Moncton Indians Win From Bear-cat Cubs

TRURO, N. B., Mar. 14.—(By The Canadian Press)—Moncton Indians tonight secured a one goal lead to carry into the final game of the Maritime junior hockey playoffs and the right to continue in Memorial Cup play. They downed Truro's Bearcat Cubs 3-2 in the first of a two-game total goal series and will play the final contest on home ice.

Tonight's encounter saw the teams battle scorelessly through the first period. Each scored twice in the second, and the Red Indians found the decisive scoring attack in the third.

RECOMMENDS

(Continued from Page 1)

The report, embodying the results of an enquiry carried out under auspices of the American Library Association, compliments the Public Library at Saint John, remarks favorably on the work of libraries in several smaller towns, including Woodstock, Truro and Yarmouth and Amherst, but subjects Halifax to severe criticism.

"Halifax, the Provincial Capital," it says, "is known everywhere as a classic example of lack of public interest in the spread of intelligence among its citizens." Referring to the Public Library here: "Its finances are scandalously inadequate, its staff insufficient and pitifully underpaid." It is "badly organized and atrociously housed."

"There is not in Nova Scotia a library to compare with that at Saint John, New Brunswick, which is so well administered that it ought in some way to be made accessible to those who live within a score of miles around it, and thus share its riches and extend its influence."

The report also pays tribute to the work of the travelling libraries sent out by Acadia University, and of Dr. Henry F. Munro, Nova Scotia Superintendent of Education, in developing interest in books in the schools.

He took the House back over history to the meeting in Charlottetown in 1864.

He recalled the bitterness of the struggle of the Maritimes to get "justice in the face of unequalled and unwarranted ill-treatment at the hands of the central provinces," and their success in securing the Duncan Commission.

He could not approve the provisions for a board of trustees and was "irrevocably and unalterably" opposed to the arbitral tribunal. He might find it necessary to vote against the bill, but he wished, Mr. Veniot said, to have it understood that he agreed entirely with the objects of the measure in so far as it might effect economies and more business-like operation.

Referring to the Prime Minister's speech Mr. Veniot said there were unnecessarily pessimistic statements made about the railway situation. He wondered if the coupling by the Prime Minister of pessimism with suggestions for a plebiscite was "preparatory to placing amalgamation before the people of Canada."

The population of the United Kingdom has increased 4 per cent. in ten years, London proper gaining 5 per cent, and six other large cities 12 per cent.

Defensesman Art Lewis is some player too:
It's a good help to Abbie when he's on the blue.

And when Major S. steps out to poke check,
He makes of the play a bad looking wreck.

The last night they played George Carson was sick;
But before they were through the Abbies were sick.

If Dickie MacKinnon keeps up his good game,
He'll make for himself a famous name.

And of course, there's Dick Cullen, he's full of sly tricks,
The team would be stronger, if they had some more Dicks.

Dick Curley we mean, when in mid-season form
He guarantees goals, and makes them by storm.

When you put them all together
And they're playing combination,
I think the Highfield Granites
Are worth our estimation.—"Puck".

Certain Exports Exempt From Tax

MONTREAL, Que., Mar. 14.—Certain exports from Canada will be exempt from the recent sales tax imposed by the New Zealand Government according to an announcement of the Canadian National Steamships, based on word from C. M. Croft Canadian Trade Commissioner in New Zealand. The exemptions apply to newspapers, fruit, wrapping paper, cultivators, harrows, ploughs, drills, seed fers and separators, machinery and blitzer and lime sowers, grain clean-appliances for metal working, wood-working, stoneworking and glass working, various hand tools and so forth.

HUNTER RIVER ROYALS WIN THE BETHUNE TROPHY BY DEFEATING THE RUSTICO RANGERS 2-1 AND 5-0.

In the fastest game of hockey ever seen in Wheatley River rink the Hunter River Royals defeated the Rustico Rangers by the score of 5-0 and won the Bethune Trophy by the total score of 7-1 having defeated them 2-1 in Hunter River Friday night.

In the first period, play started away fast with both goalies making some nice saves but neither team was able to score.

In the second period from the face off MacMillan caught Buote napping, scoring on a long shot from left wing. A few minutes later Wedlock went in close, circled the net and slammed in the rubber for the second goal. Play livened up, but there were no more scores in this period.

In the third period, the Royals, not satisfied with their lead, still continued to force the play with a forward line displaying a fine exhibition of skating and team play, and a defense of H. Wedlock and S. Seller with Watts in the nets, all who were playing a whale of a game smothered Rustico's chances for scoring. Wedlock picked up the puck at centre, passed to MacMillan who made no mistake for the Royals third goal. Francis Doucette came within an ace of scoring, skating in close only to be robbed by Watts who made a sensational save, but were unable to score. Shortly afterwards, MacMillan scored again on a pass from Wedlock.

