IN MEMORIAM

In loving memory of Edgar Franklyn Acorn, who passed away August 8, 1948.

I seem to see in the soft, dim light

A face I loved the best, And think of him when the sun's last ray goes down in the far off west.

I miss you no less as the years pass on Than I did on the day of your going.

For absence can never close the door of my heart, And the lamp of my love is still glowing.

Your heart was the truest in all the wide world, Your love the best to recall.

For there on earth could take your place, You are still the dearest of all.

Inserted by his wife.

Activity At Exhibition Grounds At High Tempo

With the opening of the big racing program slated for a week from tonight and preparations practically completed for the equally big livestock exhibition, activity around the Charlottetown Exhibition Grounds is at a high tempo all this week as the energetic officials connected with the big show lay their final plans for what is fully expected to be a record breaking program from start to finish.

The excitement and interest invariably connected with Old Home Week is beginning to be felt around the City and Province; racing fans and there are thousands of them - together with the people interested in the livestock exhibits, are beginning to talk things up; the atmosphere itself is surcharged with interest and all that remains is for fine weather to predominate for the big show to break all existing records.

Already the stalls for the trotters and pacers are beginning to feel the weight of the huge entry list; many more are yet to come but they will all be here in time to get into the battle for the record amount of purses that will be raced for.

The big plant itself is taking on its holiday appearance. Carpenters, painters, electricians and plumbers are getting their trotters and pacers in top form for the stern tests of speed that lie ahead of them.

Old Home Week is going to be held over as it plays to crowds never before experienced in its history.

Large Convention Of Churches Of Christ

One of the finest and most largely attended conventions of the Churches of Christ on Prince Edward Island was held over the weekend in Central Charlottetown. Representatives from practically all of the 11 Churches of Christ were in attendance for one day or both of the annual gathering. Gathering in the afternoon, the program of the week was held in the services of the Lord's day. The convention was held in the services of the Lord's day. The convention was held in the services of the Lord's day.

The afternoon Women's Missionary Society was addressed by Mrs. Hazel Wright, formerly of Charlottetown, now engaged in general field work in Canada among ladies organizations.

The new slate of officers for the Provincial Women's Organization was announced. Mrs. M.F. Schurman, Summerside, Honorary President; Mrs. Rendell Houston, Charlottetown, President; Mrs. Kathleen Stewart, Charlottetown, Secretary; Mrs. Austin Kennedy, Southport, Field Worker.

Sunday Services

The brightness of the day added greatly to the beauty of the service on the Lord's day. A filled church was led in the morning worship by the host pastor, Mr. M.D. Dunbar. Addressing the congregation on the subject, "The Practice of Prayer" the pastor of the New Glasgow flock, Mr. Paul L. Richardson brought a most interesting and instructive message. The choir under the direction of the acting organist, Miss Thelma Burns presented the anthem, "When I Survey the Wondrous Cross."

The Youth Session under the leadership of President Merrill Nicholson, of Fredericton, commenced at 3:00 p.m. General business of provincial interest was dispensed with in pleasing style. Camp reports were presented by Mrs. William Weale and Mrs. A.B. Houston, Managing Director of the 1949 camps. A substantial balance sheet was presented by Mrs. William Weale and Mrs. A.B. Houston. Two male quartets made up of the following: Milton Stewart, Preston Beck, Weale and Dunbar, were appreciably accepted. "Launch Out" was a subject selected by Mr. Weale to encourage the Provincial youth to still greater heights of achievement.

Maintaining the high plane of inspirational worship, the Sunday evening service also gave evidence of splendid interest. Music comprised of solo, "The Ninety and Nine" by Mr. Preston Beck and "Holy is the Lord" by the Choir made up the special selections. Mr. Breakbridge presented his second message of the Convention on the theme: "So this is Faith."

A short Missa service conducted by the appointed President brought the Convention to a fine close.

Officers for the 1949 and 1950 term are as follows: Mr. Harry Linkletter, Summerside, President; Mr. Robert W. Beck, Montague, Vice President; Mr. Milton Melish, Summerside, Secretary Treasurer.

It was recommended by the Finance and Place committees that upon invitation by representatives of the Crossroads Christian Church that next year's Island convention be held in the Crossroads Church the first weekend in August.

Little Theatre Annual Picnic Enjoyable Affair

About three hundred members of the Charlottetown Little Theatre Guild, their friends and families attended the mammoth picnic held Wednesday afternoon at the home of Mrs. Harry Morris' farm, Lewis Point.

The credit of the huge success of the picnic is due to the untiring efforts of Mrs. Morton Dew, Chairman of the Entertainment Committee, and those who assisted her in planning and carrying out the various events staged.

In the afternoon many took advantage of the swimming while others played softball, etc. The ice cream and soft drinks were looked after by Messrs. Ed Garnham and Frank Casey.

Members of the Executive committee in preparing and serving supper to those present, and a most beautiful repast was enjoyed by the many in attendance.

Mrs. Frank Johnson very kindly made and served the coffee.

After supper, lawn theatricals - weird and wonderful - were presented. All taking part deserve the thanks of the spectators as many laughs were handed out and some rare talent was uncovered which will no doubt be in future demand.

The bonfire brigade, consisting of Messrs. Leith Strickon, Milton Avery and Charles Wilford, had a beautifully laid bonfire all ready to be set off when a shower of rain descended and all wended their way to the spacious and hospitable home of Mr. and Mrs. Harry Morris.

As soon as the shower was over, Mrs. Alfred Breakbridge supplied music for dancing - square and otherwise - or was it dancing?? At any rate, both the music and dancing were much enjoyed.

Miss Bonnie Smallman delighted all by her dancing, and then Mrs. Beatrix Patterson led a singing on the lawn while Mr. Ed Garnham took fishes of unsuspecting groups.

Mr. Horrie Brown was the Master of the Weimers, and under his capable supervision huge quantities of those delectables were served to the hungry throng, after which further dancing and singing brought the happy crowd to their final goodnight and expression of thanks to all who assisted in making the first Little Theatre picnic such a success.

Mr. Milton Cutcliffe supervised and ran off, in a most capable manner, the games and theatricals.

Transportation was arranged and taken care of by Mr. Morton Dew, assisted by Messrs. W.J. Brawders and Sidney Burhoe. Lt. Col. Fielding arranged for the tables which were used, while Mr. George Abbott with his assistants built the platform for dancing.

The sincerest thanks of all present are extended to Mr. and Mrs. Harry Morris for placing at the disposal of Little Theatre their most attractive farm, to Mrs. Morton Dew and her Committee - Mrs. Roy Smallman, Mrs. Thomas DeBlois, Mrs. Frank Curtis, Mrs.
