CHRISTMAS GIFT AT NEW WONDERLAND

A Splendid American Highland Grand Range

The news is surely not premature, but just early enough to let every one know that there is a big Christmas Gift to be given away at New Wonderland on Christmas Eve. Every one who buys an entrance ticket to this popular theatre from this evening up to the final evening, Christmas Eve, will get an opportunity to have given to them a splendid American Highland Grand Range, in perfect condition. Coupon tickets will be given each purchaser, and one is kept by the management, the other by the one who buys. These tickets decide the lucky one, and the final distribution will be made as mentioned. The program for this evening, comprises a new reel, the name of which will be given in the evening papers, and of the Bulletin Board, as the change in navigation has delayed the shipment of reels a day. Also, the two comedy pictures of Saturday night will be shown, and a complete change tomorrow evening. Miss Von Branders will sing My Virginia as the illustrated song, and will also give a specialty. A splendid program combined with the opportunity of being the happy possessor of a grand practical Christmas gift at the same time. Come one and everybody, and do not forget to have your coupon detached, for otherwise the management will not have your number. Such an offer seldom is given, and all should take advantage of it. It is probable the list will be enlarged before Christmas Eve, so watch New Wonderland's readers every day. On Tuesday evening the range will be on exhibition at New Wonderland so every one can see it.

CHRISTMAS TOYS IN OLD LONDON

LONDON, Dec. 12.—Already the shops are beginning to wear a Christmas aspect. The bulk of the orders for Christmas goods has been placed with the large wholesale houses, and they are now chiefly concerned with delivery to the retailers.

For the children the ingenuity of the inventors has evolved many new toys. Airship models are being manufactured in great variety. The "airoulette" is a new game, with roulette as its basis. A pedestal stands in the center round which a model airship revolves spirally. An anchor is suspended from the airship and the number in which it finally rests is the winning one. "Rings-roses" and "dizzy dots" are also new games in which the revolving of a horizontal wheel is the main feature.

Another novel game is the elastic ball-slinger. A net bag is fitted round a circular frame, which is held by a handle. The bottom of the net is fitted with strong elastic, from which a ball is ejected in catapult fashion and caught by an opposing player. "Snowman," a game after the fashion of "Aunt Sally," will doubtless be popular.

One charming novelty for the mothers and grown-up sisters of the children will be found in every fancy store. It is the "tuk-it" purse. Over 400,000 dozens of these have already been disposed of in the wholesale houses of the city. A tiny purse,

made in colors to suit the costume worn, is attached to a fancy cord, which is placed around the neck. The purse can then be "tucked" away, either in the belt or blouse. The "cowboy" variety of the novelty has a deep, close-cut leather fringe. Another new pursebag, called the "stop thief," is worn on the back of the left hand, with a strap running round the palm, and cannot possibly be snatched by a thief.

HOW MRS. CLARK FOUND RELIEF

After Years of Suffering Dodd's Kidney Pills Cured Her.

Pleasant Point Matron Tells Her Suffering Sisters How to be Free From the Terrible Pains that Make Life a Burden.

PLEASANT POINT, Ont., Dec. 11.—(Special).—That most of the ills that the suffering women of Canada have to bear are due to disordered Kidneys, and that the natural cure for them is Dodd's Kidney Pills, is once more shown in the case of Mrs. Merrill C. Clarke, a well known resident of this place and a prominent member of the Salvation Army. Mrs. Clarke is always ready to give her experience for the benefit of her suffering sisters.

"My sickness commenced twenty years ago with the change of life," says Mrs. Clarke. "My health was in a bad state. Water would run from my head, which would make me faint. When I came out of the fainting spells I took fits. I was flailing till I was clumsy. The pain I suffered was awful. It would go to my feet and then to my head. Many doctors attended me, and I tried many medicines, but nothing gave me relief till I used Dodd's Kidney Pills. The first box stopped the fits and seven boxes cured me completely."

Every suffering woman should use Dodd's Kidney Pills. They make strong healthy Kidneys, and the woman who has good Kidneys is safeguarded against those terrible pains that make miserable the lives of so many women.

THE GEESSE STRIP HIS COWS DRY

NEW BRUNSWICK, N. J., Dec. 11.—For several days Michael Kohlhepp, has found that his cows gave no milk on being brought in from pasture at night. He lives within the city limits and asked the police to solve the mystery. They set William Kish to watching the cows. Kohlhepp thought tramps had milked the cows, but the first day and night Kish saw no signs of tramps, although the cows as usual gave no milk. A closer watch the next day led to the discovery that geese were milking the cows. Their owner is now looking for the owner of the geese to demand payment for lost milk.
