FLOUR

Flour is one of the items of our merchandising that needs no introduction. There is no doubt that you will be very much surprised should you know the number of families in P. E. I. using it. And here is the reason for this: It is always satisfactory. You can always have a white bread, light bread, wholesome bread, more bread, the best bread if you use it.

DR. ANDERSON and Inspector McCormack paid an official visit to Spring Park School yesterday morning.

THE ladies of the Cathedral Bazaar wish to thank F. Perkins & Co. for a handsome donation in fancy goods.

Any person desiring to rent a double office, with a desirable location, should apply at this office at once.

BOARDERS can be comfortably accommodated at Mrs. J. A. Cameron's, Kent Street, next door to Revere.—14 2w.

THE ladies of the Art Booth desire to thank Mr. McQuaid, our genial express man, for conveying the piano to the Cathedral and returning it to Mr. C. P. Fletcher.

THE sacrament of the Lord's Supper will be observed in the Presbyterian Church, Belfast, on Oct. 27th, a week earlier than the regular day—Hector McKenzie, Clerk of Session.

ISAAC BROWN, of the Ten Mile House, yesterday confessed to a violation of the C. T. Act before Stipendiary Palmer. The conviction was obtained by Prosecutor Simon Brown. Mary Coady, Newtown, was lodged in jail by Constables Henderson and Brown.

THREE views by Mr. W. S. Louson in Messrs. Hazzard and Moore's window indicate that it is possible to secure scenery in this province unexcelled elsewhere. The snaps taken were enlarged by Messrs. Gauvin, Gentzel & Co. with their color process. It is pleasing to know that Island scenery is forging its way to the front.

THE announcement of Messrs. S. and C. Jenkins will be read with interest. The new firm carry in their store, formerly occupied by Conn. Balls on Upper Queen Street, a first class stock of fresh and corned meats, fish, vegetables, canned goods etc. The proprietors, with a valued experience in the meat business are in consequence prepared to cater to the wants of the most exacting.

CHAPPEL and Warren, though they saved nothing are in no way discouraged and their numerous friends will be pleased to learn they will shortly resume business. Henry Balls & Co., of the City Meat market will be prepared to cater to their customers in Gillis' Block, south of Townsend street. Mr. Balls' enterprise in so promptly securing a place is commendable.—Sydney Record.

HYMENEAL—The residence of Mrs. Catherine McDonald, 655 Shawmut Avenue, Roxbury, Mass., was alive with mirth on Wednesday evening last, when her daughter Miss Florence, was united in marriage to Mr. Edmond Cook of Roxbury, Mass. The bride, who was unstinted, was daintily attired in a suit of white, trimmed with lace and ribbon and carried a cluster of white roses. Many presents useful and ornamental, all testifying to the esteem in which the newly wedded pair are held. Among the guests were: Miss Margaret McDonald of Darlington, P. E. I., cousin of the bride, and Miss Lilla McLeod of Charlottetown. Their many friends wish Mr. and Mrs. Cook bon voyage through life.

REV. DR. SIMPSON, the Christian Alliance leader, predicts the end of the world in thirty years. As Dr. Simpson is not a young man, he will probably not have the satisfaction of saying "I told you so" when the end comes.—Hamilton Herald. In the meantime he is hypnotising money out of the people's pockets for missionary work at the rate of \$80,000 at one meeting. Missionary endeavor is all right and the spreading of the gospel in foreign parts needs money, but it is not likely that the spectacle of a clergyman resorting to "de end ob de world am night" methods will cause a corresponding benefit to Christian life where missionary endeavor might have an effect nearer home.—Toronto World.

THE GUARDIAN has received from Hon. Clifford Sifton, Minister of the Interior, Ottawa an atlas of Western Canada showing maps of the provinces of Ontario, Quebec, New Brunswick, Prince Edward Island, Manitoba, British Columbia, and districts of Assiniboia, Alberta, Saskatchewan, Athabaska, New Ontario, Lake St. John, Great Britain and Ireland.

IN Mr. H. W. Findley's adv. yesterday morning the paragraph referring to an investment in the Home Oil Company should have read: "An investment of \$100.00 in Home Oil Company stock brought the lucky holder a profit of \$31,620.00," instead of \$316,20.00. The error inadvertently crept in and in consequence we hasten to make this correction in order that the readers of the ad. may have a complete statement of the profits accruing to the investor in the stock of the Washington-California Oil Company of which Mr. Findley is the honored Vice President and Managing Director.

DURING the past months subscriptions have been secured for the Debt Fund of the Baptist Church of this city. Next Sunday will be set apart by special services for the paying of these subscriptions. Pastor Raymond will give a short historical sketch of the rise and progress of the church at the morning service. At 3.45 p. m. and 7 p. m. Dr. T. Trotter, President of Acadia College, will preach. The afternoon service is arranged to accommodate the large number of friends of other congregations who have kindly subscribed, and for all who would like to hear Dr. Trotter without leaving their own services. Envelopes will be placed in the pews for the use of those wishing to contribute. The total amount secured will be announced at the close of the evening meeting.

AN INTERNAL REMEDY.
A Pleasant Tablet; Simple, Convenient, Cures Every Form of Catarrh.

The use of inhalers, douches, sprays, salves and powders for catarrh is a nuisance and inconvenience at the best, and cannot compare with antiseptic remedies in tablet form for internal use.

INTERNAL remedies are the only one which can really reach the seat of the disease which is in the blood and local applications can no more cure catarrh than rheumatism or kidney trouble, the excessive secretion in nose and throat being local manifestations of a deep seated poison in the blood.

STUART'S Catarrh Tablets, the most successful of the various internal remedies, is composed principally of highly concentrated antiseptics, which destroy the catarrh germs in the blood and causes them to be eliminated through the natural channels.

PROGRESSIVE physicians use and advise Stuart's Catarrh Tablets because they contain no cocaine, no opiate, no enervating drug whatever, but are composed of Guaiacol, Hydrastin, Red Gum and similar catarrh antiseptics, and are so safe and pleasant that even little children may use them with excellent results.

CATARRH sufferers who have wasted time and money on local applications should not despair of a radical cure until a trial of Stuart's Catarrh Tablets has been made.

A complete treatment may be purchased at any drug store for fifty cents.

Kerosene Oil

Now that the long fall evenings are here you have to light your lamps early, and if you do not have a good grade of Kerosene Oil you have very poor satisfaction. Cheap low-grade Oil not only smokes and darkens the lamp chimneys, but it also creates a very disagreeable and unhealthy odor in the house.

We handle only the best grade of American Oil so if you buy your Oil from us, you can depend on getting the best value for your money every time.

Neuralgia

is Rheumatism of the face. Uric Acid left in the blood by disordered kidneys lodges along the nerve which branches from the eye over the forehead, and across the cheek to the side of the nose. The cause is the same as in all Rheumatism—disordered Kidneys. The cure is likewise the same—