Certain Exports Exempt From Tax

The final score of the game came as the result of a beautiful combination play by Wedlock, MacMillan and Boyle. Boyle circled his own net, went through the forwards, skated around the defense, made a perfect pass to Wedlock who shot, but Buote made a beautiful save, but MacMillan was right in for the rebound, scoring on a beautiful shot.

Immediately after the game, the teams were congratulated on the fine brand of hockey displayed, by Mr. S. M. Daniel, President of the Bethune League, the Rustico team also extended their greetings to the Royals on winning the trophy.

At the request of Mr. Bethune, the trophy was not presented, as a reception is to be given for the winning team at which time the presentation will be made.

To the referees, Messrs. Vessey and Buntain, goes a great deal of credit for the impartial way they have handled the play-off.

The lineups follow:
Royals—Goal, W. Watts; Defence, C. S. Seller and H. Wedlock; Forwards, A. Wedlock, R. MacMillan, P. Boyle, D. Whitlock, S. Bernard.

Rangers—Goal, A. Buote; Defence, A. Woolner, A. Gallant and Gauthier; Forwards, F. Doucette, R. Doucette, J. Gallant, E. Gallant, R. Gauthier, F. Doucette.

Referees—R. Vessey, Hunter River; R. Buntain, Rustico.

MAROONS WIN KENNEDY CUP

Defeat Montreal Canadiens 2-1 In Hard Fought Fixture Last Night.

(Canadian Press)
FORUM, Montreal, March 14.—Montreal Maroons won the Kennedy Cup, emblem of the National Hockey League championship of Montreal, with a 2-1 won over Canadiens, traditional rivals, here tonight before 10,500 people.

Just 58 seconds before the end of the game, Glen Brydson sniped a quick shot past Hainsworth to break a 1-1 tie and give Maroons a victory. Maroons captured the city title with three wins and a tie over the six games the two teams have played against each other this season.

There was a stiff struggle right up till the end. The Canadiens went to the front in the first period on an unassisted goal scored by tricky Aurel Joliat. Then Maroons tied it up in the second period when Hooley Smith rammed home a short shot on a pass from Baldy Northcott. Hooley Smith also figured in the last minute goal that won the game for Maroons, feeding Brydson the pass for his quick shot through the red-shirts defense.

BLACK HAWKS FORFEIT ROUGH GAME TO BRUINS

BOSTON, March 14.—(C.P.)—After violently protesting an overtime goal scored by the Boston Bruins, manager Tommy Gorman withdrew his Chicago Black Hawks tonight and automatically forfeited one of the wildest National Hockey League games ever staged here. The score stood 3-2 in favor of the Bruins when the forfeit was ordered. Before the Black Hawks retired, Gorman struck Referee Bill Stewart. The fist fight that ensued was broken up by the Boston players. The amazing rumpus started when the Bruins went ahead after three minutes of overtime play.

Close Finishes At S'side Races

Event Proved One Of The Most Successful Ever Held On Harbor Ice—Major S. Won Match Race.

The race at Summerside proved the greatest event of any racing ever held on the harbor ice for years. A perfect track, thoroughbred horses making some of the closest finishes ever seen and an enthusiastic crowd of spectators made the race one long to be remembered in racing circles. The first race on the card was a matched race between Parker Boy owned by Oliver Campbell, Kensington and driven by Wellington McNeill, of Charlottetown and Major S. owned by Don Baker and George Sheen of Summerside, and driven by Cyril Kenny. The first heat was won by Major S. by inches. In the second heat Major S. made a bad break and this heat was easily won by Parker Boy. The third and fourth heats were won by inches by Major S., so close was the finish that it was impossible for a spectator to tell the winner, until it was announced, as you could almost blanket the two horses at the finish of each heat.

This race was won in the very fast time of thirty seconds for the quarter mile. The time for the four heats was 30, 31, 30 and 30 1/2.

In class A Emma Watson, owned by T. R. MacMahon, of Kensington, and driven by Oliver Campbell, won the race. Witty Jim, owned by Gordon Dawson, being a close contender in each heat, Sandy Mac, owned by Harry Schurman, Cyril F. J., owned by L. Boswell, also being close contenders each winning a third and fourth in their respective heats. The best time in this race was 32 1/2.

