

About Coffee

A pretty good way to test any store is by the coffee it sells. We're willing for you to test us by our coffee any time. We wish you would try some of our Joe. Mocha & Java. We'd be glad to sell it to you and you'd be glad you'd tried it—it's such a fine coffee. Blended skillfully and just roasted enough.

CITY AND COUNTRY

The S. S. City of Ghent is due this morning at 7 o'clock.

The model school closed yesterday. An interesting program was carried out.

An auction will be held at the rummage sale this evening. Remember the hour 7.30.

Mr. W. W. Wade, of Bear River, N. S. arrived in the City yesterday evening on an interesting mission.

The schooner Jessie Newell, Capt. McLure, is discharging coal for the Northumberland at Railway wharf.

At eleven o'clock last night Hugh Steele the student injured at St. Dunstan's college was reported as improving and gradually regaining consciousness.

Messrs. A. Lord, J. M. Campbell, W. S. Louson, E. T. Higgs, E. R. Brow, B. Bremner and A. A. McClaskey and wife were passengers to the City by the mail train last night.

Miss Ida Dawson and Mrs. Wellington Mayhew of Boston, arrived on the Island last night on a visit to their old homes at North Tryon. They were accompanied by Master ——— Dawson, the little son of Mr. Birt Dawson of Boston.

By letter received in the City the sad death of Mrs. (Prof.) Hall, Kansas City is chronicled. Mrs. Hall was on the way to decorate the grave of her child, when she became suddenly ill and died in a few hours after returning. Mrs. Hall was a daughter of the late John Knight, Esq., of Souris.

A GENTLEMAN who visited the rummage sale yesterday characterized it as "an illimitable wilderness." While the above expression is perhaps the production of an overtaxed imagination yet the second day's attainments were fully equal to initial hours. THE GUARDIAN understands that the only trouble is the lack of articles. All are again asked to forward or send in their names and the articles will be called for.

The following is a new phase of the political situation:—Mr. Horace Hazard, a popular young Charlottetown Liberal, will likely be selected to contest West Queen's. John F. Whear, a Member of the Prince Edward Island Legislature for Charlottetown, will likely be appointed Stipendiary Magistrate of Charlottetown. Mr. Fred J. Nash, Editor of the Patriot, the leading Liberal Paper on the Island, will be asked by the Liberals to offer for the seat in the Legislature upon Mr. Whear's retirement therefrom.—Halifax Echo.

A meeting of the Finance Committee of the Y. M. C. A. was held this week and the financial condition of the Association considered. It is the desire of the management to close the year on October 31st, with all bills paid, and if those who know what the work means will do their part this end will be accomplished. Members of the Finance Committee will visit the citizens during the next month and it is hoped the response given will be as liberal as the character of the work deserves.

Great Victory.

BARNABY RIVER, N. B. Mar.—Few cases of illness and recovery have excited the interest in this community, as has the kidney trouble of Mr. Cornelius Crotchie.

Mr. Crotchie's treatment by the doctors at home and in the hospital, and the fact that they absolutely gave him up as a case beyond all hope, is well known. His subsequent restoration by the use of Dodd's Kidney Pills reads like a miracle. "For five years I have suffered off and on with kidney trouble. Last fall I had an attack, for which the doctors had little hope of my recovery. I was obliged to go to the hospital for treatment, but it did me no good, so I came home given up by the doctors. A friend suggested Dodd's Kidney Pills. From the first box I improved. Now I am at my work every day."

The following is a statement of the financial condition of the Association as outlined in the budget made up at the beginning of the year, showing amount of money already received and amount necessary to complete the year's work.

The steamer Minto is to proceed to Pictou to take in 250 tons of coal, before proceeding to Charlottetown to fit out for the cruise of the governor-general of the lower province ports. Commander Spain will join the ship at Pictou. The party will leave Quebec on July 10th, and be due to return on August 9th.—Halifax Herald.

It will be remembered that in September last No. 2 Company, 4th Reg. C. Artillery held a special carbine match for shooting badges presented by Capt. A. G. Peake. The first prize was won by Sergt. Munsey; 2nd by Corpl. Dawson. After drill last night the prizes were presented to the winners by Capt. A. G. Peake. The offering of such a prize by Capt. Peake has greatly encouraged the individual members and shows that the Captain is only too willing to do all in his power to further the interests of the Company.

The funeral of Mrs. Jacob U. Judson, of Alexandra, P. E. I., took place yesterday afternoon. Over one hundred carriages were in the funeral procession. The bearers of the pall were: Messrs. Jas. Acorn, Richard Burhoe, Thos. Wood, David Jones Benj. Wood, and Samuel Lowe, Charlottetown. The family all attended the funeral, viz: Dr. William A. John W. of Newark, N. J., Walter B. of Toronto, Isaac who stays at the old home, Isabella A. and Catherine J., the three former being hurriedly telegraphed for on account of the deceased's sudden illness. The number of friends and neighbors present showed the appreciation of a woman whose greatest aim was to do unto others as you would that they should do unto you. Revs. D. B. McLeod, Charlottetown J. C. Spurr, Alexandra, A. J. McNeill, Orwell, assisted Rev. E. Opie of Pownal in the burial service. The remains were interred in the family plot in Pownal cemetery. Much sympathy is felt for the husband and family who are so suddenly bereaved of a wife and mother. THE GUARDIAN extends sympathy to the afflicted.
