CURED OF CONSTIPATION

Mr. Andrews praises Dr. Morse's Indian Root Pills.

Mr. George Andrews of Halifax, N. S., writes: "For many years I have been troubled with chronic Constipation. This ailment never comes single-handed, and I have been a victim to the many illnesses that constipation brings in its train. Medicine after medicine I have taken in order to find relief, but one and all left me in the same hopeless condition. It seemed that nothing would expel from me the one ailment that caused so much trouble, yet at last I read about these Indian Root Pills.

That was indeed a lucky day for me, for I was so impressed with the statements made that I determined to give them a fair trial. They have regulated my stomach and bowels. I am cured of constipation, and I claim they have no equal as a medicine."

For over half a century Dr. Morse's Indian Root Pills have been curing constipation and clogged, inactive kidneys, with all the ailments which result from them. They cleanse the whole system and purify the blood. Sold everywhere at 25c a box.

formalin for 20 minutes. The solution is made by pouring one pint of the formalin into 42 gallons of water for 12 hours the solution is made by dissolving one pound of blue stone in 25 gallons of water. Where these treatments have been applied the grain has been comparatively free from smut.

Agricultural colleges are handsomely supported in the United States. In the year 1910, two million dollars was received by them from Federal Departments of Agriculture. It is a very large amount that was expended for Experiment Stations! There are now 68 of these Institutions, 16 of which are for the colored race. Thirty are conducting summer classes in Agriculture for public school teachers, forty-eight are conducting a short course over those given in the summer classes, and forty-four departments are equipped for extension work in Agriculture. In addition to this fifteen of the States made special appropriations for extension work.

The second quarterly session of the Grand Division S. O. T. of P. E. Island convened at Brookfield on Tuesday April 25th ult. Both the morning and afternoon sessions were well attended. The presence of the newly elected Most Worthy Patriarch of Grand National Division, Rev. Geo. A. Lawson, Moncton, N. B., added much interest to the meeting. In the afternoon session he was officially received by the Order, after which an address of welcome was read by his Deputy J. A. Lawson, to which he made an eloquent reply. The reports of Grand Officers showed the order to be still in a progressive state. The work done in the subordinate divisions for the past winter having exceeded that done for many years. Highland Division No. 265 Hartsville still holds the proud name of banner with a memo

Communication from Western Star Divisions, District Division No 14 were read and placed on file. The report of the committee on State of Order submitted by the chairman Rev. E. S. Weeks brought out considerable discussion re matter concerning resolutions brought before the Provincial Legislature by the Tenure Alliance which doubtless will yet end in great good for this province in the near future. On motion of Grand Division, it was resolved unanimously that the voting age of members in subordinate divisions be placed at the age of 18 years instead of 18 years. The appeal case of D. McDonald versus Brookfield Division was not sustained.

In the evening a large public meeting was held when the following program was rendered:—The G. W. P., A. S. Wright presiding:

Chorus by the Choir. Remarks by chairman—A. S. Wright, G. W. P. Solo.—Miss Eva McLeod. Address of Welcome—Arthur Simpson. Chorus by the choir. Address—by Rev. G. A. Lawson M. W. P. Recitation—Mamie McDonald. Address—J. A. Lawson. Chorus by the Choir. At the close of the meeting of thanks were cordially tendered the Most Worthy Patriarch, the choir, and to the people of Brookfield for their kind hospitality to the brethren of the Order assembled. The chief feature of the evening was the admirable and spirited address of the M. W. P., which occupied about one hour. He eulogized the Grand Division of this Province and said that the great hope of the sister provinces lies in this province. He claimed that the Church is destined to accomplish the great purpose. He spoke briefly of the first existence of our order, its growth in Great Britain, Australia and North America stating that over 8,000,000 persons have taken its pledge since 1842. He then spoke at length on the three basic principles of our Order 1st, to shield its members from the evils of intemperance. 2nd, To afford mutual assistance. 3rd, To elevate our characters as men. Our organization is building up a stalwart and brave people. Our cause has already acquired an energy of momentum that will support her course and bring her to its destination. The address throughout was one of the best specimens of oratory ever listened to in this province. Patriot and Pioneer kindly copy.

The annual meeting of the P. E. Island Central Seed Fair was held in the Y. M. C. A. yesterday afternoon, the Rev. P. D. McGuigan, presiding. There was a particularly large attendance of members and much enthusiasm was shown in the work of the Central Seed Fair. The minutes of the last meeting were read and a good deal of routine business was gone through. The treasurer submitted his report for the past year which was received with great satisfaction. This showed that the total receipts of the year were \$703.20 and the disbursements \$673.80. It was decided that the seed fair of 1912 be held in March, the date to be arranged later by the Committee of Management. The election of officers

A gloom was cast over New Glasgow and surrounding districts when H. Binns received a telegram recently from Rapid City, Manitoba, announcing the sad death of his sister, Maggie Florence, beloved wife of Charles Silliphant and daughter of the late John Binns, New Glasgow, which occurred on the 17th of April in the thirty-third year of her age. She was the only child of her father, husband, five little children, the baby being only two weeks old, four brothers, two sisters—Hamilton, New Glasgow; Wildon and Wellington, in Boston; Richard Alexander, Manitoba; Mrs. J. C. Stevenson, New Glasgow, and Mrs. Ambrose Silliphant, Hunter River.

