

The great racing Pedalmobile is built exactly like a 2 cylinder 10 horsepower motor car. It has real electric head lights, rubber tires, artillery wheel, gasolene tank, three speed lever, steering wheel, radiator, horn, lamp, etc.

**HERE IS THE GRANDEST PROPOSITION EVER MADE**

BOYS, you can earn this big, handsome racing Pedalmobile and be the pride of the town. Pedalmobiling is the greatest sport ever invented; you simply jump in the car, apply the speed lever, touch your feet to the pedals and go spinning along. It feels like a hand. Put on your coarser and take the hills without sweating, turn the sharp corners without fear of spilling, blow your horn if anyone is in the way, or reverse your speed lever and stop. In fact, the Pedalmobile will do everything a real auto will do but burn up gasolene. Inside the pedals are all the gears, and you can get a racing Pedalmobile absolutely free and a diamond guaranteed watch as well that anybody would be proud to own. It has double solid nickel case, and absolutely guaranteed for one year.

If you see a live gasolene boy and these two grandest propositions you, send us your name and address. We want you to help us advertise and increase the demand for our famous new Pedalmobiles.

**Island Soldier Tells Of the Big Drive**

The following letter has been received by Mr. Thomas Dennis, of O'Leary, from his son, Charlie, who crossed overseas with the 195th, and has been in the big game in France with the 26th Battalion:

Dear Father.—Just a few lines to let you know I am back in our Blighty again. I had a pretty good time while in France, but I guess old Fritz got tired of me the same as he did with some of the rest of the boys, as the 'e was a lot of them go... the same time I got mine. But I was lucky just the same; not nearly as bad as it might have been. My hands and face are pretty badly burned... but it was going to affect my eyes, but they think they are going to come all right. It is just three weeks to-day since it happened. It is pretty hard to explain just how it happened, but will do the best I can.

We went over to the toy on the morning of the 26th, and talk about machine guns, but they had them there ready for us, and we got held up for about half an hour and took cover in one of our old gun pits, and there was a lot of cordite and other explosives in there that we knew nothing about. Fritz sent over a shell that exploded at the mouth of the pit and ignited the explosives that were in it, and up she went.

I was working a machine gun at the time. It was blown out of my hands and I cannot tell you just where I landed, but woke up in the hospital.

I am feeling pretty good now clear of the burns, which will soon be better. It was a very difficult position to take, but you know the Canadians never started out for a place yet but what they got it, though we must admit, sometimes they pay pretty dearly for their successes. I guess this will be enough war talk for this time. Hoping you are all well, as I am feeling O. K. myself. Give my best regards to all the folk. With love to all.

**Chronic Diseases Take Hold Slowly**

Kidney and Bladder Troubles don't attack you suddenly. Chronic diseases of these organs are generally the results of neglect. Nature gives you plenty of warning when your Kidneys are out of order and need assistance; you notice a dull pain in the back; you are dizzy, have headaches, feel languid, tired and lifeless.

There is no mistaking the symptoms: and when Nature warns you—obey—or later you will regret it.

Putting off never cures. Gin Pills do. At the first sign of Kidney or Bladder Trouble, buy a box of Gin Pills and take them. They will help you Kidneys to perform their proper function and renew your previous strength and vigor.

Among our hundreds of testimonials is one from Mr. B. C. David, King's Co., N.S. Mr. David writes:

"I was suffering from a dreadful lame back and hips, so much so that I could hardly straighten up. I got a box of Gin Pills and they helped me immediately. I have continued to take Gin Pills, and now the pains in both hips and back are gone. I shall always recommend Gin Pills to my friends and other sufferers."

Mr. David's case is only one of the many to which Gin Pills have brought immediate relief. Sufferers from Kidney or Bladder trouble should heed what has been done in such cases and try Gin Pills.

Sold almost everywhere throughout Canada—50c a box. A free sample will be sent you if you write to The National Drug & Chemical Co. of Canada, Limited, Toronto, Ont. U. S. residents should address Na-Dru-Co, Inc., 202 Main St., Buffalo, N.Y.
