Successful Opening of Chautauqua Yesterday

Eloquent and Able Address Delivered by Hon. Charles H. Poole of New Zealand. Splendid Musical Programme.

The Charlottetown Chautauqua opened yesterday afternoon when Mr. S. Albert McDonald, Chairman of the local guarantors, took the platform at three o'clock and introduced the Superintendent, Leon M. Pearson, who will have charge of the program during the week. Following a short recital of diction poems by Mr. Pearson, the Duxbury Male Quartet and Hand Bell Ringers gave a program of delightful music which varied from vocal and instrumental to comic numbers, featuring the Swiss novelty of bell ringing, and displaying throughout the versatility of the four young men who compose the company.

The quartet opened the evening session last night with their own program of music. The commanding quality of Mr. Musch's deep bass voice, the pleasing personality of the director, Mr. Malison, and the skill of the entire company in handling the well-tuned bells are features of their program which left a most favorable impression on the Charlottetown audience.

The first lecture of the week was given last night when the Hon. Charles H. Poole, Member of the New Zealand Parliament, appeared and discussed in a most forceful fashion the social problems which that new country from which he comes is facing, and which are paralleled by problems which Canada is facing every day. The lecture was not only timely and full of sound reasoning, but it was also characterized by a delightful humor that kept the attention of the large gathering throughout.

The finest musical programs of the entire week are promised for today, when two companies of artists come to the Charlottetown Chautauqua. The Great Lakes String Quartet is the organization which accompanied ex-President Wilson on his trans-Atlantic voyages, an organization made up of men, each one of whom has been offered a position with the Chicago Symphony Orchestra. This company has remained intact because they desire to play before the larger Chautauqua audiences, and bring good music to people who are not in touch with the musical metropolis. The quartet gives a full evening's program tonight.

Both Miss Estelle Hughes and Mr. Clarence Bowden, who form the Hughes-Bowden Company, appearing on the afternoon program today, have a splendid program featuring the soprano, Miss Hughes, the soprano, soprano voice that has ever entertained Chautauqua audiences.

From New York engagements.

DOMESTIC LIFE

To regulate domestic life New Zealand, finding herself wanting, took steps to furnish remedy and the first public health department of the South Seas was inaugurated, so that infantile mortality has, as a result, gone down to the lowest percentage ever known in civilization. Then New Zealand said it is the right of every boy and girl to have a liberal education. So, said Hon. Mr. Poole, that her free institutions of civilization were built upon the mental attitude of its people, and to this end, the state at all times endeavored to give the boys and girls a chance in life. Respecting the inner social life of the country, a speaker stated that the modern times today was the idle rich, but this was an exception in his country. It was the wish of the majority there, he said, to develop children physically and mentally more

The vessels will be open for public inspection at specified hours.

First Cargo of British Coal for Niagara District

ST. CATHERINES, Ont., Aug. 2.—The first cargo of British coal for the Niagara district is in the Welland Canal today bound for the Ontario Paper Mills, at Thorold. It is of the steam variety and is being brought by the company's new steamer Tribune, a full sized Welland Canal freighter, direct from Newcastle-on-Tyne, where she was built. Captain J. J. Norris is in charge. It is probably the heaviest upbound coal cargo that ever entered the Welland Canal.

Soldiers Monument To Be Unveiled

Today (Thursday), August 3rd, at 2 p.m. the monument erected by the Presbyterian congregation of Murray Harbor North and Peters Road to the memory of the boys from those localities, who fell in the Great War will be unveiled with suitable ceremony.

The monument which is erected in the cemetery at Murray Harbour North is built of granite of simple yet impressive design, and weighs about eleven tons. It contains the names of the following soldiers:

Private William Henry Graham, age 21 years, killed in action March 17th, 1917.

Ray Angus MacDonald, age 24, killed April 9th, 1917 at Vimy Ridge.

James Irving, died of wounds, Nov. 9th, 1917.

William H. L. Kelly, age 24 years, killed at Passchendaele, Nov. 6th, 1917.

John Russell Davidson, age 25, killed at Cambrai, Sept. 27th, 1918.

Nicholas MacLennan, age 35 years, killed at Arras, Sept. 2nd, 1918.

Leith Graham, killed at Arras, Aug. 27th, 1918.

Those names are on three sides of the monument, and on the fourth are the following lines:

We are the dead. Short days ago we lived,

Felt dawn, saw sunset glow, Loved and were loved, and now we lie in Flanders field.

The unveiling program is as follows:—

Opening Hymn. Scripture Reading.

Hymn. Prayer.

Address—Rev. J. S. McKay. Address—Chairman of Committee.

Hymn. Address—Rev. George C. Taylor.

Unveiling and roll call.

Handing over monument to Trustees.

In addition to addresses by the above speakers there will also be remarks by any others who may wish to add their tributes to the memory of the fallen heroes.

Second Day of Provincial Rifle Association Meet

Several Keenly Contested Matches Shot. Excellent Scores Were Made and Great Enthusiasm is Being Shown by Competitors.

The second day's shoot of the Provincial Rifle Association was completed yesterday and was both in regard to weather conditions and scores made even more successful than the opening day. The competitors have settled down to business and all are showing the greatest enthusiasm in the different matches.

In the morning the first stage 200 yard range of the MacDonald Brier Match and the Cadet Match at 200 yards were put through and the first prize for the former a silver medal, donated by the Rifle Association was won by Mr. G. G. McLennan, winner of the MacKinnon Drug Company's Match on the previous day.

