IMPORTANT READING MATTER SELECTED FROM THIS WEEK'S NEWS FOR THE GUARDIAN'S SATURDAY SUBSCRIBERS

WEDNESDAY

Mrs. John March, of St. John, mother of Ralph March, the well known commercial traveller, dropped dead in Hampton, N. B., on Saturday while attending a Sunday School convention.

In a recent issue I saw in Stock Notes about D. McKay's hog 8½ months old 270 lbs, beat that! Who can? Phillip Crossman of Cape Wolfe recently sold a hog 7½ months old that weighed 275 lbs. Also Peter McLellan of Springfield sold a hog in Oct., 8 months old, which weighed 282 lbbs. Beat that; Who can?

Yesterday afternoon the firemen were called out to a fire in a small blacksmith shop belonging to the Charlottetown Steam Navigation Company on their wharf.

The fire was discovered shortly after four o'clock and almost immediately afterwards the employees of Bruce Stewart & Co., had an old fashioned bucket line going which, though of some benefit in staying a more rapid progress of the flames, was not effectual by reason of the good headway the fire had before it was discovered.

The firemen answered the call with great promptness and, with two streams going, soon got it under control. The damage is principally to the roof of the blacksmith shop and the wall of the freightshed adjoining.

The blaze was caused by a fire in the former building.

The Rev Mr Styles being incapacitated (owing to a bad cold) from taking his usual services on Sunday, G. H. Taylor and W. C. Turner, Charlottetown, very ably and efficiently performed the duties. Mr. Taylor preached in Pownal at 11 from the words "Jesus Only," a very thoughtful and well prepared discourse. At 7 Mr. Turner took the service and preached an eloquent and masterly discourse from the words "They shall beat their swords into plowshares and their spears into pruning hooks" he said he wasn't firing any shots at military men present, but was speaking on principles, graphically described the horrors of war, said a Christian man ought not to be found on a field of battle with a deadly weapon in his hand. The time would surely come when wars would cease, and paid a loyal and glowing tribute to the British Government. Mr Turner is a vigorous and forceful speaker, and the Pownal congregation listened to his oratorical discourse with much pleasure. The choir rendered suitable selections in their usual competent manner.

Yesterday in this city there was held two conventions of the political parties—Liberal and Liberal-Conservative—for the purpose of selecting candidates to contest the coming bye-election in the second district of Queen's on February 8th, which district became vacant on the resignation of William Laird.

The choice of the parties was: Liberals—Geo. W. McPhee, Barrister, Charlottetown; Liberal-Conservative—John H. Buntain, Farmer, Rustico.

The Liberal convention met in the Board of Trade Rooms and was presided over by Nelson Rattenbury President of the Liberal Association for Queen's County. There was a large attendance of delegates, every one of the eleven polls being fully represented by delegates. The nomination of Mr. McPhee was moved by Lemuel Clark, North Rustico, and seconded by Daniel S. McLeod, Hunter River. It was carried amid applause.

Mr. McPhee, in accepting the nomination made a brief speech, thanked the delegates for the nomination and announced his determination to conduct the contest energetically and ultimately to win out.

The greatest of enthusiasm prevailed and each of the speakers who followed Mr. McPhee expressed their confidence in their nominee and the district. These were: Premier Hazzard, Hon. J. H. Cummiskey, R. N. Cox, M. P. P., Cyrus Crosby, M. P. P., Hon. John McMillan, Bradford LePage and Major Weeks.

The convention adjourned after three hearty cheers had been given for Mr. McPhee and the Premier.

The Liberal Conservative convention met in McEachern's Building, Queen St., and was presided over by their convener, Albert Tremere, North Wiltshire.

The attendance was large, every poll sending its full quota of five delegates. A committee of one delegate from each poll was appointed to select a candidate for nomination. Accordingly, after retiring and a short absence, this committee returned and announced that John H. Buntain, Rustico, was their choice.

This nomination was then formally moved by P. J. Berrigan, Dunedin, seconded by Edward Carr, Wheatley River, and carried unanimously.

Mr. Buntain then arose and made a ringing speech in which he expressed his thanks for the nomination and spoke generally of the coming contest.

Among the others who spoke after Mr. Buntain were John A. Mathieson Leader of the Opposition, Thomas Doyle, North Rustico, D. K. Bobie, M. L. A., W. S. Stewart, City and John Bradley, Kelly's Cross.

The meeting was noted for its harmony and on the whole an optimistic spirit prevailed. It closed with three cheers for the candidate and others.

