RANGERS
Last Friday the Rangers drove over to Mt. Herbert Orphanage, and were shown over the institution by Miss Eva Beer. They gave the children a large box of suckers. At last meeting the girls brought crackers and ate them with the delicious honey which Mr. W. Burns gave them from the Experimental Farm.

P. E. I. Presbytery of United Church

A special meeting of the P. E. I. Presbytery of the United Church of Canada was held in Heartz Hall, Charlottetown on Monday October 7th, with the chairman, Rev. George Ayers, Hampton, presiding. The purpose of the meeting was to consider matters relating to the Wellington Charge, the temperance situation in P. E. I., and more particularly, the Missionary and Maintenance Fund of the Church. In connection with the latter, Dr. A. E. Armstrong, Foreign Mission Secretary, was present. Following a keen discussion on the situation in Wellington, Presbytery agreed to adhere to the resolution of the Summerside meeting, that the ministers of Bideford and Richmond Bay East share the work of that charge between them.

Dr. Armstrong, introduced by Rev. G. A. Christie, M. & M. Conventor for Presbytery, addressed the court on the situation in foreign fields today. In his introductory remarks he referred to the rich heritage and tradition this Presbytery has in foreign missions. It was from her that John Geddie left in 1846 to go to the south seas. Later went the Gordons. This is the source of the W. M. S. With this background, how shall we face the present serious situation. Foreign missions is most truly described as the expansion of the Christian Church. The work is one, the Church is one. It is not charity to give to missions, but it is of equal importance with the rest of the work. Throughout the last few years there has been a serious decline in the Missionary and Maintenance Fund, through which the missionary work is promoted. Last year the Foreign Mission Board received \$445,000, but one half of the amount received in 1928. We must learn to live within our income. Our resources are exhausted. The Board has been ordered to plan to spend \$100,000 less next year. There heavy cuts involve the withdrawal of missionaries from the fields. The Church, continued Dr. Armstrong, will have to say whether Claire Wright will have to stay at home, whether Chester Sutherland, Clifford Grant, and others can return to their chosen life's work; whether Duncan MacRae, one of our veterans trade-mark of the Bayer Company, Limited. Be sure to look for the name Bayer in the form of a cross on every tablet.

Countless thousands know that about "ASPIRIN" Know by experience that it brings the quick relief you want when in distress. Keep this in mind the next time your work or play is handicapped by a bad headache, neuritis or rheumatic pain. Learn for yourself how fast you can get relief.

"LET'S MAKE IT SOON..."
Romance comes to the girl who guards against COSMETIC SKIN
A THRILLING MOMENT—when a girl's charm wins its way straight through to a man's heart! Don't let Cosmetic Skin steal away your good looks! Guard against this danger with gentle, white Lux Toilet Soap—the soap 846 out of 857 English and Hollywood stars use. It is especially made to remove cosmetics thoroughly.
Cosmetics Harmless if removed this way
It's when cosmetics are allowed to choke the pores that Cosmetic Skin develops. Pores gradually grow coarse, tiny blemishes appear, blackheads, perhaps. The
ACTIVE lather of Lux Toilet Soap guards against this danger. It sinks deep into the pores, removes every trace of dust, dirt, stale cosmetics. And it's grand for your skin whatever type you have—dry, oily or "in-between." So use Lux Toilet Soap before putting on your fresh make-up during the day—and ALWAYS before you go to bed!
P.S. Lux Toilet Soap is so economical now, everyone can afford to use it for the bath, too.
OF COURSE I USE COSMETICS, BUT THANKS TO LUX TOILET SOAP I NEVER WORRY ABOUT COSMETIC SKIN.

United Church Young People In Convention

The Eastern P. E. I. Presbytery of the United Church Young People's Union held their annual Convention and rally in Heartz Hall, Charlottetown on Friday, Oct. 4th. The afternoon session, opening with devotions led by Valleyfield Union followed by a short business period was welcomed by Rev. J. W. Barbour, co-pastor of Trinity United Church.

Rev. D. T. Forsyth, Field-Secretary, presented the theme of the convention: "Christian Youth Building A New World." Three discussion groups were formed following Mr. Forsyth's address as follows: (1) Helping Build A Christian Economic Order", leader, Rev. G. A. Christie; (2) "Promoting the Christian Mission Work of our Church", leader, Rev. Claire Wright; (3) "Developing a Program of Personal Religious Living", leader, Rev. Hugh Miller.

The results of the discussion groups were embodied in findings as follows: (1) "Whereas our present economic system depends for its driving power mainly on the profit motive and whereas Jesus has taught us that real life is attained through service to others, therefore, in the judgment of this group, our present system must be considered basically unsound and un-Christian and we believe that some form of co-operation for the benefit of all must be substituted."
(2) That there must be a deepening conviction of the power of Christ to meet human needs.
(3) That a better understanding of God is necessary, that each day, time should be found for private reading and fellowship with God, that each person should pass on to others Christian experiences that have been of value.

Upon reassembling Rev. D. M. Sinclair spoke on discussion group literature. Trinity Y. P. U. entertained the visiting delegates at a banquet in the social hall. The President, Frederick A. Large presided. Rev. Mr. Outhouse, acting as judge in the shield competition, held each year, awarded the trophy to Trinity Y. P. U. of Charlottetown to be held in competition during the coming year.

Following the annual report presented by the president, short addresses were given by the following: Mr. Albert Linkletter president of Western Union; Mr. Lloyd Williams, President of Christian Y. P. U.; Mr. Reginald McNutt, President of Presbyterian Y. P. S.; Miss Margaret Pillman, Missionary convener for the Maritimes and Rev. E. H. Aitken. Trinity Y. P. U. led a devotional service, opening the evening service. Rev. J. H. Barbour spoke, taking as his theme "Loyalty." The nominating committee, Rev. D. M. Sinclair and Miss Catherine McLean brought in the following slate of officers for 1935-36: Honorary President, Rev. G. A. Christie, York; President, Frederic A. Large, Charlottetown; Vice President, Adele Smith, Millview; Secretary, Harold Vessey, York; Christian Culture, Margaret Huntley, Vernon; Missions, Angus Gilley.

DEVOTED MONGREL GUARDS TO DEATH

(By The Canadian Press)
SYLVAN LAKE, Alta., Oct. 8.—Four years ago, on a bitterly cold winter's night, a half-starved mongrel whimpered at the door of Jack Sunnell's garage as he was locking up for the night. Sunnell admitted the pup whose ears and feet were frozen. Dubbed "Soup," the canine repaid Sunnell by guarding the garage premises day and night, abating himself only for shore per-

more, York; Citizenship, Philip Matheson, Oyster Bed Bridge; Fellowship, Mabel Ling, Wheatley River; Director Leadership Training, Rev. J. W. Barbour, Charlottetown; Boy Work Convener, Rev. W. E. Aitken, Marie; Girls' Work Convener, Laura Crosby, Cornwall; Recreation, Wylie Gibson, Marshfield; Publication, Flossie Younker, Kingston. An interesting and instructive report of the National Convention at Whitby, Ontario was given by the Maritime President, Miss Catherine McLean, Charlottetown. The evening address was given by Rev. Mr. Forsyth, who took as his subject "Personal Religious Living." He made a strong and moving appeal for a closer communion with God and a truer fellowship with those with whom we come in contact. The convention unanimously voted that the sum of \$600 be raised by November 4, 1935, which will be used to send Rev. and Mrs. Claire Wright back to Japan. The evening session closed with quiet prayer and the benediction by Rev. J. W. Barbour.
