**Girl, 15, Drowned**

(Canadian Press)

AMHERST, N. S., Nov. 27.—Minnie Lorette, 15, was the victim of the first thin ice tragedy of the season when she broke through the frozen surface of Christie Pond, yesterday noon and was drowned. The girl had decided to take a short cut across the half-frozen pond and the ice collapsed under her when she was half way across. Several boys playing nearby made a futile attempt to rescue her.

**PROSPERITY OF ISLAND POTATO INDUSTRY**

The continued prosperity of the Island potato industry depends exclusively upon the maintenance of the superior quality of potatoes shipped from the Island, whether these are table or certified seed grades.

The Inspectors of the Department, including myself, are doing their utmost to maintain and enhance the reputation of the Island, but we can not be wholly successful unless we are assured of the wholehearted support of every individual grower and shipper of the Island. One commitment of frozen potatoes on such showing late Blight Rot may spoil the reputation we justly enjoy.

**WEDDING BELLS**—A very pretty wedding was solemnized in St. Ann's Church last, on Thursday morning, Nov. 3rd when Miss Clara McCordie, daughter of the late Mr. and Mrs. Jas. D. McCordie, was united in the holy bonds of matrimony to Mr. Edward Monaghan, son of Mr. and Mrs. James Monaghan, of Kelly's Cross. The bride, who was very handsomely attired in a blue bolivia cloth coat with tur trimmings and hat to match, was attended by her sister, Miss Rose McCordie who also wore blue, while the groom was ably supported by his cousin, Mr. Arthur McQuaid. After the ceremony, which was performed by the Reverend Father Herrell, the bridal party motored to the home of the bride, where a dainty wedding breakfast was served, at which they motored to Charlottetown for dinner, returning in the evening to the home of the bride, where a sumptuous supper was served to their many relatives and friends. The evening was very pleasantly spent in music, singing and dancing. Previous to her wedding, the bride was tendered a shower at the home of Mr. and Mrs. Jas. P. McClosky, at which she was the recipient of many useful and valuable articles, including cheques, cut glass and silver, which show the esteem in which the young couple are held. They left immediately for British Columbia, where they intend to reside, followed by the good wishes of their many friends and relatives here. (Patriot please copy)

**CENTRAL-CHRISTIAN CHURCH SERVICES**—Rev. W. J. Johnston, of St. John, N. B., Secretary of the Maritime Missionary Society, occupied the pulpit of the Central Christian Church yesterday at both services. Mr. Johnston is a very earnest and devoted preacher and his messages yesterday were listened to with much interest by good congregations. The subject for his discourse for the morning was Christ Our Example, showing that we should follow Christ in all things sighting many instances in Jesus life which he did in order to set an example to the members of His church down through the ages. His evening subject was How to achieve success in the Christian life, emphasizing the necessity of co-operation and unity in order that the best results may be attained for the establishment of His work on the earth. The musical programme for the day consisted of an anthem beautifully rendered by the choir entitled "Come Unto Me" and for the evening anthem "The City Fair" also solo by Mr. Ben G. Acorn who sang in his usual effective manner "Open the Gates of the Temple". Mr. Johnston will occupy the pulpit next Sunday.

**Zion Presbyterian Church Services**

The minister, Rev. M. Scott Fulton occupied the pulpit at both services. The morning subject was "Jacob's Ladder," Gen. 28:12. Despite the inclement weather a large congregation was present at the evening service. "Jesus, the Gift of the World," John 3:16, was the text. The singing by the choir was of a particularly high quality. In the morning the anthem was Simpson's "The Lord is My Shepherd". The mixed quartette was taken by Miss Jean Fraser, Mrs. Mutch, H. Craswell and Miss E. Campbell. The two evening anthems were "Woodward's," "The Sun Shall be No More," and Martin's "O God Our Help in Ages Past," soprano solo Miss Fraser. The choir entered fully into the spirit of these services and with fine expression.

The Ladies Aid are speeding up preparations for the bazaar and tea in the near future. Judging by their earnest activities they should be eminently successful.

A word of praise is due the leaders and girls of the C. G. I. T. Their attendance is splendid. We trust their play and concert in the near future will be all that they expect.

We hear fine reports of the two senior Bible classes, one is taught by Miss Profit, the other by Mr. Ross McEwen and the minister.

**Maroons Won From Senators**

(Canadian Press)

MONTREAL, Que., Nov. 26.—Moutral Maroons won a doggedly fought National Hockey League match here Saturday night from the Ottawa Senators by one goal to nothing.