THE CANDIDATES.

George W. McPhee—Mr. McPhee is a native of Canoe Cove and received his early education in Prince of Wales College. He graduated from the college in 1898 and then taught school for some years. He then entered the office of Major W. A. Weeks as a student at law and was lately admitted to the Bar, passing highly creditable examinations. Mr. McPhee is an earnest politician and has taken a great interest in public affairs since graduating from College. During the Dominion Elections of 1908 he was an energetic campaigner and in his speeches at public and political meetings exhibited much talent in a debate and a keen knowledge of political affairs. This is, however, his initial step in the political arena.

John H. Buntain—Mr. Buntain is a native of Rustico and he, too, was educated in the Prince of Wales College. After graduation he followed the teaching profession for about two years, teaching in Summerside and Rustico. He then took up the occupation of farming in Rustico and has become one of the most progressive farmers in his locality. He has followed the trend of political affairs with much interest and has been active in campaigning work. Until about ten years ago he was a Liberal but changed his politics on an issue. He is a man to whom those resident in his district look up to with respect and will doubtless put up a strong contest on February 8th, the day of the polling.

THURSDAY.

—Rev J. B. Champion, formerly of Alberton, is pastor of the new Methodist church at Brookville, N. B., dedicated a few Sundays ago.

—A very pretty but quiet wedding took place at the Methodist Parsonage, Summerside, P. E. I., on January 13th, when Alice Mabel, daughter of Thomas C. Compton, of St. Eleanors was united in marriage to Lloyd, son of Alfred Small, of Wilmot. Rev. Jas. Strothard, pastor of the Summerside Methodist Church, officiated. The bride was prettily attired in a gown of brown broad cloth with hat to match. The young people were accompanied by the bride's father. For the present they will reside with the groom's father, Alfred Small, Wilmot.

...Tuesday Jan. 10th., was a "Red Letter Day" in the history of Souris High School for on that day was given a concert and social in aid of the Cadet Corps of that school. Many teachers have graced the principalship of this fine institution of learning both to the advantage of the pupils and credit to themselves but none can claim a higher place of honor than our present principal Joseph DesRoches. Mr. DesRoches has on all occasions proved himself to be a teacher of no mean order, and has shown by his public spiritiedness on behalf of the school in particular that he has the interest of his pupils very much at heart. It was he who organized the Corps for which the Concert and social were held and the success of the entertainment was due entirely to his personal efforts. The snug sum of $60.00 was realized which will go towards the purchasing of uniforms for the Cadet Corps.

Dr George Warburton of this city has received a telegram announcing that his son Hugh Warburton, now a fourth year Arts student at McGill University, had been selected as the Rhodes Scholar for the Province of Prince Edward Island, this time, Hugh Warburton began his college career in Prince of Wales College where he was justly regarded as one of the distinguished students of that College. He was also editor of the Prince of Wales College Observer After entering McGill University he evidenced exceptional ability as a student and was appointed editor of the McGill Annual for 1911. He carried off high honors each year and his record is one of the best in that famous institution. He won a $100 scholarship and prize for the best essay on the Aborigines of Eastern Canada. Although such a brilliant student, yet he found time to engage in literary work and his selection as the Rhodes scholar, will no doubt shed additional lustre upon the standard of education and the worth of the young men sent out from this Province.

...The funeral of the late Murdock Campbell of Brookly, Lot 16, took place yesterday afternoon and was largely attended. The late Mr. Campbell was in his usual health up to Sunday evening last and was preparing to drive to Montague on Monday, when he took sick and died Monday evening, leaving a wife and family to mourn his sudden demise.

The many friends of A. F. and J. A. Webster, of this city, will regret to learn of the death of their father which took place yesterday. The deceased was in his 86th year and leaves a widow, two sons and one daughter to mourn. The funeral will take place this afternoon, leaving the residence of A. F. Webster, corner Queen and Euston St., at 2.45, for the Railway Depot the interment will be at St. Peter's Bay.

The annual meeting of the Federal Dairy Association was held iat Eldon on the 18th. inst. The statement showed a very successful season's work. The receipts were over $6100. The net value of milk was over 75 cts per 100 lbs, net value of butter fat 20.016 cts per lb, average price of hauling milk about 8½ cts per 100 lbs. The assets exceeded the liabilities. Under the able presidency of J. Frank Haliday, with such a capable manager as John D. McRae, and with a board of directors made up of practical and successful farmers the Association is bound to do better than ever before. There was an increase in the milk supplied, and in the number of patrons over the previous year. It is worthy of note that this factory wonthe gold medal and a number of prizes at the Provincial Exhibition last year. This speaks well for manager McRae.

