That's the standing of the "King Quality" shoe for Women. Many Women imagine that they have to pay a big price when they want a fine pair of shoes. That's a mistake. "King Quality" is the one shoe that gives comfort to the feet, wears long, fits snug and nice and looks stylish. Sensible Women buy the "King Quality" shoe. They cost \$3.

A WRITER in the Halifax Herald illustrates many important changes in the City of Halifax one thousand years hence. Perhaps the same prophet could be induced to give us some idea of Summerside at that time. It would be interesting to know if there would then be a breakwater at the mouth of our harbor and whether or not a winter boat would be plying on the Summerside-Tormentine route.

LAST Thursday afternoon those people of Chelton who were not in the secret were curious to know what so much driving in the direction of the home of Mr. Wm. Ramsay could mean. Upon enquiry it was learned that the 17th was the 25th anniversary of the marriage of Minnie Atkinson and Wm. Ramsay and that unusual stir was caused by the guests gathering to celebrate the event. Among those present from a distance were: Mr. and Mrs. George C. Spence, Mr. and Mrs. Alfred Spence of Botsford, N. B.; Mr. Will Fawcett of Sackville; Mrs. Taylor and Mr. George Taylor of Hamilton, and about 30 guests from nearer homes. The good time began with the cordial welcome extended the guests by the host and hostess and certainly the pleasure and merriment did not decrease while supper was being served. After doing justice to a fowl supper and the course which followed, it was amusing to watch the expressions of sadness which passed over the faces of the guests when they realized that they would not be able to "help out" on the other good things so abundant. When it came to the ice cream and fruit, an extra exertion was made and they disappeared marvellously. During the evening Misses Maud Wright, Annie McFarlane and Lou Schurman furnished some choice music which added much to the pleasure of every one. Games also were played and when all were sore from laughing and had thoroughly enjoyed themselves, the party broke up by singing God Save the King. A number of handsome and useful presents were presented to Mr. and Mrs. Ramsay as a means of conveying to them the kind regards and best wishes of the givers.—WINKER.

SIR.—At a meeting of the Executive of West Queens Liberal Association held here a few days ago, it was decided that the manner of electing delegates at the different polling divisions throughout the Riding should be left to the voters themselves to decide. **CONSIDERED A PRIVILEGE.**

To have the right to keep a retail tobacco and cigar store in France is considered a privilege worth working for, and it is said that every change of ministry insure to give an opportunity to the exercise of the appointive power of the government, which arguments the number of retail tobacco dealers.

**MADAM CLOUTRE'S STORY**

French Canadian Lady furnishes an interesting Story with a Happy Ending.  
VALRACINE, Que., October 21 (Special)—Pirre Cloutre and his good wife are highly respected citizens of this place. Madam Cloutre has been very ill. Her kidneys were affected and her general health was bad.  
Her husband was sick at heart to see his loved wife gradually getting worse and he sought every thing that he thought would do her good. He tried many medicines and treatments, but she did not improve.  
At last he heard of Dodd's Kidney Pills and he at once brought two boxes for her. Madam Cloutre tells the rest of the story in these words: "From the first dose I began to improve. I continued, and now I can say I am perfectly cured. My case was one of long standing and very acute, and we cannot say too much for Dodd's Kidney Pills."

**BIG GOOD VALUES**

Last season I advertised a list of stocks for sale giving the Old Gold and Primrose shares a first place. Now we have the OLD GOLD actually shipping from a 5 ft. vein of ore, the solid ore running \$125.00 to the ton.  
The Primrose has just struck a beautiful vein of ore running \$180.00 in gold to the ton besides silver and lead.  
The railway is finished to within 4 miles of the lake and freight is actually being accepted for the Lardeau on the line.  
Full copies of the Reports will be gladly sent to anyone interested and applying for same.  
This is one of the best chances I know of just now for good investment.
