**Wet feet - sickness
Dry feet - health**

WET or damp feet are the cause of most winter ills. Frequently through wet and damp feet health is undermined and the disease is developed which will cause years of suffering.

School nurses and other health authorities say that warm, dry feet are necessary to robust health as well as comfort, and that rubbers are the best protection in snow and slush.

Active, scuffling, heedless little feet of boys and girls give rubber footwear its hardest test. All DOMINION brand rubber footwear is made with the wear quality and durability to withstand the hardest kind of wear and tear—to protect the feet and health of children and grownups.

Because of their splendid wearing quality DOMINION brand rubbers are the most economical to buy.

The service was in memory of the following departed members: Samuel Murphy, Patrick McQuaid, and Ivan Hughes, City; Augustus Cairns, St. Teresa's and Wm. McDonald, Vernon. The K. of C. choir rendered appropriate hymns and solos were given by Bros. J. McInnis, S. F. Doyle, and P. G. K. W. J. Brown. A forceful address by the Chaplain was delivered on the Order and its Dead.

HOUSE ROBBERY—A bold daylight robbery occurred in the city on Sunday, the culprit getting away with a large sum of money and a purse, also containing a small sum. On Saturday, Mrs. L. W. Watson, Water St., cashed a cheque for \$40.00 receiving four \$10.00 notes. She placed the cash, together with her pocket-book, containing a smaller sum on a day-ent in a room in the rear of her home. She is positive the money was in this place on Sunday morning at 11 o'clock. At 6.30 in the evening she went to look for her pocket book, and found it had disappeared together with the four notes. A thorough search was made and finally it was decided that the house was robbed while Mrs. Watson was either in the kitchen, which is in the basement, or in a room up stairs with Mr. Watson who was not feeling well last week. The matter has been reported to the police and no doubt with their accustomed alertness, they will soon round up the perpetrators.

STUART-TINNEY, WEDDING—A very pretty wedding was solemnized at the residence of Miss M. Kennedy, 122 Euston St., yesterday morning at 5.45 when Helen Gladys Stuart, daughter of J. R. Stuart, City, became the bride of W. Reagh Tinney, Manager of the branch office of O'Leary and Lea. The ceremony was performed by Rev. (Capt.) Geo. C. Taylor, in the presence of a number of intimate friends and relatives. The parlor was prettily decorated with cut flowers, chrysanthemums, predominating, and potted plants. The bride who was unattended, was attired in a becoming suit of brown broadcloth, with seal fur trimmings, and hat to match, and wore a beautiful corsage bouquet of opelia roses. After the ceremony a dainty wedding breakfast was served. Among the out of town guests were Mr. and Mrs. Hammond Kelly, Southport, aunt and uncle of the bride. Mr. and Mrs. Tinney left on the 6.45 train on a short honeymoon tour through the provinces. The large number of wedding presents of silver, cut glass, linens etc., testify to the popularity of the young couple. Among the presents was a beautiful silver service from the firm of Hyndman & Co., where the bride was employed and from the staff of the same firm a number of pieces of cut glass. Valuable remembrances were also received from intimate friends and relatives, including a substantial cheque from the bride's father.

The Life Of A Home

A healthy, happy, contented wife is the life and joy of the home and the greatest inspiration a man can have, yet how many homes in America are blighted by the ill-health and sufferings of the wife and mother. It may be backache, headaches, the tortures of a displacement or some other ailment peculiar to her sex, which makes her irritable, despondent, and her whole life a burden. Every woman in this condition should rely upon Lydia E. Pinkham's Vegetable Compound made from roots and herbs to restore her to health and happiness for statistics prove that it benefits 93 out of every 100 women who try it.

Notes By the Way

(Continued from Page Four)

is now handled, as was set forth in previous notes and has not been answered. We would be glad to see motor cars and their owners and passengers better served than they have been, but if ten times as many passengers come by rail as come by motor cars, which is evident, the larger number should receive due consideration. If they find their past trouble increased, we would expect them to complain.

Captain Read is on record that we have the very finest boat and trains, and that another boat is not needed. Apparently his mind the transportation service is all that is required just as it is. He has heard no complaints except what he has read in this column of The Guardian and he wonders that anybody should complain of a service which is so admirably adapted to its purpose. If such are his views, we venture to tell him that there are many who believe that the service is not quite perfect. Very probably more of these persons complain to the newspapers than to him. The public press may be a more sympathetic quarter. A transportation official who feels that the existing system is perfect is not usually very hospitable to complaints, or active in promoting or devising improvements.

No Need to Be Dyspeptic

If Stomach Sours, Gets Gassy and Heavy, Sweeten and Lighten With Stuart's Dyspepsia Tablets

One never grows too old to forget the delights of eating. And yet old people will sometimes play on these memories and bring on dyspeptic attacks even though the diet is simple. Every family should be supplied with Stuart's Dyspepsia Tablets. From childhood to old age they daily overcome or prevent the distresses due to indigestion. They sweeten the stomach by giving it the alkaline effect as in health, they absorb the gases, they lift off the feeling of heaviness, they stop sour risings or heart burn, they actually assist in the digestion of food, and from all points of view are one of the most invaluable aids to health to be found. So, no matter what you eat, if your stomach rebels, always remember that a 60-cent box of Stuart's Dyspepsia Tablets will keep your stomach sweet and thus aid to prevent much of the distress that comes late in life.

It Will Relieve a Cold—Colds are the commonest ailments of man-kind and if neglected may lead to serious conditions. Dr. Thomas' Electric Oil will relieve the bronchial passages of inflammation speedily and thoroughly and will strengthen them against subsequent attack. And as it eases the inflammation it will usually stop the cough because it allays the irritation in the throat. Try it and prove it.

Drink Water if Back or Kidneys Hurt

Begin Taking Salts if You Feel Backache or Have Bladder Weakness

Too much rich food forms acids which excite and overwork the kidneys in their efforts to filter it from the system. Flush the kidneys occasionally to relieve them like you relieve the bowels, removing acids, waste and poison, also you may feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, the stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging one to get up two or three times during the night.

To help neutralize these irritating acids and flush off the body's urinous waste, begin drinking water. Also get about four ounces of Jad Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine and bladder disorders disappear.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive and makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help prevent serious kidney and bladder disorders.

By all means, drink lots of good, water every day. Have your physician examine your kidneys at least twice a year.
