Their Steering-Gear.

A professor of a profound subject at Harvard University has a small son who is very observant and inquisitive, and a hired man who has all the Irish wit and good humor.

The other day Albert, the small boy, was playing with a cat in the stable while Larry cleaned the harness.

"Say, Larry," he asked, "why do cats always stand on their feet?"

"They shteer themselves wid their tail."

"Well, how do rabbits steer themselves? They haven't long tails; only a stub."

"Wid their ears. That's phwat they have their long ears for."

"Well, how does a bulldog steer himself? He doesn't have long ears or a long tail."

"Wid his bark."

The boy looked doubtful and was silent. Presently he ran in to his father's study, and in a few minutes came back to the stable.

"Larry?"

"That's true what you told me about bulldogs. I asked papa, and he read something to mamma out of a book about 'barks that steer against the wind.'"

A GOOD SAMARITAN.

Being Helped Himself Wishes to Help Others.

The papers were never so filled with advertisements of remedies that will cure every known disease, as they are today; these are invariably accompanied by letters from people testifying in the strongest terms to the virtue and merit of the particular preparation advertised; but because so much is claimed for the medicine, it has come to the point where most readers regard such testimonials as pure "fakes" and made up out of whole cloth.

We are glad however to vouch for the reliability of the following from Mr. Wm. Lichtenwalter, proprietor of the largest printing house in Canton, Ohio, regarding the Pyramid Pile Cure, for which nothing is claimed except that it will cure any and every form of Piles.

"For several months past I have received so many inquiries from sufferers asking if my testimonial is authentic, that I am inclined to send in a bill to you for postage and stationery.

It is now two years since I was last troubled, and my rectum is as clear and clean as any man who never had piles, although I suffered with protruding, bleeding and internal piles for twenty-seven years. I will not attempt to detail the agony I suffered, being too happy to say I believe I am cured, after two years of evidence.

What will cure one man will sometimes not cure another; whether it was the Pyramid Pile Cure that cured me, I cannot say; but I have been free from piles for two years after using your treatment. I leave sufferers to draw their own conclusions.

I will answer any communication that a sufferer may ask, and will refer to any business house, bank or manufacturer of Canton, Ohio, concerning my identity, among whom I have lived for forty-eight years.

Pyramid Pile Cure is sold by druggists for fifty cents a package, or will be mailed to any address by Pyramid Drug Co., Marshall, Mich., upon receipt of price.

Drop this firm a card asking for their little book describing the cause and cure of piles.
