Disputed Pictures Decided a Rubens
AMSTERDAM, Holland, Sept. 19.—(C.P.)—After considerable puzzling over the question of whether a masterpiece painting was a "Titian" or a "Rubens" art experts have reached the decision that the picture in question, "Portrait of the Emperor Charles V", is really a Rubens. It was formerly in the collection of George Pretymann at Orwell Park, Ipswich.

Aged Mariner Fetes Cronies
SOUTHAMPTON, England, Sept. 18.—(C.P.)—Lord Runciman, 86-year-old shipowner, father of Rt. Hon. Walter Runciman, President of the Board of Trade, entertained 18 of his fellow-members of the Southampton Master Mariners' Club at a party on the Solent last month on board his yacht, Sunbeam II, a three-masted schooner. The master mariners became sailors once again and toiled in the sun all day as if there were no such thing as age.

SHOOT QUESTIONS SO HIT BULL'S-EYE
NEW YORK, Sept. 17.—Captain Walter C. Mayer, once a marine corps officer, teaches pistol shooting to men and women, but he says his feminine pupils are the best. "I would rather teach a woman than a man any day in the week," said Captain Mayer today in his sub-basement shooting gallery. "If a man is having trouble with a lesson, he won't tell you. He doesn't ask questions, just keeps on making mistakes. Now with a woman, while she'll ask you enough questions to drive you crazy, it is possible to learn where she's missing out and give her some help."
