FASHION BLOCKS TRAFFIC

NEW YORK, Feb. 27—Fifth Avenue shoppers and crowds in Broadway from Herald Square to Forty-Fifth Street this afternoon were treated to the spectacle of the Harlem skirt in use by two pretty young women.

So fascinating did the sight prove that throngs which gathered to gaze and crowd struggling to catch a glimpse of the much discussed draperies.

The two women, Miss Edith Hordlow and Miss Adelaide Bernon, with a friend, Miss Harriet Westerfield, first appeared in Fifty-Ninth Street, near Third Avenue, where they were gone to try on the skirts. They were so pleased with the general effect that they immediately decided to wear the skirts to their apartments.

Having reached this decision, they started bravely along Fifty-Ninth Street toward Fifth Avenue, but encountering a photographer on the way, they sought to escape by jumping into a taxicab. In this they rode to Forty-Second Street and Fifth Avenue, where they alighted and started to walk down Fifth Avenue.

Before they had gone twenty feet the crowd was gasping, and within a block a procession had formed and constantly increased in size. There the police took a hand and scattered the crowd. Finally the young women reached Forty-Fifth Street, stopped to buy tickets at a theatre and again boarded a taxicab and escaped.

SPORTING NEWS FROM ABROAD

HALIFAX, Feb. 28—The Crescent hockey team, which returned yesterday on the steamer A. W. Perry, have few words of praise regarding their treatment in Boston. In the last game only twenty minute halves were played. The last goal, it is claimed, was put in the Crescent net by a former of their own team.

The Boston team extended no courtesies to the visitors. They did not visit their hotel. Finally they got the "most unkindest" cut of all when the Arena management paid them \$100 less than the amount agreed upon, claiming that his agent had no authority to enter into an agreement to pay a larger amount.

TORONTO, Feb. 27—The Argonauts qualified for the senior O. H. A. finals here Saturday night, when before a large crowd they beat Parkdale decisively by a score of 6 to 2, making them winners by 9 to 5 on the round.

HAMILTON, Feb. 25—Chief of Police Smith stated yesterday that the police would not allow the boxing bouts that were to be put on tonight, and that he had so advised the management of the Hamilton bowling and athletic club, under whose auspices the affair was to be held. The club management claim that they will proceed and it is likely that a test case will be made of the affair because of the differences of opinion that exist regarding the legality of such bouts.

OTTAWA, Feb. 27—The Phoenix Hockey Club, champions of the British Columbia border hockey league, has filed a challenge for the Stanley Cup. It was received Saturday by Wm. Foran. They claim to have a fast team and are anxious to send it east at once. This makes the fourth challenge. Prince Albert, Port Arthur and Galt having previously applied for dates.

Famous British Admiral.

Tells What Zam-Buk Did For Him.

Many famous persons have testified to the great value of Zam-Buk, and amongst the most recent is Admiral Rodney M. Lloyd. Writing from the Royal Naval Club, Portsmouth, England, Admiral Lloyd says:

"I have found Zam-Buk most reliable for healing cuts and abrasions; while for the relief of skin irritation it is invaluable."

Another famous user of Zam-Buk is Mr. Frank Scudamore, the War Correspondent, who supplied Canadian papers with their dispatches during the Boer War. Mr. Scudamore says:

"Some poisonous dye on my small ulcer on my leg and blood poisoning set in. Inflammation, pain and swelling followed. My medical man's treatment did not seem to do any good, as ulcer after ulcer broke out, until my left leg from knee to foot was one mass of sores. I had seventeen deep cuts on my leg, and was really in a pitiful state. A friend advised Zam-Buk, and I applied this herbal balm. It was really wonderful how it soothed the pain and aching and gave me ease."

"I continued with it, leaving off all other treatment, and at the end of a week's treatment my leg was not the same. A few boxes of Zam-Buk healed all the sores, and bit by bit new, healthy skin covered the places which had been so deeply pitted and scarred by ulceration and blood poisoning. The limbs are now perfectly healthy, and with no marks of the old ulcers. For this splendid result I have only Zam-Buk to thank."

Zam-Buk is a cure for piles, eczema, cold cracks or chaps, ulcers, ringworm, poison, cuts, abscesses, burns, children's rashes, abrasions, and for all skin injuries and diseases, and all drug stores and stores sell at 50c. box, or post free from Zam-Buk Co., Toronto, for price. The liver does, why not the kidneys?

Nyala's Stone Root Compound does for the kidneys and bladder what good liver pills do for the liver, but more gently. It removes the accumulating poisons, softens and dissolves gravely formations and renders the passages antiseptic. We recommend only what we know to merit our endorsement.
