

ERYSIPELAS.

This dangerous Blood Disease always cured by Burdock Blood Bitters,

Most people are aware how serious a disease Erysipelas is. Can't rout it out of the system with ordinary remedies.

Like other dangerous blood diseases, though, B.B.B. can cure it every time.

Read what Rachel Patton, Cape Chin, Bruce Co., Ont., says:

"I wish to state that I used Burdock Blood Bitters for Erysipelas in my face and general run down state of my health. I tried many remedies but all failed to cure. I then tried B.B.B. Two bottles nearly cured me and four bottles completely cured me."

THE RED CROSS MOVEMENT.

It would delight the heart of any sick or wounded Canadian soldier in South Africa could he but know how energetically and earnestly the ladies of Charlottetown are now working to provide things needful for him. Nothing could exceed the zeal and enthusiasm with which the work has been undertaken, and the generosity with which supplies have been contributed on all sides is most praiseworthy. Some things yet needed are mentioned in another column of this issue and these will doubtless be quickly supplied.

It is a noble work in which the ladies are engaged—all praise to them! The product of their united and zealous labors will no doubt be greatly needed by and for in South Africa, and will be gratefully appreciated by the sick and wounded Canadians when their time of trial comes. In connection with the list of officers of the society published the other day it is proper to mention that each of the vice presidents represents a different church congregation. The heart of the Charlottetown churches and womanhood is in this work.

HOOPER'S STATISTICS.

Councillor and Sergeant-at-Arms Hooper in his desire to serve the Government under which he holds office and the liquor interest in Charlottetown, has "looked on the police register." He did not look upon the register for a year, but for ten days only. And by careful selection of times for comparison he says he found that there were more arrests for drunkenness in a given ten days under the old law than in the corresponding ten days of this year under the license law. If Mr. Hooper had happened to have begun his ten days comparison one day earlier than he did, he would have been compelled to include five drunks for the one day. Had he ventured to contrast the years 1898 and 1899 he would have found a large increase in the number of arrests in the latter year under the license law.

The utter dishonesty of such a comparison is apparent to any fair minded person. It does not matter very much any way what Councillor Hooper says or thinks. Public opinion is not in any perceptible measure influenced by his opinions. The Patriot, however, makes his statistics—save the mark!—the basis of a renewed attempt to defend the discredited License Law. If, after the rebukes received in Belfast and Murray Harbor the Government and its organs still choose license as their battle ground, then so much the worse for the Government and the Patriot.

His Worship Mayor Warburton will be a candidate for a second term in office.

Although it was expected that the Minto would endeavor to come to Charlottetown on Monday the lights at Point Prim and the Block House were not lighted. It is said in excuse that word could not be sent to the keepers in time. And so the direct service breaks down! Why are not the lighthouses connected by telephones? Or why was not a messenger sent from the Marine Department to the light-keepers?

SUPREME COURT

The Hilary Term of the Supreme Court opened on Tuesday at eleven o'clock, the Chief Justice presiding. The following Grand Jurors were sworn in:—

Patrick Blake, Charlottetown, foreman; Walter Matheson, Charlottetown; Murdoch McLeod, West River; Charles McMillan, Alberry Plains; Geo. D. Davison, Charlottetown; Daniel Mullin, St. Peter's Road; Duncan Matheson, Vernon River; James H. Gregor, Brackley Beach; W. H. Enman, Hampton; Frank Boyer, Banbury; Arthur Dickie, New Glasgow; John McQuarrie, Victoria; George Stevenson, New Glasgow; James G. McCallum, Brackley Point; John Gunn, Clifton; George W. Wakeford, Charlottetown; James Shaw, Brackley Point; D. O'M. Reddy, Charlottetown; Nathaniel Pearson, Winsor; Neil Macdonald, Hampton; E. F. Purdy, Charlottetown; David McQuarrie, Crapaud; Hector McLeod, Royalty.

The Chief Justice, in the course of his charge to the Grand Jury, made a feeling reference to the death of Mr. Malcolm McLeod, for many years a leading member of the Bar and a good citizen in the fullest sense of the term. His Lordship said: "There is another subject, a more mournful one, to which I feel it my duty, my sad duty, to allude."

Those of you who are accustomed to attend this court will hereafter miss from among the members of the Bar the presence of one who for many, many years was well known and familiar figure. I refer to Mr. Malcolm McLeod, whose sudden and unexpected death yesterday afternoon caused a shock to this community.

Mr. McLeod was an eminent counsel. In his death the members of this court, for whom I am sure I may speak individually as well as collectively, feel that they have lost a greatly esteemed and highly valued friend, the Bar has lost an able, accomplished and high-minded advocate, and the community has lost a worthy citizen whose conduct and example in every relation have been of the most honorable character.

The Grand Jury yesterday afternoon returned the following true bills:—

The Queen vs. William Elworth. Indictment for larceny. True Bill.

The Queen vs. Geo. Kaye. Indictment for assault occasioning actual bodily harm. True Bill.

The Queen vs. John McKenna and John McGillivray. Indictment for larceny of sheep. True Bill.

The Queen vs. John McKenna and

John McGillivray indictment for larceny of sheep. True Bill.

The Queen vs. John M. Rae indictment for assault occasioning actual bodily harm. True Bill.

Surgical Operations as a Cure for Piles...

Are Painful, Expensive and Dangerous—The Only Certain Cure is Dr. Chase's Ointment.

Besides the acute misery produced by the itching and burning of piles, this horrible disease is the more dreaded because a surgical operation is commonly considered the only effective cure. Fortunately this is a mistaken idea, for physicians have learned to use Dr. Chase's Ointment instead of applying the knife, not only because it is less expensive and less risky, but also because it is a more effective cure.

It frequently happens that after people have endured the torture of piles for years and submitted to operations, that they are finally cured by Dr. Chase's Ointment, the only guaranteed cure.

Among persons operated on for piles and afterwards cured by Dr. Chase's Ointment we would mention Rev. J. A. Baldwin, of Arkona, Ont., H. H. Sutherland, Truro, N.S., and W. D. Thornton, Calgary, N.W.T.

Dr. Chase's Ointment truly works wonders for it positively cures the worst cases of blind, itching, bleeding and protruding piles and all itching skin diseases. Get a box at all dealers, or EDMONDSON, BATES & Co., Toronto.

For bronchitis, croup, coughs, colds and asthma no remedy can be compared to Dr. Chase's Syrup of Linseed and Turpentine. 12c.