**COLONEL McLEAN ELECTED MAYOR OF WINNIPEG**

WINNIPEG, Nov. 26.—Lieut. Colonel "Dan" McLean with a record of 13 years public service in Winnipeg, as a former Alderman and former member of the Manitoba Legislature, was today elected Mayor of Winnipeg for 1928. Col. McLean succeeds Col. Ralph Webb, who after serving a two-year term refused re-nomination.

**The Markets**

OTTAWA, Ont., Nov. 26.—The Toronto market has worked higher today.

ONTARIO—The best grades of fresh are again higher on this market and they are quoted at extras 60-65, firsts 50-53, seconds 33-37, pullets extras 46-48, fresh extras are being wholesale at extras 70-75, firsts 60-63, seconds 37-40. Fresh eggs are moving in a jobbing way at extras 70, firsts 60, pullet extras 55, seconds 38. Storage eggs are unchanged. No change on their poultry market.

CALGARY—The egg market here is unchanged in tone and price with the demand for B. C. eggs good. The poultry market is steady and demand fair. Packers are quoting 10 higher than the last report, for heavy chickens with three grades unchanged. No quotations have been issued yet for turkeys.

HALIFAX—The egg market here is very firm and higher on fresh extras which are selling to retailers at 75 cents, pullet extras 69 cents.

MONTREAL, Que., Nov. 27.—The export business in grain here Saturday was again of a very limited character, there being practically no demand from the United Kingdom and the Continent. There was some inquiry from local buyers for grain in the domestic market and sales of 50,000 bushels of Canadian Western barley and 50,000 bushels of oats were made at C. I. F. prices at the Bay and here. The car lot trade was quiet and prices were steady. Owing to the further decline in cash wheat prices at Winnipeg, the undertone to the spring wheat flour market here was easy, but there was no change in price note. The local and export demand was inactive. The trade in winter wheat flour was also of a limited character and prices ruled steady. The millfeed trade was moderately active and firm. The demand for standard grades of rolled oats was good and prices ruled firm. The feature of the local egg situation continued to be the strong undertone to the market for strictly fresh eggs and dealers have again advanced their prices for firsts two to three cents per dozen. The higher fresh extras were quoted at 70 to 72 cents per dozen and firsts 60 cents to 63 cents per dozen. In sympathy with above there was also a much better feeling for storage eggs and prices for extras and firsts were advanced one to two cents per dozen. Extras were quoted at 46 cents to 47 cents, firsts at 43 cents to 44 cents and seconds at 39 to 40 cents per dozen. The receipts were 2,648 cases. The demand for butter was confined to small lots but the undertone was steady. The receipts were 463 packages, the export and local trade in cheese was quiet but values were unchanged. The receipts were 2,109 boxes.

**PILLS FOR REJOICING**

Sir,—The Patriot, I notice, rejoices that "every part of Canada has been won over to a sympathetic understanding of our position as a province," and adds "what a bitter pill it seems to be to the Tory organ to swallow." As a reader of "The Tory Organ" referred to I have to say that I have not yet seen in it any sign of bitterness on account of any good thing that has come to Prince Edward Island as a result of the efforts of either Liberals or Tories.

For my part, I will rejoice with The Patriot when I see that some good has come to the people of this Province as a result of the recent conference of Liberal premiers at Ottawa and the boasted sympathetic understanding of our position. When the Duncan Report has been fully implemented, and when the Murray Harbor Railway has been standardized there will be something to rejoice at. So far there is nothing. Anxiously awaiting results.

I. O. D. E. SCHOLARSHIPS

Sir,—The young man who won the scholarship awarded yearly by I. O. D. E. is, indeed, to be congratulated on his success. This scholarship which he was successful in securing for the second time has a cash value of \$2800.00 and from a material point of view is worthy of being elated over.

It will be pleasing to all concerned if the committee of selection appointed to award these scholarships could at the same time share in the congratulations. In the literature sent out by this organization it is very clearly stated and stressed that in granting these scholarships preference will be given to returned soldiers.

In 1926 and 1927 a returned man who served three years in France eligible in every other way was turned down by this committee on both occasions. The first time they admitted their error and in order to make amends (as he thought) asked him to re-submit his application this year, and as if to add insult to injury he is again rejected.

