

TO BE DYSPEPTIC IS TO BE MISERABLE

Hopeless, Confused and Depressed in Mind, Forgetful, Irritable, Brooding, Languid and Useless.

This disease assumes so many forms that there is scarcely a complaint which it may not resemble in one way or another.

The most prominent symptoms are constipation, sour stomach, variable appetite, heartburn, water-brash, gas in the stomach and bowels, flatulose after eating, etc.

BURDOCK BLOOD BITTERS is a positive cure for dyspepsia, and all diseases of the stomach, liver, bowels or blood. It stimulates secretion of the saliva and gastric juices to facilitate digestion, removes acidity, purifies the blood and tones the entire system to full health and vigor.

Mrs. M. A. McNeil, Brook Village, N.S., writes: "I suffered from dyspepsia, loss of appetite and bad blood. I tried everything I could get but to no purpose. Then I finally started to use Burdock Blood Bitters. From the first day I felt the good effects of the medicine. I am not at all thin now without any ill after effects and am stronger and well again."

Price \$1.00 per bottle or 6 bottles for \$5.00.

GROWING OLD WHILE YET YOUNG

What a number of women there are who feel that these words exactly suit their case.

There are thousands of females all over our land, broken down in health and dragging out a miserable existence, overburdened with disease peculiar to their sex, apparently growing old while yet young.

From early morning till late at night they have been on the go year after year, attending to the household duties. In all this time they have not had a moment's rest.

What a woman wants is something to build up the system and for this purpose you cannot equal

MILBURN'S HEART AND NERVE PILLS

Mrs. W. J. Russell, Vandy, Ont., writes: "At one time I suffered greatly from my heart and nerves, and the shortness of breath was so bad I could scarcely do my housework."