The Uigg and Belfast Baptist churches have extended a call to Rev. Frank. P. Dresser. Mr. Dresser has accepted the call. These churhes are to be congratulated upon securing the services of such a talented preacher, who comes from Seal Harbour, N.S., where he has labored during the past three years. Mr. Dresser will begin work on his new field on Sunday, the 29th., inst., preaching at Uigg 11 a. m., Grandview, 3 p. m. and Eldon 7 p. m.

...A correspondent from Montague Head writes: The farmers of this vicinity are all preparing for their winter fuel.—The singing school at Montague Head is in a flourishing condition under the able management of Isaac Beers, Montague.—Louis Gillis paid a flying visit to Montague Head, the guest of Miss Eva Moore. —Dan McDonald paid a visit to Valleyfield, the guest of John D. Bruce. —The school in Montague Head is increasing rapidly under the able management of Miss Eva Moore, Montague.—Alex McLeod paid a visit to Grandview.

Dear Sir:—In looking over the Canadian Farm Journal of Jan. 13th, I find the following heading to a paragraph—"Agriculture Left Out." The same might be said of some of our Island papers, in summing up the events of the past year. They commented largely on what our military men had done when competing with other Provinces of Canada; which was all right and we are always proud of what they do. Also our athletes who went to the other Provinces and won honors for our Island, and we lift our hats to the boys who uphold the fair name of our Province.

But what about the farmers who were never mentioned, the men who went to St. John, Halifax, and Amherst Exhibitions and carried off 75 per cent. of all prizes in which they competed. By so doing they were building up the name of our Province in stock raising and agriculture. And, as agriculture is the chief industry of our Island, the success of these men help to open up trade abroad, and thereby increase the prosperity of our Province.

TRY ZAM BUK FOR PILES

Read How This Sufferer Benefited!

Don't you believe that experience is better than hearsay? If you suffer from piles, just try Zam-Buk. You can do so at our expense. So assured are we of the result that we will send you a free trial box if you send to our Toronto offices full name and address and a one cent stamp to pay return postage.

Scores of people daily acquaint us with the benefit they have derived from the use of Zam-Buk. Mr. F. Astridge, of 3 St. Paul St., St. Catharines, Ont., says: "For five years I have suffered untold agony with protruding piles. The pain was so great at times I would almost scream.

"I lost weight and had no appetite. I tried everything I ever heard of for piles, as I was willing to take anything to get relief. It was useless, however, and I almost gave up in despair.

One day a friend gave me a sample of Zam-Buk, and told me of a friend of his who had been cured. I decided to try Zam-Buk, and the relief I got was encouraging. I used three boxes, and at the end of that time I was completely cured. I wish I could have got Zam-Buk years ago; it would have saved me a great deal of misery."

Zam-Buk will also be found a sure cure for cold sores, chapped hands, frost bite, ulcers, blood-poison, varicose sores, scalp sores, ringworm, inflamed patches, babies' eruptions and chapped places, cuts, burns, bruises, and skin injuries generally. Took the Advice of Her Friends

And Dodd's Kidney Pills Made Mrs. Painchaud Well.

She Inherited Ill-Health From Her Parents, and for Seven Years Was a Sufferer From Kidney and Heart Trouble.

Whitworth, Temiscouta Co., Que., Jan. 27—(Special)—That she took the advice of her friends and used Dodd's Kidney Pills is the reason Mrs. Julien Painchaud of this place gives for the perfect health that shows in her every movement.

"I inherited ill-health from my parents," Mrs. Painchaud says in an interview. "For seven years my Heart and Kidneys bothered me. I was always tired and nervous. I could not sleep. My eyes had dark circles round them, and were puffed and swollen.

"I could hardly do my housework when I was advised to try Dodd's Kidney Pills. One box relieved me of pain, and six boxes made me perfectly well."

Every woman who is feeling fagged, tired and worn out, should use Dodd's Kidney Pills. They cure the Kidneys, and every woman's health depends on her Kidneys. Healthy Kidneys mean pure blood, and pure blood carries new life to run down organs which supply the body with energy.

If you're a suffering woman ask your friends. They'll tell you out of their own experience to use Dodd's Kidney Pills.
