Rules Regarding Prizes

A duplicate numbered ticket will be given free with each purchase of \$1.00. For instance the person buying \$10.00 worth of goods will receive ten tickets—or more or less tickets according to the size of the purchase. The person will then examine the jar of beans and make guesses as to the number of beans the jar contains. Mark guesses on the tickets; tear the tickets on perforated line, deposit one half in ballot box directly alongside of jar, and retain the other half with the guess in each case. The winning numbers will be advertised later on and those holding these numbers will mail them to the address directed, and the prizes won by each person will then be advertised.

As the prizes are more valuable this time no person can win more than one prize. This will make it possible for more people to win prizes. Employees or members of Summerside firms are not eligible to compete.

The Ballot Box will be located in front of Mrs. McLellan's Bookstore. The Ballot Box will close finally Saturday evening, Oct. 30th.
