Advertisement for Greatest Invention of Age For Hoarseness, Weak Throat. Nothing So Far Discovered is so Beneficial to Public Speakers, Ministers, Singers and Teachers as Catarrhazone.

Advertisement for Catarrhazone. Because of its strengthening influence upon the vocal cords, Catarrhazone is highly recommended as a wonderful voice improver. It also instantly removes huskiness or hoarseness, thus insuring clearness and brilliancy of tone. Catarrhazone keeps the mucous surfaces in perfect condition, and its regular use absolutely prevents colds and throat irritation, thereby removing the singer's greatest source of anxiety—hoarseness of voice. The most eminent speakers and prima donnas are seldom without Catarrhazone, and credit in no small degree their uniform strength and brilliancy of tone to its influence. Singer Recommends Catarrhazone. "For many years I have been a sufferer from that terrible disease known as CATARRH. "Being a professional singer, you can readily understand that Catarrh would be a serious hindrance to my professional skill. "One year ago I read in the "Progress" a convincing testimonial from one who had been cured of this disease through using your God-sent invention, "Catarrhazone. "Believing in the merit of Catarrhazone, I tried it. "Catarrhazone cured me and has been the means of my success. "You are at liberty to use my name if it will help relieve some from suffering, and I will always remain, "Bob Bixley, New Glasgow, N. S. Mr. Bixley is one of the best known singers and entertainers in the Maritime Provinces. Everyone knows him, and his testimonial for Catarrhazone is the best sort of evidence of what great benefit Catarrhazone is to those suffering with throat weakness or catarrh. "Complete outfit, consisting of a beautifully polished hard rubber inhaler, and sufficient liquid for recharging to last two months, costs one dollar. Sold by all druggists, or sent safely to your address by mail if price is forwarded to the Catarrhazone Co., Buffalo, N. Y., or Kingston, Ont.
