FAREWELL PARTY

A very enjoyable evening was spent at the home of Mr. and Mrs. Peter Condon of Panmure Island...

The following address was read to which Mr. Condon fittingly replied.

To Mr. and Mrs. Peter Condon

We your neighbors and friends assembled here tonight, learn with regret that you are about to depart from Panmure.

Your neighborly qualities and the well known hospitality of your home has endeared you to each and everyone of us.

Your roadiness to assist in time of trouble and sickness has always proved a valuable asset in our neighborhood.

We sincerely hope that in your own sphere of life you may be as prosperous as you would wish, and that the Giver of all blessings may protect and watch over you and that you may be spared to return to us again.

We, as a slight token of our regard, beg you to accept these small gifts, in order to try and extend to you the esteem in which you are held in this community.

Signed on behalf of

YOUR NEIGHBORS

Card to the Electors

Ladies and Gentlemen, Electors of the City of Charlottetown;

Not wishing to seem premature but being convinced that there is no time like the present, I take advantage of this opportunity of making known my position, re Civic Politics.

I have been interviewed by many prominent citizens and believing them to be good judges of the Civic pulse, after due consideration I have decided to nominate as a Candidate for Mayoralty honours at the forth-coming Civic Election.

My record for the past two years is an open book. I have endeavoured to give to the City my best and have tried to uphold the dignity of the office. Having had a most strenuous two years, I am of the opinion that a second term may be in order.

If I have the honour to be re-elected, I can assure you Ladies and Gentlemen, I shall as before have the best interests of our City and Citizens at heart, ever endeavouring to promote any and every feasible measure that may arise, whereby our City may be benefited.

I thank you most heartily for your support in the past and the many honours shown me.

It is almost impossible for me to interview you all personally. I therefore take this opportunity of soliciting a continuance of your confidence and your votes.

I remain,

Yours respectfully

MILTON AND RUSTICO.—Owing to the continued indisposition of Rev. G. B. Jones, it has been found necessary to cancel next Sunday's services. (Patriot please copy.)

THE ANNUAL MEETING of the New Whithire District Lodge will be held in the William Lodge Room, Kingston, January 13th at 7.30 p.m. A. E. Dollar, Dis. Rec. Sec. 6126-1-9me2lpd.

ATTENTION IS CALLED to the sale of C. H. Robertson, Marshfield on Wednesday, Jan. 14th, 4 1/2 miles from Charlottetown by ice, and 2 1/2 miles from York Station. Teams will meet train from east of York. 6150.

AN HONEST WOMAN.—Mrs. Albert Proud, of York, found a purse in the Market yesterday which contained a cheque for upwards of \$200, made out in favor of Mr. Edward Love, tanner. Mrs. Proud handed it over to Mr. Stephen Brown, butcher, in the Market who delivered it to the owner.

AT PINE HILL.—The Halifax Herald says: Rev. Principal MacKinnon stated yesterday in reply to an inquiry that he is now in correspondence with his friend, Dr. Kelman, Dr. Jowlett's successor at the Fifth Avenue Presbyterian church, New York city, and an Edinburgh man, with a view to having him deliver at Pine Hill next summer, a post graduate course of lectures by way of marking the centenary of the college. It is not yet known whether he can accept, but should he do so, the richest opportunity in many years is in store for those who annually when the post graduate lectures are delivered, "go up to the college to enjoy them. The lectures of Dr. Peterson and Dr. Macintosh are yet fresh in the memory of all who heard them, although the great war has been fought since the tranquil days of early summer when they were delivered—days when all the vistas about the college spoke of peace and the blessed things of peace.

They were rich opportunities, and hundreds found it well worth while to steal "a while away" from the busy life of "the street" to sit at the feet of the thoughtful and reverent teachers and hear "the truth that maketh free." Dr. Kelman is as great a preacher in his way as is Dr. Jowlett—it is not Dr. Jowlett's way, but it is very wonderful. He was regarded as the most distinguished preacher in Scotland—his most distinguished preacher in Scotland is sure to be a man worth travelling miles to hear.

WEDDING BELLS.—A very pretty wedding took place at the home of Mr. and Mrs. Edward McEwen of Campbellton when their eldest daughter Margaret was united in marriage to Mr. James M. Campbell, son of Mr. and Mrs. James Andrew Campbell of Graham's Head. The ceremony was performed by the Rev. George Miller at 2 1/2 past seven in the evening of the last day of the old year amidst a host of friends. The bride charmingly gowned in white silk with an overdress of Georgette embroidered with pearls and with the wedding veil and a bouquet of roses carried the drawing room on the arm of her father to the strains of the wedding march played by Miss Jessie McKay of Clifton. After the ceremony a bountiful supper was served and much enjoyed by the guests and some others in grotesque attire. Among the numerous and costly wedding gifts was a handsome chair presented by the choir of the Stanley Presbyterian Church of which the bride had been organist.

BACK TO COLLEGE.—Mr. Clarence Peters of Rustico and Vincent Pineau of North Rustico have both returned to St. Joseph's College, N. B., after spending the Xmas holidays at their respective homes. Both young men were happy returning to their teachers and classmates who hold them in high esteem, this being the sixth year for the former and the fifth for the latter at St. Joseph's. Their many friends wish them success in their studies.

