Another big Wrestling card On Thursday

Wrestling comes back to the Sporting Club again next Thursday night and promoter Joey McDonald has lined up another bang-up card that promises to give the fans even more action than was the case in last Thursday night's bouts when the largest crowd ever to witness wrestling match in the city was on hand to see four of the top-notchers perform in thrilling, fast action in each of the bouts on the card.

Thursday night of this week the card will be even more spectacular due to the appearance of Red Mephisto considered one of the world's outstanding grapplers today; a rough and ready giant who need be and also a scientific performer when the bout is going that way. He meets Tuffy Cleet the boy who was too good for Cowboy Len Hughes last Thursday and this should produce fireworks.

In the second main event on the card, Buddy Knox, popular in his previous start here meets the old favorite Len Hughes and Hughes will be out to avenge his previous defeat at the expense of the 199 lb. Goshen, West Virginia, grappler. The first bout starts at 9 o'clock sharp daylight saving time and prices are again at popular figures.

Nine Starters Ready For Hambletonian At Goshen

GOSHEN, N.Y., Aug. 5—(AP)—It's Hambletonian time again and that means upwards of 25,000 will pour into this village tomorrow to watch nine picked three-year-old colts and fillies, trained by the Park's triangular course in the 16th "Corn-tassel" derby.

The lineup for the \$38,729 race was completed this morning when the owners and trainers of the five colts and four fillies posted the starting fee of \$500—final payment of the \$960 necessary to qualify a colt for the richest of all light harness horse racing stakes.

World's postal Service remains Untouched by war

By Gladys Arnold Canadian Press Staff Writer

OTTAWA, Aug. 5—(CP)—International trade and diplomatic relations have undergone drastic changes since hostilities started but in contrast to this the Canadian postal services noted tonight that the international postal union, an organization which links every country in the world, remains untouched by the war.

"Mail may be lost in transit, or delayed by censorship or shipping conditions but the organization for the world-wide distribution of mail has not changed an iota since the beginning of the war," an official of the philatelic division of the postal service said.

Stamps still are coming in to the Canadian post office philatelic division from every country as they did in peacetime though perhaps a little more irregularly. Every time any country issues a new stamp the Canadian post office receives, eventually, three samples from the postal union headquarters at Bern, Switzerland.

Such stamps, it was said, are of interest not only to collectors, but to laymen in that they express the historic changes of the war. In the last batch, for instance, were stamps printed in certain occupied countries, notably Poland, Norway, occupied France and part of Czechoslovakia, which are supposed to come under the greater Reich.

"They carry a subtle propaganda," said the official. "They do not mention Germany, but by their title, 'general government,' they tend to create the impression that there is a unified Europe under a grand government, that Europe has become one great federation under Germany."

"This is so widely realized that in this at least we have a real league of nations in which every nation sees its own personal interest in lending full co-operation," he said.

Tourney proceeds Without upsets

RYE, N.Y., Aug. 5—(AP)—The second round of the Eastern United States Grass Court Tennis Championship was completed today without a hint of trouble for the favorites. From top-seeded Bobby Riggs of Clinton, S.C., down to Arthur Marx of Hollywood, Calif., a youngster who is making tennis fans forget to refer to him as the movie comedian's son, the players who were expected to win did win—and usually in straight sets.

Riggs gave his strokes a good workout at the expense of Bill Canning of Hidden Valley, Calif., winning 6-4, 6-3, after running his opponent from baseline to net and back again with a mixture of drop shots and deep-driven backhand placements.

Marx, who will take on United States Champion Don McNeill of Oklahoma City in the third round, knocked off Ronald Edwards of San Jose, Calif., 7-5, 6-3. McNeill, seeded second in this tournament, whipped William Umstaedter of Millburn, N.J., 6-3, 6-0.

In between these extremes, Frank Kovas of Oakland, Calif., Ted Schroeder of Glendale, Calif., Jack Kramer of Los Angeles, Schroeder's national champion doubles partner, Gardner Mulloy of Coral Gables, Fla., Billy Talbert of Cincinnati, Ladislav Hecht of New York, Charles Olevine of Santa Monica, Calif., Sidney Wood of New York.

Nicholson, Olsen Help Cubs Down Flashy Cards 6-2

CHICAGO, Aug. 5—(AP)—Vern Olsen and Bill Nicholson pulled Chicago Cubs out of a five-game losing streak today, sparking a 6-2 triumph over the National League-leading St. Louis Cardinals.

Olsen's brilliant four-hit mound job and Nicholson's timely hitting accounted for the setback of the Cards, who had won four straight games. The defeat reduced to one game the Cards' margin over the second-place Brooklyn Dodgers, who were idle today.

Southpaw Max Lanier puzzled the Cubs for four innings, but in the fifth Stan Hack singled and the ratted youngster walked Augie Galan and Dominic Dallessandro. Nicholson, who had been in the hitting doldrums, then singled, scoring two runs and knocking Lanier. Howard Krist replaced him. Babe Dahlgren rapped a double play ball to third but Eddie Lake failed to touch second on the force play, throwing out Dahlgren at first while Dallessandro scored on the play. Nicholson counted on Clyde McCullough's single.

At Cincinnati, Pittsburgh Pirates put together two big innings to beat the stumbling Reds 7-5 for Cincinnati's fifth straight defeat.

Vince DiMaggio, who struck out Ed Amark of San Francisco and Bryan Grant of Atlanta all came through to complete the round of 16.
