MARITZBURG, South Africa, Jan. 13 — (CP) — A temporary solution to the soap solution in South Africa has been found by Maritzburg women who now are using dog soap.

Supplies of ordinary domestic and toilet soaps are almost impossible to obtain but there are fair supplies of dog soap which is said to be as good as a medium-priced toilet soap. Women are rapidly buying up all available supplies of dog soap at 1s. (20 cents) a cake. They believe the dog soap is less injurious to the skin than ordinary soap. They are also buying shaving sticks with which to do domestic laundry.

Complete results of the March 10 census are not yet available but it is estimated that the population figure for the ninety departments is approximately 40,500,000. This would be a drop of 1,400,000 since 1936. In this connection it is encouraging to note the increasing French birthrate. In the first quarter of 1946, 205,000 children were born, compared to 156,000 in the corresponding period of 1939.

Late Selling On New York Market Starts Decline

(By T. E. Applegate, Associated Press Financial Writer)

NEW YORK, Jan. 15—(AP)—Offerings in the final hour depressed a number of leading stocks fractions to more than 2 points in today's market.

Although pressure was not severe the decline left selected industrials and rails at lows for the day. The list had moved narrowly and indecisively in early dealings with manufacturing issues registering improvement near the fourth hour only to lose it in the late selling. A few favorites succeeded in retaining plus signs.

Canadian issues were mixed at the close. Canadian Pacific and Distillers Seagram advanced 1-4. Dome Mines and Hiram Walker lost 1-8. On the curb, Lake Shore lost 1-8.

American Telephone which reported 1946 earnings equal to $3.41 a share against $8.66 in the preceding year was steadier than most issues but closed off 1-8 at 170 7-8. Western Union "A" dipped 1-2 to 17 7-8 a new 1946-47 low. Schenley resumed its recent decline and was off 3-4 at 43 1-8.

Chesapeake and Ohio was down 1 1-8 at 51; U. S. Gypsum 2 1-2 at 87; Chrysler 1 at 87; Goodrich 1 at 62; Southern Railway 1 7-8 at 41 3-4; Transcontinental and Western Air 1 at 18 3-8; General Motors 1-2 at 53 1-2. Others ending lower included U. S. Steel, Bethlehem, Montgomery Ward, American Smelting, Phelps Dodge, General Electric, Union Carbide, Du Pont, and Standard Oil (NJ).

Gains were held up by United Fruit, up 1 at 47; Allied Chemical up 1 at 171; American Can, International Harvester and Woolworth.

Recovery Trend On Montreal Stock Market Continues

MONTREAL, Jan. 15 — (CP)— Papers and selected issues continued to show moderate improvement on the stock exchange and curb market today following yesterday's late recovery trend. Most sections showed narrow irregularity and at the close minuses and pluses were about evenly distributed with pluses having a slight edge. Volume was considerably less than Monday's comparatively active transactions.

Announcement of higher prices for pulp had some influence on paper stocks, but most of the gains were only fractional. Slightly better were Consolidated, Price, Fraser, International, Abitibi and B. C. Forest. Abitibi Preferred closed ahead throwing off an early slip. Donnacona ended behind after opening gains. St. Lawrence Corporation was active and steady and Bathurst dropped an increase.

Seagrams was heavily traded in liquors and was up 1-8 after temporarily being shaded. Walker was off 1-4 and Canadian Breweries and Sicks lagged. Seagrams Preferred and Alco "B" improved.

In metals, Nickel finished 1-8 lower while Smelters and Alcoa Preferred were steady. Noranda was down and Hudson Bay stronger. Petroleum and McColl advanced in oils.

In the narrow utility list, Bell was unchanged in fairly active dealings and Brazilian, B. C. Power and Quebec Power were fractionally weaker. Royal gained 1-4 in Banks and C.P.R. the same in carriers.

Massey, National Steel Car, Cockshutt, Algoma, Canadian Industries, Asbestos, Hamilton Bridge, Canadian Car and Acadia "A" were winners and International Bronze, Consumers Glass, Dominion Bridge and Dominion Glass Preferred losers.

Volume dwindled in the mines section and there were few significant changes. Formaque, Osisko and Central Cadillac were better and Lake Shore, O'Brien, MacDonald and Nechi in arrears. Pato was steady after an early loss.

Among miscellaneous stocks, Acceptance was up 1-2 and General Bakeries off 3-8.

Trading box score: Total sales, 154,800 shares; stocks higher, 50; lower, 52; unchanged, 76; new highs, 2; new lows, 2.

In spite of the shortage of railway equipment and the usual heavy summer traffic, French railways took 1,400,000 children to vacation spots last summer. This was nearly twice the 1945 figure and required 421 complete trains. A hundred special trains carried 40,000 French children to undamaged resorts in the French occupation zone in Germany.
