NEW HOTEL.—The new Mawley House on Central street formerly owned by the late Sheriff Gaffney, has been taken by the Misses Janie and Carrie Mawley. It has been painted outside and inside, papered and newly furnished, hard-wood floors have been laid in the dining room, kitchen and halls, upstairs and down stairs. A number of alterations and improvements have been made which make it more suitable for its present business. The house is lighted by electricity and heated throughout with hot water. A heater is placed in the bath room, which is supplied with abundance of hot and cold water. The plumbing and heating were done in an most satisfactory manner by Messrs Rogers and Rogers at a cost of over five hundred dollars. The house is centrally situated being near enough to the business places and an easy distance from trains and steamboats. The Misses Mawley's skill in catering to the travelling public is too well known to require any comment from us. Permanent and transient boarders will find the Mawley House a comfortable home where they will be entertained at a moderate cost.

PROMPT ACTION.

Thoroughly Cures Every Form of Piles.

The Pyramid Pile Cure has been a pleasant surprise to thousands of sufferers, because of the instant relief it gives and the prompt cure which follows its regular use, and this is done without the use of opiate, cocaine, narcotics or poisons of any kind, as careful analysis shows the Pyramid Pile Cure to be wholly free from any injurious drug whatever.

Hundreds of people who had almost decided to undergo an operation, believing nothing else would cure them have been astonished to find that a fifty cent box of the Pyramid was far safer, better and more effective than an operation could possibly be.

The Pyramid Pile Cure allays the inflammation and intolerable itching, reduces the tumors, and by its astringent properties causes the enlarged blood vessels to contract a healthy condition.

A gentleman living in Cleveland relates his experience by saying: "It affords me unusual pleasure to add my endorsement what I consider a really wonderful pile cure."

I was a sufferer from piles for years until a brother salesman told me about the Pyramid Pile Cure; It has entirely cured me and I cheerfully recommend it."

Mrs. D. E. Reid of Albany says: "I would not take \$500 and be placed back where I was before I used the Pyramid Pile Cure; I suffered for years and it is now eighteen months since I used it and not the slightest trace of the trouble has returned."

Mrs. Hinkley of Indianapolis was told by her physician that nothing but a surgical operation, costing between seven and eight hundred dollars, could cure her as she had suffered fifteen years, yet even in such a case the Pyramid Pile Cure accomplished a complete cure; she says: "I knew an operation would be death to me and I tried the Pyramid with very little hope, so it is not to be wondered I that I am so enthusiastic in its praise."

The Pyramid Pile Cure is sold by druggists at fifty cents for complete treatment and it contains no opiate for other poisonous drugs may be used with entire safety.

No one need suffer from piles in any form, who will give this excellent preparation a trial.

WHERE ARE THE SKEPTICS?

In spite of all the evidence published in the daily press and even in spite of the testimony of your best friends you may still be skeptical regarding the unusual virtue of Dr. Chase's Ointment. Nothing short of an actual trial will prove to you beyond the possibility of doubt that Dr. Chase's Ointment is an absolute cure for piles. A single box will be sufficient to make you as enthusiastic as your neighbour in praising Dr. Chase's Ointment, for it is certain to cure you.