There were only two starters in class B. Pixie, owned by Robert Humphrey of Kensington and driven by Myron McArthur, winning the race. Chestnut Lady, owned by Robert Phillips, of Summerside winning the second heat. Best time 34 1/2.

Class C was a good race. Trouble Cope owned by Albert Schurman, New Annan driven by Blondin Thomas won this race in straight heats. Ona girl owned by William Delany came second in the third and third in the second. John Whitehead holding the reins in the third heat. Peter Dempsey owned by John McInnis, New Annan was third in the first and second in the last heat. Johnny Mac, owned by Major McDonald, Sherbrooke, driven by Robert Phillips, Summerside coming fourth in the heat. Best time 35 seconds.

Starters: Louis Leard, who handled the horses to the satisfaction of all, notwithstanding he had a very difficult task. F. J. E. Wright was the capable announcer.

Massage Your Head With Cold Water

Don't let the depression depress you so much that you neglect your appearance.

For instance, right now there are many women who, seeing their hair getting stringy and unattractive will say, "Well, I just can't afford treatments or even a bottle of tonic." This is written for them. Do you know that you can massage your head very effectively with cold water? Do you know if you dip your fingers under the cold tap, after it has run long enough to be really cold, and then gently but firmly massage your scalp that it will do wonders for you?

Cold water acts much the same way on the head that it acts on the body, as a stimulant. That's what many heads need. Particularly if you wear your hat during the day. Particularly if you've been sick and your hair is thin and stringy. Take the same care in applying the cold water that you would if it were expensive tonics. Part your hair this way and that until your whole scalp has been moistened. Then massage it in rotary motions until your scalp feels tingly.

Then brush your hair—from the scalp clear to the ends of your hair lifting it strand by strand until it is thoroughly gone over.

For a late afternoon pick-me-up when you feel strained and very forlorn and tired, try a gentle scalp massage with cold water on your fingertips. It's a tonic! It will make you feel much more awake, will tone up your psychology quite as much as your scalp. And all the cost involved will be about two minutes time! Everybody can afford that this winter!

Highfield Granites Are Banquetted

The Highfield Granites winners of the southern section of the Bethune Hockey League and runners up for the Island Intermediate Championship, closed the hockey season by holding a banquet at the home of Mr. and Mrs. T. A. Rodd, Milton, who so kindly opened their home for the occasion, on Thursday evening, March 9. Over one hundred and twenty-five fans were present.

Mr. David Bethune, M. L. A., who so generously donated a trophy for this section, was present, and after a complimentary speech presented the trophy to Harold Stead, Capt. of the Granites. Capt. Stead in a few well chosen words thanked the donor on behalf of the team.

Mr. T. A. Rodd, chairman, then called on the President of the Hockey C'ub, Mr. Gordon Stetson, who thanked Mr. Bethune and referred to the splendid coaching done by Mr. Ott Campbell. He also regretted that owing to illness Ott was unable to attend. Mr. Leo Blake, manager of the team, thanked Mr. Bethune, also the community, for their splendid support during the hockey season.

Mr. Lemuel MacKinnon was then called upon and in his usual witty manner thanked the ladies for the dinner of which they were about to partake. His only regrets were that such banquets did not come often enough.

During the dinner, Mr. Jas. Doran time-keeper and Lem. MacKinnon were heard discussing the advisability of using electric clocks for timing purposes. Their conversation however, was a little too technical for the majority of the diners. How Mr. Edson would have enjoyed their comments!

On behalf of the hockey fans, Mr. Sidney Taylor made a splendid speech, outlining the good work done during the past season by the Granites, who in his opinion, would have been Maritime Intermediate Champions, only for injuries received by so many of the players during previous games. He recalled that in the game in Highfield Rink between the Granites and the Second Abbies, two of the Granite forwards played seventy minutes and one s'xy-four without a relief, a record hard to beat, and any team that could shut out the Williams' clan 2-0 under these conditions confirms what he had previously said. He completed his remarks by reading the following poem, handed in by a local Robert Service.

Here's to our Highfield Granites;
They're a very hard team to beat,
They get more than their share of
victories,
But know how to take defeat.

When sorrel thatched Wallace gets
hold of the puck,
The opposing players are just out
of luck.

And goal-keeper Abby, where is
there another
As good as he is, to keep out the
rubber?

There's tricky Ott Campbell. What
a player is he!
Those last goals he made were
worth while to see.

Little Stanley Hurry, at least that's
what I'm told,
If he keeps up his good hockey
playing, will be worth his
weight in gold.

There's Jeffy, Jack Rodd, he's a
sure and quick shot,
If he's not on the ice, they miss
him.
