DEATH TO LET GO.

Until a consumptive be actually in the grasp of the Grim Reaper it is foolish to give up the struggle and let go. In thousands of cases Shiloh's Consumption Cure has wrested afflicted people out of Death's grasp and restored them to health and hope.

Never ceasing vigilance is the price paid by consumptives for health. Diet, Clothing, Exercise etc., must all be closely watched and if there is sufficient lung structure left on which to start a small foundation Shiloh will do the building. If proper care be exercised generally and Shiloh's Consumption Cure be taken faithfully as directed the building will be sure, there will be no failure. This grand restorer is guaranteed not to fail. The whole purchase money is returned if it does not fulfil our promise. Aurora, Ontario, Feb. 20, 1899. S. C. WELLS Co., Toronto.—"I have taken your Shiloh's Consumption Cure and can thoroughly recommend it for Consumption. I have taken one bottle and am able to get out of bed. I would advise all suffering from that disease, or any lung trouble, to try it and be convinced. Yours truly, Mrs. Horbury Turen. Sold in Canada and United States at 50c and 75c a bottle. In Great Britain 2s 6d, 3s 6d and 4s 6d.

KICKED HIS PHYSICIAN.

'Never Leave His Bed Alive—South American Rheumatic Cure Does the Miracle.

Mr. Granville Hight, of Sparta, Ont., says his father, who is a very old man, was very low from a severe attack of rheumatism. His physician assured the family he would never leave his bed alive. A friend took a bottle of South American Rheumatic Cure to him. A few days later upon receiving a visit from the doctor, he ran across the room, and playfully administered a heavy kick. He is now up and as well as ever. Sold by S. W. Dood and G. E. Hughes.

'Nay,' replied the amateur humorist. 'You can't do me.'

'EXPERIENCE IS THE BEST TEACHER.

We must be willing to learn from the experience of other people. Every testimonial in favor of Hood's Sarsaparilla is the voice of experience to you, and it is your duty, if your blood is impure and your health failing, to take this medicine. You have every reason to expect that it will do for you what it has done for others. It is the best medicine money can buy. Hood's Pills are non-irritating, mild, effective.

'Rob Peter to pay Paul.' That is what they do who take stimulants for weak nerves. Hood's Sarsaparilla gives true nerve strength.

WASTED TO A SKELETON

with a persistent Cough that nothing but Dr. Wood's Norway Pine Syrup seemed able to cure.

The constant hacking cough that sticks to you in spite of everything you have done to relieve it, means danger. The longer the cough stays, the more serious menace is it to your health. It's easy to check a cough at the outset with Dr. Wood's Norway Pine Syrup. If you've let it run on, though, takes a while longer to cure it, but Dr. Wood's Norway Pine Syrup can cure it even then, after other remedies fail.

Here's the case of Miss Allida Rivard, Emerson, Man., who says: "Last winter I contracted a bad cold which stuck to me in spite of the different remedies I tried. The constant coughing reduced me so that I was almost a skeleton. A friend told me Dr. Wood's Norway Pine Syrup would cure me so I thought I would try it. The first bottle helped me so much I continued its use until I had taken three bottles in all, which completely cured me. I have recommended this remedy to dozens of my friends."

A Bilious Letter.

Thursday evening we dropped a bill in the Post for a prominent gentleman of this town. The next morning we had the pleasure of receiving the bill. This is what we call promptness. ("Oh if others would do likewise.") We have been "dropping, dropping, softly dropping" a number of bills in the Post Office, and we are waiting, waiting patiently to have the pleasure, and to give the pleasure of receiving them.

Please do not all come together; if you do, what a happy, happy gathering it will be.

We have a number of bills to pay, and a large number of small bills that should be paid us. Kindly pay ours and we will be in a position to do likewise.

Yours very truly,
J. J. CAY & SON.

We wish our Customers one and all

A Happy and a Prosperous New Year.

We also desire to thank them for their very liberal patronage during the past year, making it the most successful we have yet had. That our efforts to please has been appreciated is evident from our rapid increase in business. We will strive to merit still further your continued patronage.

Stock Notes.

Says the Breckers' Gazette the first animal to command as high price as \$7.50 per cwt. at the Chicago yards was an Aberdeen Angus steer. These splendid cattle have topped the Chicago Christmas market for nine successive years, defeating all beef breeds. Statistics showing the average prices realized by the different breeds at the big public sales held in Great Britain and the United States last year, place the Aberdeen Angus first, the Shorthorn a close second and Herefords third.
