S. of the United Church, Montague, motored to Bladford on Thursday to attend the Presbyterial which is held there this year. Miss Charlotte Fraser, Montague, represented the O. G. I. T. group of the church.—L

*MONTAGUE LADY LED WORSHIP—The Montague Auxiliary of the W. M. S. of the United Church led the opening worship service at the Presbyterial, Bladford on Thursday. Mrs. L. B. Mellish read the Scripture lesson and Mrs. Leslie MacDonald gave the address. The theme being "They Also Serve Who Only Stand and Wait." Mrs. Mellish closed with prayer.—L

*NURSING IN U. S.—Miss Helen Melish, E. N., daughter of Mr. and Mrs. Lester Melish, Montague, 1936 graduate of Victoria Hospital, who has been visiting her uncle Mr. Franklin T. Melish, and Mrs. Melish, Abundale, Mass., during the winter months, recently completed with the required regulations to enter the U. S. as a nurse temporarily. Since May 1st she has been on the staff of the Newton Hospital, Newton, Mass., in the surgical section where she is located, all are graduate nurses and are on eight hour duty. The hospital is beautifully located and one of the finest equipped in the States.—L

*COMEDY ENJOYED—The Souris players presented their musical comedy "Clear the Decks" on Wednesday, June 1st in the I. O. O. F. Hall, Montague. The King's County Hospital sponsored the play which was a decided success. A large and appreciative audience was in attendance. The stage represented the ship's deck of the S. S. Souris. The scenery was most realistic and depicted the Souris lighthouse situated on a very vivid impression of the sea in the distance. The writer understands that this was the work of Dr. Ross who so ably directed the play. The cast in naval uniforms with the Admiral in full regalia was a most pleasing sight. In the first French Count added humor to the occasion. The story ended in the approved manner when the midshipman married the admiral's daughter, and the Admiral's wife fainted away when she heard the news. Dr. Ross gave several impersonations in a most graphic way. His portrayal of the different subjects was very cleverly done. One of his features "blowing out the candle" was most amusing. From the beginning to the end there was no dull moments with top dancing, the Sailor's Hornpipe, danced by a young lady and a tiny tot singing "Ship Ahoy" Mr. Allison MacLean, Montague sang the rollicking number "Three For Jack." Everyone voted it a most entertaining evening. After the play a very successful dance was enjoyed by the young people.—L

*Mr. Harold Landry, St. Dunstan's University student is at his home in Montague on his holidays.—L
