Needless to say the meeting of the brothers at such a time was a notable event in their lives, for they had not seen each other since leaving Charlottetown. Jack left home in August, 1914, and went overseas with the Second Siege Battery. William left here in August, 1916, and has had quite an experience in the navy, where he distinguished himself. DON'T BE WITHOUT A TIRE PUMP

Especially a Mayo Tire Pump, the best and easiest to handle on the market. It is no labor at all to work the Mayo Pump. If you have this pump along on the road, your tire will always be properly inflated. More tires and tubes wear out from denatation than any other cause. We sell tires, too.
