ation this winter or not. Surely a definite decision will be made in the near future as Jack Frost should soon be getting to work in the natural-ice rinks.

Meanwhile basketball is the current sporting rage in Summerside. Next Friday evening the Prince Edward Island Physical Fitness League will be opened on the Summerside R.C.A.F. court. Ray's Millionaires taking on the new Summerside team sponsored by Schurman's, and the local airforce quintet playing the Charlottetown Navy. As enthusiasm for basketball is increasing every day in Summerside, it is expected a large crowd will be in attendance to witness this double-headed event. Schurman's is a new team with a lot of greenhorns on the lineup, so too much must not be expected of them for a while yet, but

Golfers Of The Year Are Named

NEW YORK, Dec. 6 — (AP) — Ben Hogan, the mighty mite from Texas who plays out of Hershey, Pa., today was named professional golfer of the year by Fred Corcoran, editor of the official Golf Guide.

Other selections by Corcoran included Frank Stranahan of Toledo, Ohio, men's amateur of the year; Grace Lenczyk of Newington, Conn., women's amateur, and Mrs. Bab Zaharias of Denver, women's professional of the year. In naming Hogan, Corcoran said: "His achievement of setting a record of 276 in the open championship, winning the P.G.A. and western open titles and taking eight other tournaments makes him the standout".

Cantor Takes Decision From British Champ

LONDON, Dec. 6 — (CP) — Solly Cantor, Toronto's 20-year-old lightweight, tonight defeated Billy Thompson, British boxing champion, on points in a lively eight-round non-title bout preliminary to the Woodcock-Savold fight.

Cantor, a fast crisp puncher with a snappy left, stole points in early rounds. Until the fifth round Thompson stopped more straight lefts than he had ever done previously.

Throughout the bout, Cantor they are improving rapidly under the coaching of Charles Linkletter, with help from S/L Langstaff and W.O. Bullis, and will be giving all they have Friday night against Ray's classy Millionaires. The game between R.C.A.F. and Navy should be a close, hard-fought affair.

The race between the three head bowlers in the Summerside Community Bowling League is getting very close. Earl Smith holds his lead but Allie Harris, who nipped second place from Windy Clow by a fraction of one point, is closing in on Smith. ROMAN WAR AIDS Among the Romans fire-towers and signal lights played an important part in military campaigns.

HALIFAX, Dec. 6 — (CP) — Alex (Whizbang) Robertson, a slim but hardy veteran, came into his own as a scoring power here tonight when his two third period goals enabled Dartmouth Arrows to gain a 4-3 victory over Halifax St. Mary's.

The win retained Dartmouth's second place tie with victorious Saint John Beavers and pushed Santamarians more deeply into the League basement.

The teams play again tomorrow, with Dartmouth getting the chance to take the runner-up spot all to themselves as Beavers are idle.

countered Thompson's aggressive two-handed attacks with fierce left counterpunches which frequently drew cheers from the 12,000 fans.

But the British champion, at 137 pounds, was aggressive and in the first round the 136-pound Canadian was puzzled by his low crouch and frequent rushes. Thompson scored with several left hooks to the head and head but in the second round Cantor gained the advantage with a fast jabbing left.

Thompson was so eager to retaliate that he was twice warned for hitting low but Cantor shook him with severe and hard right hooks to the head which left him slightly groggy and brought blood to Thompson's nose.

From then on Cantor relied on a neat left and right leads and in the fourth round gained the upper hand with several jolting straight lefts to Thompson's head.

In the eighth round both strove for a knockout. Cantor took the offensive with a law-punching right hook and from then on carried the fight with straight left counter punching and neat follow-ups.

In the dressing room Cantor sported cuts over both eyes which he said were inflicted by Thompson's head during clinches.

The decision was not popular with London fans, although some cries of "he's a good boy" rose from ringside seats for the Canadian.

Does City Smoke Harm Your Hair?

Hair Collects Dirt and Grime Like a Spider-web

City air is laden with smoke, soot, dust and grime. Tests prove that your hair collects more dirt in one hour than your entire body does in 24 hours.

This dirt combines with scalp oil, dried skin, and perspiration to form a waxy accumulation of dandruff on your scalp. Thus your hair is robbed of needed nourishment, and it often becomes dull, drab-looking, and thins out. Dandruff warns you of this, and tells you your hair and scalp need immediate attention.

Keep your hair clean, healthy, attractive. Wash it regularly with Fitch Dandruff Remover Shampoo, the only shampoo guaranteed to remove dandruff. Fitch's creamy,

stimulating lather dissolves and washes away all dirt and dandruff—leaves your scalp antiseptically clean, able to breathe freely, so your hair can be healthy, lustrous, alive-looking.
