A MEMORIAL OF THE EARLIEST PARLIAMENT.

To the Legislature of Nova Scotia December following. It is worth while to note that of the five Provincial Legislatures con-

The first meeting of the House of Assembly of the Island of St. John, now Prince Edward Island, took place in July 1773, fifteen years after the Nova Scotia Legislature first met.

THE BILL TO LICENSE SOLICITING FOR LIQUORS.

We cannot view otherwise than with alarm Premier Haszard's bill to license those who solicit orders for liquors. The practice came in along with the tax on commercial travellers and before the Prohibitory Law was enacted.

TO SHORTEN THE PARLIAMENTARY SESSION.

Not all the protests as to the inordinate waste of time and undue length of the Parliamentary sessions at Ottawa come from the Government side of the House, Mr. Lewis, M. P., who is a Conservative and the author of some legal books of admitted merit, took occasion during the debate on the address in the House of Commons to discuss this matter.

Darting Pains Around Shoulders and Spine. Brocton Merchant in Hospital for Week's Cure of Rheumatic Pains by "NERVILINE"

"It would be impossible for me to tell how much I suffered with a sort of travelling rheumatism. It wasn't confined to any particular spot, but wandered over all that area from the neck to the small of the back. Sharp shooting twinges and dull, gnawing aches finally stiffened on my muscles and left me so helpless I had to give up work and go into the hospital. I stayed there three weeks and felt better. Still I wasn't cured and as soon as I started back to work again the pain was as bad as ever."

"I fortunately read of the strange, powerful effect Nerviline has over such pain and at once I got five bottles. Four times each day Nerviline was rubbed over the seat of pain and I could feel it sinking deep into the muscles and sinews that were stiffened and sore. In a short time I was limber, active, free from pain and perfectly cured."

"No other liniment could have cured me but 'Nerviline' and I strongly urge its use for Rheumatism, Neuralgia, Sciatica, Lumbago, strains and swellings and all other muscular affections." (Signed) A. M. McLellan.

Remember this: Nerviline is five times stronger, far more penetrating, possesses more pain-relieving power than any other known remedy. For fifty years its use has been universal. Beware of the substitute—ask for Red Gt Nerviline only. Large 25c. bottles at all dealers.
