CALENDAR FOR FEBRUARY 1908

Table with columns for Day, Sun, Moon, High Water, and Low Water. Includes moon phases and tide information.

COUGH COLD IS DANGEROUS.

There are different kinds of colds, and various ways in which they affect different people. Some constitutions will throw off a light cold, while to others it will stick tenaciously.

Dr. Wood's Norway Pine Syrup.

This syrup contains all the virtues of the "Norway Pine Tree," combined with Wild Cherry Bark, and the soothing, healing and expectorant properties of other excellent herbs and barks.

The EDISON PHONOGRAPH

WHEN you go to a theatre you must take the good with the bad—you have no choice. With an Edison Phonograph you can make your own programme—select only the music, songs and sketches that you want to hear.

There is a dealer near you who will show you the new Edison model with the big horn, or we will mail descriptive catalogue.

March Records Out Today

Of what use would it be to produce a Phonograph as perfect as the Edison if there were no Records good enough for it? We make not only the Edison Phonograph ourselves, but we also make the Edison Records, perfectly adapted to the Edison Phonograph.
