made with a camera having a ground glass for focusing, which simplifies making such pictures, you can get the same effect with your own small camera. First, pose the subject fairly close to the camera, with his empty hand extended. Snap the picture and mark the position of the hand on the glass view finder, very carefully, with a tiny dot of ink.

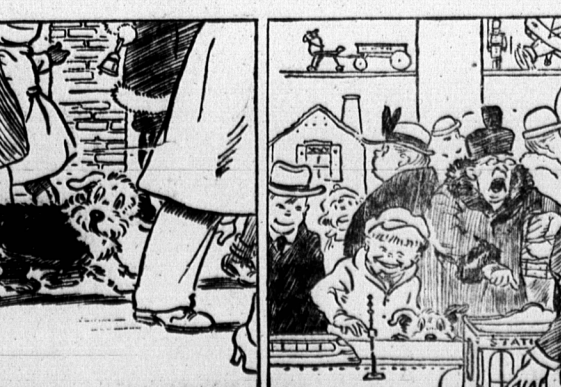

Now, without winding the film, move the camera back several feet, so the subject appears small in the view finder. Let him stand, facing his former position, so that his feet appear right on the ink dot in the