No objection can be made to the action of this committee if they think it is the honorable way to permit their likes and dislikes to govern the spirit of fair play which should be the guide for all who are entrusted with matters of this kind, but hereafter in order to be fair to the public upon whose generosity this organization to a certain extent depends they should remove from their literature (so far as this Province is concerned) advertising this scholarship that "preference is given to returned men."

I am, Sir, etc.  
JUSTICE.

**Death of Lady Victoria Bullock**

(Canadian Press)

MELTON, Mowbray, England, Nov. 27.—Lady Victoria Bullock, only daughter of the Earl of Derby, died yesterday without regaining consciousness after suffering an injury while hunting with the Queen Hounds, Friday. The Prince of Wales and his brother Prince Henry were members of the same hunting party, but no one was with Lady Victoria when the accident happened.

She was found on the ground under an archway by her brother and doctors said that her skull had been fractured. Apparently her head struck the arch as she was driving under it. Lord Derby, who came from France by aeroplane when he learned of his daughter's injury, and her husband, Captain Malcolm Bullock, a member of parliament, were at her bedside when she died.

**Zion Presbyterian Church Services**

The minister, Rev. M. Scott Fulton occupied the pulpit at both services. The morning subject was "Jacob's Ladder," Gen. 28:12. Despite the inclement weather a large congregation was present at the evening service. "Jesus, the Gift of the World," John 3:16, was the text. The singing by the choir was of a particularly high quality. In the morning the anthem was Simpson's "The Lord is My Shepherd". The mixed quartette was taken by Miss Jean Fraser, Mrs. Mutch, H. Craswell and Miss E. Campbell. The two evening anthems were "Woodward's," "The Sun Shall be No More," and Martin's "O God Our Help in Ages Past," soprano solo Miss Fraser. The choir entered fully into the spirit of these services and with fine expression.

The Ladies Aid are speeding up preparations for the bazaar and tea in the near future. Judging by their earnest activities they should be eminently successful.

A word of praise is due the leaders and girls of the C. G. I. T. Their attendance is splendid. We trust their play and concert in the near future will be all that they expect.

We hear fine reports of the two senior Bible classes, one is taught by Miss Profit, the other by Mr. Ross McEwen and the minister.

**The Markets**

OTTAWA, Ont., Nov. 26.—The Toronto market has worked higher today.

ONTARIO—The best grades of fresh are again higher on this market and they are quoted at extras 60-65, firsts 50-53, seconds 33-37, pullets extras 46-48, fresh extras are being wholesale at extras 70-75, firsts 60-63, seconds 37-40. Fresh eggs are moving in a jobbing way at extras 70, firsts 60, pullet extras 55, seconds 38. Storage eggs are unchanged. No change on their poultry market.

CALGARY—The egg market here is unchanged in tone and price with the demand for B. C. eggs good. The poultry market is steady and demand fair. Packers are quoting 10 higher than the last report, for heavy chickens with three grades unchanged. No quotations have been issued yet for turkeys.

HALIFAX—The egg market here is very firm and higher on fresh extras which are selling to retailers at 75 cents, pullet extras 69 cents.

MONTREAL, Que., Nov. 27.—The export business in grain here Saturday was again of a very limited character, there being practically no demand from the United Kingdom and the Continent. There was some inquiry from local buyers for grain in the domestic market and sales of 50,000 bushels of Canadian Western barley and 50,000 bushels of oats were made at C. I. F. prices at the Bay and here. The car lot trade was quiet and prices were steady. Owing to the further decline in cash wheat prices at Winnipeg, the undertone to the spring wheat flour market here was easy, but there was no change in price note. The local and export demand was inactive. The trade in winter wheat flour was also of a limited character and prices ruled steady. The millfeed trade was moderately active and firm. The demand for standard grades of rolled oats was good and prices ruled firm. The feature of the local egg situation continued to be the strong undertone to the market for strictly fresh eggs and dealers have again advanced their prices for firsts two to three cents per dozen. The higher fresh extras were quoted at 70 to 72 cents per dozen and firsts 60 cents to 63 cents per dozen. In sympathy with above there was also a much better feeling for storage eggs and prices for extras and firsts were advanced one to two cents per dozen. Extras were quoted at 46 cents to 47 cents, firsts at 43 cents to 44 cents and seconds at 39 to 40 cents per dozen. The receipts were 2,648 cases. The demand for butter was confined to small lots but the undertone was steady. The receipts were 463 packages, the export and local trade in cheese was quiet but values were unchanged. The receipts were 2,109 boxes.
