Mrs. J. E. Finn, 83 East High street, Buffalo, N. Y., writes:
 Peruna Medicine Co., Columbus, Ohio.
 Gentlemen:—"A few years ago I had to give up social life entirely, as my health was completely broken down. The doctor advised a complete rest for a year. As this was out of the question for a time, I began to look for some other means of restoring my health.
 "I had often heard of Peruna as an excellent tonic, so I bought a bottle to see what it would do for me, and it certainly took hold of my system and rejuvenated me, and in less than two months I was in perfect health, and now when I feel worn out and tired a dose or two of Peruna is all that I need."—Mrs. J. E. Finn.

You don't wash with the Box!

Both box and wrapper of Baby's Own soap are plain, business like and cheap. All the money is in the Soap itself, which is as "wholesomely" pure and fragrant as money can make it.
Baby's Own Soap is much imitated as to appearances, but delicate skins soon show the difference. "Baby's Own" costs YOU no more than the imitations.

Imitations

of Dodd's Kidney Pills are legion. The box is imitated, the outside coating and shape of the pills are imitated and the name—Dodd's Kidney Pills is imitated. Imitations are dangerous. The original is safe. Dodd's Kidney Pills have a reputation. Imitations have none or they wouldn't imitate. So they trade on the reputation of Dodd's Kidney Pills. Do not be deceived. There is only one DODD'S. Dodd's is the original. Dodd's is the name to be careful about.

In the choir of St. James Church his voice will be missed as well as before our public audiences where his vocal and instrumental solos were always popular. With him go the best wishes of many friends including The Guardian will go.

The Jere McAuliffe Company is still drawing crowded houses. To lay the last two performances bring a very successful engagement to a close. Company has merited the approval of the public. The management assure the public that they have reserved their best play for the last one. Caught in the Web is full of sensations and startling climaxes and requires the full acting strength of the company. Mr. McAuliffe has a good heroic part suited to his talents which is full of comedy situations. Don't miss seeing Caught in the Web introducing the great Brooklyn Bridge scene by night.
