A MAN AND WIFE.
Agree Perfectly in Their Warm Praise of Dodd's Kidney Pills.

NAPANEE, Ont. June 24.—(Special)—It is pleasant to see a man and his wife agree as heartily as Mr. and Mrs. Simon Warner of this town agree about Dodd's Kidney Pills. "I would like to recommend Dodd's Kidney Pills to every one I hear complaining of a pain in the back" says Mr. Warner. "I was so lame in my back that my wife had to lift me out of bed. The doctors said that they could do nothing for me. I was told by a friend to try a box of Dodd's Kidney Pills, and found they helped me right away. I recommend them to everyone, and always after a trial the people are ready to recommend to others. My wife had used five boxes of Dodd's Kidney Pills, and says exactly the same as I do. Neither she nor I feel safe unless we have a box in the house."

The heart beats 70 times a second, 4200 times an hour, 100,800 times a day, throwing out 20 ounces of blood a second, 650 lbs. an hour, 72 tons a day. It is only when supplied with pure, rich blood that the heart can accomplish this enormous amount of work and rebuild its own wasted tissues. Let us tell you what
BUG DEATH
Is and what it does.
It is a now poisonous insecticide. Better to use than Paris Green or any arsenical preparation.
Because it does not burn or blight the plant or retard its growth.
In fact it is a plant food in itself.
It gives better results in every way and where potatoes are concerned a greater yield.
We ask you to try a little and prove it as against Paris Green.
See us for testimonials.
