Are they from a strain of very heavy breeders, yes they are;—did the parents of this stock sell last year for \$30,000 per pair, yes they did;—are the young Foxes for this Co. capitalized at \$15,700 per pair, yes they are. It is also a fact that the 5 old females of this stock reared 22 pups last year and 21 pups this year or 43 pups in 2 seasons, one of the greatest records in the world.