The many friends of Minnie, wife of Lemuel Worth, will be greatly surprised to learn of her death which occurred at her home in this city last night about midnight. Mrs. Worth was only ill since Thursday, an attack of pneumonia which rapidly grew into serious proportions resulting in her untimely demise almost before many of her friends and acquaintances were aware of her illness. The deceased was a daughter of the late George and Mrs. Dunsford, Crapaud, and had lived practically all her life in this city. She leaves to mourn, besides her bereaved husband, the same city three daughters, all residing in this city, who are: George, Charles, Mrs. Walter Craswell, Mrs. Windsor Kennedy, Miss Hazel and Lester. She also leaves two sisters and a number of brothers as well as a large circle of friends and relatives.

The Victoria Colonist, referring to the death of Mrs. John Smallwood of this city, whose funeral occurred recently, said: At Lunenburg, Saskatchewan, on April 19, Mrs. John Smallwood, of Charlottetown, P. E. I., passed away at the ripe old age of eighty-five. Forty years ago Mrs. Smallwood came to Victoria to visit her daughter, Mrs. (Captain) Richards, of Caledonia avenue. While here, the bright, active old lady made

many friends by her kindness and cheerfulness. About a year later she went to live with her daughter, Mrs. Metcalfe and her children, in Lunenburg. She was in her usual health until Saturday, April 15th, when she was attacked by paralysis and Mrs. Smallwood is survived by one son, Charles R. Smallwood, of Charlottetown, and three daughters, Mrs. Thomas Richards, of this city, Mrs. Metcalfe, of Lunenburg, Mrs. Phillimore, of Moncton, N. B., several grandchildren, and three great grandchildren. Her body was taken home to be laid beside those of her husband and son. Miss Margaret B. Haslam, Springfield, P. E. I., has returned from a teaching tour in the Canadian North west. Miss Haslam, telling of her experience in her profession in the West, relates some of the difficulties encountered by those from this province who essay to pursue their calling in other parts. On obtaining a permit of two months in Manitoba on her P. E. I. first class license she journeyed farther west, going to Saskatchewan, where at Regina, the Department of Education has headquarters. The proper way to obtain information there of schools is at the Court House where all the current newspapers are on file. Miss Haslam utters a word of warning to the unsuspecting stranger who gets into the hands of some of the teacher's agencies there, that they are wise enough to have a written agreement signed by the trustees of any district before engaging. Otherwise countless difficulties may be encountered. In Saskatchewan a P. E. I. 1st class license entitles one to teach for one year Saskatchewan class 1st and by watching western papers one might keep posted as to vacancies, etc. Information as to the school in Winnipeg may be had from Mr. McIntyre, Superintendent of City Schools, who is considered the best authority. The country schools of Manitoba offer but inferior conditions and salaries compared to the farther west.

Having been called home by illness, for five weeks she tenderly watched by the bedside of her mother, when she herself was stricken down with an attack of measles. There departed this life on April 20th, at Riverdale, Lot 30, one of the pioneer settlers of that part of the country in the person of Joseph Osborne, who emigrated to this Island from Buckinghamshire, England, about sixty-five years ago, coming out as the groom with the once famous horse "Saladin." Mr. Osborne

was an upright, honest man, whose word was as good as his bond. His warm hearted kindness and his bright cheerful disposition will long be missed in the neighborhood. He was very proud of being an Englishman and was a special type of his countrymen. He loved to talk of his early days in the Old Country and well remembered the Coronation of our late beloved Queen Victoria. Truly he loved God and honored the King. He was a life long Conservative and a staunch member of the Church of England. He was laid to rest beside his mother in the People's Cemetery, Charlottetown on April 22nd, when the funeral services were read by Rev. Mr. Murphy of St. Paul's Church, Charlottetown. His wife predeceased him by eight months. Mr. Osborne was in his 84th year and leaves to mourn two sons, William on the homestead and Thos. in Bangor, Maine, besides several grandchildren and great grandchildren.—Com.

The funeral service was conducted by her pastor, Rev. John Stirling, who spoke on "The living hope," 1 Peter, 1 Chap., 3rd verse. Many beautiful floral tributes evinced for her restoration to health, but long complications setting in she gradually grew worse till the end came. Last resting place in Cavendish Cemetery. The pall-bearers were: J. F. MacNeill, Robert Mackenzie, Russell McLeure, Hammond Tombs, Thos. Doyle and Philip McLeure.—Com.