SPECIAL SERVICES.—To the writer the opening sermons of the great Evangelistic campaign which pastor Rev. H. R. Bell, (already well known in the role of Evangelist) is conducting in Clyde River Baptist Church may be compared in interest and appeal to the first chapter of an intensely interesting and well written serial. The writer would urge all who have for some reason or other missed the first message of the series, to remedy their oversight as quickly as possible, by coming to the service Sunday evening and there experience for themselves, the disseminating power of the word of God. The message for Sunday evening is of peculiar interest, namely, "The Purpose of God in This Age," or "His Man here and there." Another interesting feature of this service will be musical selections in the form of a duet and quartette. A hearty welcome is being extended to all by the Clyde River members, who are endeavoring as far as possible, to make the effort a success, and in addition to this, the clean, warm and well lighted church sends forth its note of invitation.

Hand painted spats are the very latest thing in New York. The demand for recent origin has caused a big demand for these cloth gaiters in the smart Fifth Avenue shops. They belong near the top of the list of things which help along the H-C of 1920, as most of them are painted to order by 40 designs to match special costumes. 6155.

VALUABLE ANIMAL.—Mr. William Boyce, Bonshaw, has purchased from Hon. W. M. Lea, Commissioner of Agriculture a very promising yearling purebred Holstein bull which will be a valuable acquisition to his herd. The price paid was a handsome one.

TO TRAIN AS NURSE.—Miss Loretta Collins, North River, left Saturday morning for Boston, where she will continue her course at the Training School. On New Year's evening she was surprised by a number of her friends from Charlottetown and presented with a handsome purse.

OIL PRICES ADVANCE.—The price of kerosene oil advanced three cents per gallon this week in Canada, and the price of gasoline two cents per gallon, owing to large advances in crude oil and other increased costs. Advances in prices of refined oil have been taking place in the United States during the past three months, without corresponding advances here.

DOMINION EGG EXHIBIT COMING.—Mr. Ed. Mallett of the Live Stock Branch, Poultry Division, this city, has returned from Moncton where he attended the Provincial Poultry Show held there this week. He reports that it was quite a large show and excellent in every respect. It is interesting to note in this connection that it is the intention to have the Dominion Egg Exhibit which was a feature of this fair brought to Charlottetown for Farmers' Week. It is due to arrive here tonight and will be placed in the Agricultural Hall at the P. E. I. Poultry Show, which opens on the 13th and continues to the 16th. Mr. A. F. Curran who went to Moncton in connection with the New Brunswick show is expected to arrive back in Charlottetown tonight.

tomorrow will receive a cordial welcome not only from his congregation who have been without a pastor for sometime, but from citizens generally. It is hoped Mr. Berry will soon get acquainted and become attached to the Garden Province. 6155.

Miss Katie Stanley the retiring organist of the Methodist Church was pleasantly surprised on Sunday morning last by a presentation from the choir and an address of appreciation for her long and faithful services. Miss Stanley's winsome manner makes her a general favorite with young and old, her musical abilities are well known, as she is always to be depended upon for assistance whatever the object may be. The new organist is Mr. Spencer, from Boston, who enters upon his duties in the near future.

Mr. and Mrs. Noel DeBlois have returned from a short but delightful visit to Halifax, where they were the guests of Mr. and Mrs. Morton.

Miss Helen Jenkins returned this week to resume her studies in St. Vincent Academy, Halifax.

There took place Wednesday evening in St. Andrew's hall, Halifax, a presentation to Rev. D. G. Cock and Mrs. Cock, by way of tenderly assuring them, on the eve of their departure for India, of regard and appreciation of both their work here and in the mission field to which they are returning. The presentation was on behalf of the Forward Movement committee and the Young Men's Christian Association. The gift to the former consisted of a bag filled with money, that to Mrs. Cock a book, in which was "tucked away" a bill of substantial amount. Mr. and Mrs. Cock who will be followed across the Pacific by the best wishes and the prayers of a host of friends, including many in P. E. Island will stop over for a day at Moncton and Montreal, then going to Oshawa to place their sons at school; and proceeding from Oshawa to Toronto, where they will make a short visit, sailing from Vancouver for India on February 2.

CHRISTMAS TREE

A very successful little affair was held in Mount Hope School on Tuesday December 24th when a Christmas entertainment was celebrated by the members of Mount Hope Sabbath School. The following program was carried out.

Opening Chorus, Ring, Ring the Bells; Recitation, O Little Town of Bethlehem, by John A. McKay; Reading, The Tribulation of Biddy Malone, by Mary Matheson; Chorus, Silent Night, Peaceful Night; Recitation, Christmas on an Emigrant Train, by Raymond McDonald; Recitation, All the Bells in Heaven shall Ring, by Lillian Donnelly; Chorus, When Shepherd's kept Vigil; Recitation, The Fireman's story, by Garfield McLeod; Recitation, The Empty Stockings, by Hilda Duckendorff; Quartet, Chime on, Sweet Bells; Recitation, The Tale of a Tramp, by Sheldon McSwain; Chorus, Silence Reigns over Bethlehem; Recitation, Everywhere, Everywhere; Christmas, Tonight, by William McDonald; Recitation, Flaggling the Schoolmaster, by Garfield McLeod; Dialogue, A Pantaloon Fight, by Colon McKay; Closing Chorus, Scatter Your Christmas Blessings. When the program was ended Santa Claus appeared and heavy applause and proceeded to strip the richly laden tree of its gifts. The number of those showed that the people of Mount Hope and vicinity must indeed have caught the spirit of the Christ child in their kindness and thoughtfulness towards one another.

The closing feature was a sale of pies, the proceeds of which go towards purchasing an organ for the Sabbath School.

An appropriate Christmas gift for a chicken-hearted lover would be a scarf-pin in the shape of a wishbone.
