TROUBLED WITH ECZEMA 2 YEARS
On Face and Arms. Lost Sleep. Cuticura Heals.
'I was troubled for about two years with eczema. It broke out on my face and arms in pimples and itched and burned so badly that I lost much sleep on account of it. My face and arms were covered with pimples, and I was ashamed to appear out of the house. I began using Cuticura Soap and Ointment and a 4 immediately found relief, and after using one cake of Soap and one box of Ointment I was healed.' (Signed) Miss Helen Mark, 4259 Maryland St., San Diego, Calif., April 18, 1921.

HE KISSED HER AND SHE LEAPED FROM THE MONTREAL EXPRESS!
She had meant to leave her husband—and had boarded the Montreal Express, where the other man was waiting. Her husband saw them meet, boarded a tramp steamer and sailed for South America, leaving no trace behind him. Sickened by the first kiss of the man with whom she was eloping, she leaped from the flying express. Years passed—years fraught with many dangers for her and the man to whom she was faithful—and then the never-ceasing 'call of home' brought him back to her. See this picture. It will make your home seem sweeter, and your dear ones dearer. THE GREATEST FLOOD SCENE EVER SCREENED "THE CALL OF HOME" FROM THE NOVEL "HOME" BY GEO. MAINLAND HORSES FOR NEW ANNAN RACES.—The infusion into the racing game on P. E. I. will stimulate the "Kingly Sport" in no small degree. It will be interesting to see how the mainland horses will "stack up" against our island speedsters in their classes, and we'll opine right here that the islanders will be there with a proportionate percentage of the honors when the final announcements are made. 910-10-11
SWIMMING ACCIDENT.—Mr. Ernest Peake, of the Customs Department met with a serious accident at York Point on Sunday swimming off a row boat. WONDERFUL FOR BREAD.—The St. Lawrence Flour Mills have reason to feel greatly pleased with the success of "Regal" flour in Prince Edward Island. The sales of "Regal" these days are very large, and give promise of eclipsing the combined sales of several of the old favorites in the local market. The explanation is that it has such wonderful qualities for bread. The St. Lawrence Flour Mills invite all who are not using "Regal" to give it a trial. Such people do not need to buy a barrel, nor even half a barrel, a small bag will do for a test. Many of those who are now buying "Regal" a barrel at a time began their purchases in just that way.
WATCHING ISLAND POTATOES.—A party of American potato dealers arrived in the island this week. After visiting the fields around Augustine Cove and vicinity, they drove yesterday to the city and met Hon. Mr. Lea and Secretary Boulter of the Provincial Potato Growers Association. The party which left on return for Borden yesterday afternoon was made up of the following: Mr. R. A. Parson, Cape Charles, Virginia, dealer; W. Wilkins, Cape Hill, Virginia, dealer; C. P. Brewer, Presque Isle, Maine, shipper; W. R. Christie, shipper; Benjamin Marks, Presque Isle, dealer. The American gentlemen were accompanied by Mr. Harvey Mitchell, Deputy Minister of Agriculture for New Brunswick, and Mr. F. L. Esterbrook, M.P.E., of Sackville.
