

WANTED! More Hogs

We need more Hogs to supply product to regular customers and to employ the help in plant. Farmers who truck, or have their Hogs trucked to our plant, avoid all rehandling expense, delays, and shrinkage in transit, which must result to their advantage. Those who are doing so are aware of the saving.

But We Need More HOGS!

Bring or send your Hogs to us and secure the advantage, and also help support your local industry.

Finance

By Bernard S. O'Hara Associated Press Financial Writer

NEW YORK, Aug. 27-(AP)-

The stock market today retained the faint bullish tinge that spread over the list at the close of last week. Yesterday's moderate advance apparently stimulated confidence in the speculative stocks and prices were bid up moderately. Steels, aircrafts, coppers and rails had the best support although most of these groups had one or more lag-gard members. Generally the gains were confined to fractions, but in isolated cases ran to a point or more.

The Associated Press 60-stock average recorded an advance of .1 of a point at 43.5. The day's turnover of 432,410 shares compared with 458,930 Tuesday. Among leaders were Bethlehem Steel, Chrysler, Consolidated Aircraft, Sperry, Bendix, American Can, American Telephone, Santa Fe, Great Northern pfd, and Pepsi-Cola. Loew's and Boeing established new 1941 highs. Standard Oil (NJ) dipped after investment quarters reported preparations were under way for an off the market offering of 150,000 shares.

CURRENCIES

NEW YORK, Aug. 27-(CP)-Expectations of considerable tourist travel in Canada by Americans over the Labor Day week-end was said to have caused the Canadian dollar to advance 3-16 of a cent to a new 1941 high of 89.37 1-2 cent—a discount of 10 5-8 per cent—its final closing rate in today's foreign exchange dealings. (Ottawa Foreign Exchange Control Board rate 9.02—9.91 per cent discount.) The year's previous high of 89.25 cents was set just a week ago. Tonight's final rate was the highest since Nov. 8, 1939 when Canadian dollars reached 89.50 cents. The British pound lost 1-4 cent to 4.08 1-2 in the only other change in major foreign currencies.
