

**It's a WDC**

The silent praise of real appreciation lights up the face of the man who smokes a WDC genuine French Briar Pipe.

It recalls many a pleasant pipeful. Equal enjoyment is promised for days to come. It's the pipe to bring out the full fragrance of your favorite blend.

So don't say "pipe" to your dealer, say "WDC."

**STRIKE UP THE BAND.**—The weather is right, the band stand in Queen Square has been repaired and the band stand in Victoria Park is in good condition but there is no sign of any band concerts being held in Charlottetown. The summer is getting away and before the cooler weather sets in the people would like to have some music. What's the matter anyway? Is the question which is being asked by many.

It is no joke when you buy a fig of tobacco and after you have started to use it the tobacco crumbles in your mouth, and then the flavor is "poor." Well, there is only one way to get rid of this nuisance, and that is to buy Hickey's, then you get a tobacco with the nice flavor, which no other has and besides no crumbs to bother with.

**AT THIS SEASON LOSS OF APPETITE**

Is very common. In many cases it is due to impure blood, which cannot give the digestive organs the stimulus necessary for the proper performance of their functions. Thousands know by experience that Hood's Sarsaparilla restores appetite and would advise you to give it a trial this season. It originated in the successful prescription of a famous physician. Got it today.

Take Hood's Pills if you happen to need a laxative—they don't gripe.

Girls! Make beauty lotion for a few cents—Try It!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quart pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. It is harmless and never irritates.

**TANGIBLE APPRECIATION.**—Mrs. J. D. Jenkins of this city made a generous presentation recently to the nursing staff of the Prince Edward Island Hospital in recognition of the kind and efficient treatment received by her while a patient in the institution. Her gift was a donation of \$500 to build a bathing house for the use of the nurses. The bathing house has just been erected near the Kensington Range, by Mr. Arthur McDougall, contractor, and is a model one in every way, having ample accommodation for the nurses and their guests. Naturally the nurses appreciate very highly this tangible recognition on the part of a patient and friend of the hospital.
