SACKVILLE TEACHERS ASK FOR MORE SALARY.

Sackville Tribune says:—The Tribune learns that the teachers in the different schools have presented a petition to the trustees asking for an increase of one hundred dollars in salary. Owing to the advanced cost in living they find that an increase in salary is needed. A meeting of the trustees was held Tuesday evening to consider the petition. We are not in a position to state just what decision the Board of Trustees came to, but we feel sure that the teachers will be treated fairly in the matter, and satisfactory recognition of their petition will be given.

MUNIFICENT

CALGARY, Alberta, Dec. 6.—The munificent sum of one dollar was the reward given a Calgary working man by a local woman for the return of jewelry valued on her own estimate at \$3,700. The working man picked the jewels up in a suit case which had fallen from a taxi cab and on returning them to the owner was rewarded with a dollar. The finder of the jewelry then sent the dollar to the Associated Charities, telling the story of the incident in a letter to that organization and in this way it was made public.
