—PICNIC A SUCCESS—The annual Tignish picnic, which took place on August 17, was a very successful event, as well as a very enjoyable one. The gross receipts amounted to \$1,375. Owing to weather conditions, activities were discontinued at an earlier hour than on previous years, nevertheless, the day was almost equally as profitable. For this we thank the crowd.

—WELCOME VISITOR—His old parishioners and a multitude of other friends here have been delighted to see Rev. J. C. MacLean, Vicar General for the District of Charlottetown, who paid Summerside a visit on his return last week from a vacation tour of Cape Breton and other points of interest and beauty in Nova Scotia. He was accompanied on the enjoyable motor trip by Rev. J. J. MacDonald, of Summerside, and Rev. K. C. McPherson, of St. Margaret's.

—LATE MR. J. CAMERON—The sad death took place at his residence at Elmsdale at noon on Sunday of Mr. John Cameron, after a long illness at the early age of 41 years. The deceased, who was a son of Mr. and Mrs. Alexander Cameron, was a well known, progressive and highly honored farmer of the district and his loss will be deeply felt in the community. He was a man of splendid character and remarkably fine physique and his untimely death, which occurred three days ago, when whilst plowing he was struck a violent blow in the stomach by the handle of the implement. There are left to mourn a sorrowing widow and one son, Max, at home, to whom the sincere sympathy of the community is extended. The funeral took place Tuesday afternoon, Rev. Mr. Elliot officiating.

—DEPARTURE REGRETTED.—The departure of Mr. M. J. A'Hearn from Tignish, to take up his abode in one of the great commercial centres to our south, has caused a great deal of regret on the part of his many friends here. Especially those of the Athletic Club and his colleagues of the "Tignish Senate." As host in the "Senate Chamber," our friend Jack has proven himself an ideal entertainer and his departure has been made doubly regrettable by the fact that it has brought about the much talked of "abolition of the Senate" in Tignish. Mr. A'Hearn was tendered a number of farewell receptions and presented with appropriate souvenirs from his friends here, who wish him success in his new surroundings.
