SOCKS WELCOMED

Mrs. J. E. Fraser of Mayfield has received the following letter of thanks:

Witley Camp Surrey, England Jan. 8, 1917 Dear Mrs. Fraser, Mayfield, P. E. I—Your favor of an earlier date received and believe me when I say that I cannot put upon paper my thanks.

We ever here are so deeply indebted to the ones at home for what they are doing.

We are having exceptionally cold weather just now and it is great to have some warm socks from good old P. E. Island to protect us from the cold.

It is snowing today the first this winter and it makes things look more like home where we all hope to be before long.

Again thanking you for the nice parcel and trusting this finds you and family quite well.

I remain Yours Sincerely PTE. MILLER H. STEVENSON 104th Battalion

Nature is generous, but she never forgets to avenge her wrongs.

VILLAGE GREEN.—The semi-annual examination of Village Green School took place on January 25 and was largely attended quite a number of ratepayers and visitors being present. The pupils were examined in the various subjects by their teacher Miss Jeanette Coady, assisted by Miss Evelyn Cosgrove and Mr. G. C. Acorn and showed by their prompt answers that they had been carefully tutored. Two prizes were awarded the pupils by their teacher one for general proficiency, equally merited by Avis Noy and Rebecca MacNeil, drawn by Rebecca MacNeil, and one for good attendance won by Marion Jackman. When all present had been treated to candy a vote of thanks was moved by G. C. Acorn and seconded by William Jackman. The singing of the National Anthem brought the examination to a close, all satisfied that the pupils of Village Green School had progressed favorably during the past six months.

SCHOOL EXAMINATION.—The semi-annual examination of Nine-Mile-Creek School took place on Wednesday, January 30th. Despite the severe cold weather a very large number of rate-payers and visitors were present. The pupils were examined in the various subjects by Miss Grace Inman, Miss Clara Gallant and Mr. Stewart Inman, teachers, and gave evidence by their prompt and accurate answers that they had been well taught. At the close of the examination Mr. Inman was appointed chairman and the following programme was rendered: Chorus, "Follow us Along" by School. Words of Welcome by Mary McDonald. Recitations, Vivian McDonald, Robert McDonald, Katie Smith, Charlotte McDonald, Wesley McQuarrie. Dialogue, Harriet McPhee and Lena Gorveatt. Miss Helena Goveatte then on behalf of the pupils read the following address to the teacher, Miss Euphemia McPhail while Miss Charlotte McDonald presented her with a beautiful manicure set and handbag. Dear teacher: Once more our examination day has come again, and we feel we cannot let this occasion pass without showing in some tangible way our sincere appreciation of your untiring efforts to lead us along the path of knowledge. We know often our actions have not been the best and many a time we have tried your patience, yet you have always dealt with us fairly, and we would ask you to forgive our waywardness. Please accept these gifts as a small token of our love and esteem and with it our very best wishes for a happy and prosperous New Year. Miss McPhail, although completely taken by surprise, very modestly thanked the pupils for their kindness to her. Also the teachers who so ably conducted the examination. Complimentary remarks were then made by several of the ratepayers on the splendid work done by the teacher during the past term. After all had been treated to confectionery by the teacher the event was brought to a close by singing the National Anthem.

PASTOR REMEMBERED.—Pastor McVie and wife of Pointe de Bute, N. B. formerly of Pownal, P. E. I., were surprised on Saturday evening, January 26th, when the parsonage was filled by members of the congregation at Westmoreland Point. This invasion was with no hostile intent, however, as was proved by the generous cash donation presented before the evening closed.

MURRAY HARBOR SCHOOL.—That more interest than usual is being taken in the Murray Harbor (graded) school, was clearly indicated by the good attendance of parents and visitors at the examination which was held on January 31st. The work of the term was closely investigated by Inspector Adams, assisted by Rev. E. S. Weeks and Miss McDonald of Cape Bear School. Expressions of satisfaction and approval were given by several who spoke at the close of the day. Mr. Adams referred to the fact that the Principal Mr. Brehaut was a very young teacher and that he came to this school as his first and was certainly doing good work. This district is to be congratulated on the possession of two such painstaking and efficient teachers as Mr. Brehaut and Miss Johnson.
