Wheezing in the Chest Points to Bronchitis

You may find in Dr. Wood's Norway Pine Syrup a remedy to help soothe the weakened bronchial organs, relieve the inflammation, soothe irritated phlegm, loosen the phlegm and mucous, and aid nature to easily expel the morbid accumulation.

Price 35¢ a bottle; the large family size, about 3 times as much, 60¢, at drug counters.

Mr. Harry McNevin was the guest of honor. The presentation was presided and welcomed the purpose of the meeting. Mr. Jack Gillis escorted Alex to a newly decorated chair of red, white and blue under an arch of flowers. Mr. George McNevin read a complimentary address and Mr. John McNevin on behalf of the people of New Argyle presented him with a well filled check to which he replied by thanking all for their thoughtfulness. All joined in singing "For He's a Jolly Good Fellow" then he was vigorously applauded. The remainder of the evening was spent in games and social intercourse. The ladies served a dainty lunch, and the gathering dispersed by singing the National Anthem and wishing Alex the best of luck.

TENDERS ENJOYABLE DINNER—When Captain Norman Lowther, Provincial president, undertook on behalf of the Canadian Legion in this province the sponsorship of the Canadian Aid to Russia Fund, he was not quite so optimistic as some members of the executive committee. The possibility of raising here about the possibility of raising here some of his conferees suggested that the objective might be couched in a more realistic manner. It was natural that he should be ready to waver a dinner at his expense in the event of such a happy consummation. Last evening at the Queen Hotel, with fund's receipts at \$14,500.00, almost three times the original objective, Captain Lowther redeemed his wager in a most happy manner. His guests included about fifteen of those who had enthusiastically joined in organizing the fund and bringing the campaign to such a successful conclusion. Before the happy gathering broke up Captain Lowther thanked all present for their assistance in this campaign while President J. F. Leitcher of the Charlottetown Branch and Mrs. Henry, president of the Ladies Auxiliary suitably replied, tendering the host the sincere thanks of all present.

Air Minister Praises Gallantry Of Island Airman

The following letter has been received by Mrs. Kathrine Leavitt, Alberton, from the Minister of National Defense for Air, Ottawa, in appreciation of the gallantry shown by her son, Sgt. W. H. C. Leavitt, D.F.M.:

"I am writing to say how much all ranks of the Royal Canadian Air Force join with me in warmly congratulating you and the members of your family on the honour and distinction which have come to you." Sgt. Sergeant William Herbert Champion Leavitt D.F.M. through the award of the Distinguished Flying Medal for great gallantry in the performance of his duty while serving with No. 226 Squadron of the Royal Air Force.

"The station on which this award was made reads as follows: "On the 6th December, 1942, a force of bombers was detailed to make an attack in daylight on the Phillips factory at Edmonton. The operation, which was executed faultlessly, demanded a high degree of skill and accurate timing. Bombs were released at varying heights down the roof-top of many hits were obtained, some in the centre of the target area, two gunposts were silenced, intense and heavy opposition was encountered and both on the outward and return flight attacks were made by enemy fighters. The great success achieved reflects the greatest credit on personnel who participated in various capacities as leaders and members of aircraft crews.

"The personnel of the Force are proud of your son's fine service record."

Yours sincerely,
"CHARLES G. POWER"

MISS LIDA E. JONES

One more link connecting the present with the past has been severed by the death on Jan. 26th of Miss Lida E. Jones of Hazelbrook, in her 89th years.

She was the daughter of the late Deacon Robert Jones and Jane Wood Jones of Hazelbrook, and was the last survivor of a large family of sons and daughters.

On her retirement from nursing she resided in her home at Hazelbrook with two daughters who were sisters predeceased her. To aunt Lida, as she was affectionately called by many the work of Christ's Kingdom ever had first place in her thought and life. She was a loyal and generous supporter of the Hazelbrook Baptist Church and always took an active part in every good work. She served many years as the efficient President of the W. M. A. S. and as assistant Treasurer of the Church.

She labored with patience and Christian fortitude four years of suffering but eagerly awaited the summons to that land where there shall be no more pain. During her long illness she was faithfully and lovingly cared for by her niece, Miss Amy Jones, relieved when necessary by her grand niece, Miss Pearl Jones.

The funeral service was held in the Hazelbrook Baptist Church on the afternoon of Jan 27th. The service was sympathetically conducted by Rev. I. J. Levy of Charlottetown assisted by Rev. D. K. Ross of Pownal. Mr. Levy acted as organist and the text "Blessed are the dead that die in the Lord and their works do follow them."

Mrs. Harold Carver sang a solo "My Heavenly Home". The pall-bearers were Messrs M. W. Wood, Earl Jenkins, William Wood, Ben Farquharson, Ernest Mutch and Herbert Mason. Interment was in Hazelbrook cemetery.

Card of Thanks

Mr. Herbert Smith wishes to thank the holders of his mail route and friends of surrounding districts for the generous gift he received recently and those who helped in any way. 2-16-11.

The young pilots it produces for the Royal Canadian Air Force is one source of pride at No. 9 Service Training Flying School, Centralia, Ont., but the station is also rightly proud of its pipe band. Due to difficulty in obtaining materials the full band has not yet obtained kilts but the pipers supply plenty of strutting Highland music for parades. The band was originally formed at Summerside, P. E. I., but with the transfer of the station to Centralia, the idea for a pipe moved also. The organization at present comprises five drummers and seven pipers under the direction of Pipe Major, Cpl. James Ross of London, Ont., who has been playing the pipes for 15 years. The tartan worn by the pipers was designed by the station's commanding officer, Group Captain E. G. Pullerton and embodies maroon, light blue and dark blue. Hand-made in Canada the tartan has been approved at R. C. A. F. Headquarters, Ottawa, and the uniform has been approved by the dressing quarters, Ottawa, and the tartan also has been approved and registered by the Court of Lord Lyon, Edinburgh, Scotland, where all tartans are registered. President of the pipe band is Flying Officer C. A. Finley of Meaford, Ont., and WO 1 G. D. Taylor of Toronto is the secretary. Six members of the band are from Winnipeg. In this picture, AC 2 K. A. Stuebinger of Kitchener, Ont., is shown warming up his pipes.