In the afternoon the remainder of the MacDonald Brier Match and the Corporation Match were shot, the latter being won by Capt. A. Robertson, with a score of 49 points out of a possible of 50. Mr. B. C. Chandler and Mr. W. E. McCallum took second and third place respectively.

Altogether yesterday's shooting was exceptionally good and if the weather remains favorable today's will be equally good as there are a number of excellent matches among which is the Ladies' Challenge Trophy match which will be shot in the afternoon.

Responsibility Falls on Railway Executive

(Special to The Guardian.)
WASHINGTON, Aug. 2.—President Harding having received advice from Government agents at Chicago, that the striking railroad men will accept his peace proposal is preparing to place full responsibility upon the railroad executives for the continuance of the strike and its paralyzing effect upon industry.

Canadian Govt. May Adopt Measures in Coal Situation

(Special to The Guardian.)
OTTAWA, Aug. 2.—Some action may be taken by the Government at this afternoon's meeting in regard to the coal situation as the matter was discussed at a prolonged council meeting yesterday and will be renewed today.

In the meantime advice are expected from Washington as to the real situation there.

OTTAWA, Aug. 2.—There was a long cabinet council today which was attended by two thirds of the ministry and practically all the time was consumed in dealing with routine business which had accumulated in the period elapsed since the last council took place.

Important Notice To Allied Debtors

(Special to The Guardian.)
PARIS, Aug. 2.—France will refuse to grant a moratorium on Germany if England insists in its demand that the United States was semi-officially stated today.

The note addressed to allied debtors of England by Lloyd George which asks for partial settlement of war obligations so that England may pay the United States is considered highly important in official circles as it will exclude negotiations concerning war debts from the financial conference to be held in London August 7th.

Presbytery

The Presbytery of Prince Edward Island met in regular session in Zion Hall, on Tuesday morning and afternoon. The attendance of ministers and elders was good, a large amount of routine business was disposed of as well as some matters of special interest. Mr. T. A. Wilson, B. S., of Covehead is the new moderator and several new elders occupied their places for the first time.

The usual question of the increase in ministers stipends was thoroughly discussed. For eighteen months this Presbytery has consistently refused to recommend this increase to congregations generally, but since, during that time over four hundred congregations in the church have advanced to the new minimum, and the General Assembly last June reaffirmed its ruling, while the Home Mission Board has announced its intention to pay the income from April first 1922 in the augmented congregations which have qualified, it was felt that this Presbytery should no longer stand in the way of ruling of the Assembly going down to the individual congregation and record in passed the following resolution: "That carrying out the instructions of Assembly, this Presbytery undertake the visitation of all congregations paying less than the new minimum."

Another matter of considerable interest was the proposal to rearrange the boundaries of certain congregations in the eastern part of the Island. This was a proposal to make two strong congregations in the place of three, one of which is augmented. The evident opposition of some of the sections was so great that Presbytery decided as they are, but there was a strong feeling expressed that the wider interests should and will ultimately prevail among these people.

Mr. Davidson's resignation was further considered and as it was his wish to adhere to it, the Presbytery agreed to accept it and appointed Mr. Mitchell of Summerside as interim moderator.

Dr. Stewart of Halifax, was nominated as moderator of the forth coming Synod to meet in Halifax in September.

Arrangements were made for the visit to the Island in the near future of Prins MacKinnon and Prof. Shaw from the Presbyterian College, Halifax.

It is decided to request Prof. Shaw to meet in a four days conference with as many of the ministers as can arrange to come together at some convenient centre. Prins MacKinnon will visit a number of the congregations.

France Sends Sharp Ultimatum to Germany

Demands Payment of Two Million Pounds Sterling by August 5 in Default of Which She Will Adopt Coercive Measures.

(Special to The Guardian.)
PARIS, Aug. 2.—France has demanded another sharp note to Germany demanding payment of two million pounds sterling by noon August 5. Unless this payment is forthcoming France will take coercive measures the note states.

It was learned authoritatively however that the coercive measures contemplated are not military in nature but economic and financial.

This latest note was despatched immediately upon receipt of a memorandum from Germany yesterday pleading the impossibility of paying private property claims in view of the collapse of the market and the panic-stricken situation in German financial circles.

Germany contented herself with this general statement declining to give a specific answer even in the face of the French ultimatum until all of the allies have announced their attitude regarding the quest of Germany for a partial moratorium.

Premier Poincare without delay rushed his reply to Berlin renewing his original demand for payment and repeating that coercive measures would be taken if Germany does not comply by noon August 5.

The German note which prompted Tuesday's sudden reply from Paris was in response to one from Premier Poincare July 26 demanding two million pounds sterling toward settlement of French claims and rejecting the partial moratorium requested.

Chicago Street Service Prepares To Break Strikers

(Special to The Guardian.)
CHICAGO, Aug. 2.—With an army of strike breakers from New York reported ready to step in and run Chicago's surface car service, the city's street car police prepared for traction war today.

At the same time agencies of the city, state and federal governments launched moves to end the city's transportation tieup. Police Chief Fitzmorris got in touch with officers of the National Guard, Charles Egan of the Bomb Squad and Major John Bauder, who directed the police during the race riots.

Cops were placed in every police station. A large part of the force was allowed to go home last night to get one good night's sleep.

James Waddell, head of a nationally known strike breaking agency, established headquarters in a local hotel and it was reported that more than 500 experienced motormen and conductors wait for word to start operation of the cars.
