# SEED WHEAT

DEAR SIR,—

I am very glad to be able to inform you that after testing the WHITE FIFE WHEAT, imported by you from the North West last fall, I have no hesitation in recommending it to the farmers of P. E. Island.

I sowed twenty grains without making any special selection, and out of the twenty, nineteen grew strong and healthy.

Farmers in this section of the country pronounce you seed wheat the best sample that they have seen imported to this Island.

Yours etc.,

I still have a few bags of this specially selected wheat to dispose of.

# PROOF OF THE PUDDING

IS IN EATING IT.

The best policy of Life Insurance is judged by its Actual Results. We invite Comparison. Here is a fac-simile of one of the many testimonial letters the Co. is receiving.

Toronto, Nov. 20th 1897

To the North American Life Assurance Company, Toronto.

Dear Sirs,—  
I have much pleasure in acknowledging the receipt of your Company's cheque, through your District Manager, Mr. W. J. Waters, for the full cash value of my Semi-Tontine Policy held in your Company. Fifteen years ago I was induced to take out a Life Fifteen-Year Investment Contract in your Company, and now the time has arrived when I can exercise one of the options referred to in the Policy. At the time of insuring I was 43 years of age, and consequently have had the protection of insurance during the period of fifteen years (ages 43 to 58), when I understand the cost of insurance is comparatively heavy. One of the options, offering me the cash value, amounts to within a few dollars of all the premiums I have paid into your Company, thus I have had my risk carried for the past fifteen years for very little more than the interest on my premiums.

In view of the decreasing profit returns of all American and Canadian Companies on account of the decline in the rate of interest, the result of my North American Policy cannot but be viewed with great satisfaction. If I had held a similar Policy in either one of the two large American Companies doing business in Canada, I find that I would not have been in as good a financial position as I am in respect to your Policy. In both of the Companies referred to, the annual premium is \$3.30 in excess of that I paid to your Company, and if this annual premium were invested yearly for the fifteen years for which I have been paying premiums, it would now amount to \$78. This sum, added to your cash value, would make a total of \$557.45 as contrasted with the cash value of \$454 and \$452 respectively in the American Companies mentioned.

Hoping that the good management and profit earning power of your Company may continue, I am,

Respectfully yours,  
**JAMES CHEYNE.**

### A MOTORMAN'S VICTORY.

Over Diabete, Gained by the Power of Dodd's Kidney Pills.

Toronto, May 8.—In a large city like Toronto, there is always much sickness, kidney disease largely predominating. The street railway employees, exposed as they are to all the inclemencies of the weather are particularly liable to kidney disease. But they all know how to conquer this enemy.

For instance; Mr. T. H. O'Reilly, 27 Niagara Street, motorman, No. 624, was for three years a great sufferer from Diabete. Every remedy failed to help him, till he began to use Dodd's Kidney Pills. Three boxes cured him.

It is like this, where the patient and the cure are equally well known, that is the test of a remedy, and Dodd's Kidney Pills have always stood it successfully. They cure all kidney complaints.

PROVIDER is so well known to the public both as a trotting and race horse, that but little need be said of him. At the trotting meeting held in Charlottetown last September he started the first day in the 2.26 class, and won in three straight heats, making the fact of 2.22, 2.23, and 2.25. The next day he started in the free for all, and again won in straight heats, time 2.24, 2.25, and 2.24 trotting every heat in the two races but one, in 2.25, and better without making a break or mistake, beating such fast ones as Arlight 2.19, and Montrose, 2.30.

Persons who may not desire to breed trotters will please take notice that Provider has that superlatively good high knee action, so desirable in roadsters, and carriage horses. These qualities combined with his fine breeding large size, good color, and disposition, must be sufficient recommendation to insure patronage.

Provider will make the season at John Conners stables, opposite the Opera House—Terms \$10.00 for the season, with usual return privilege if mare is not in foal.
