LOCAL BRIEFS

It is estimated that about 4,000 peo-
ple attended the Orange Tea at Brad-
albane yesterday. The two special
trains carried over 1200 people. The
western special did not arrive in Al-
berton until early this morning.

THE funeral of the late Mrs. N. A.
Currie, took place yesterday afternoon
by train to Georgetown, where the in-
terment takes place to-day. Among
the large number of floral offerings
was a beautiful anchor from the Engi-
neering department of the Stanley.

ON Sunday last, Rev. W. H. Warren
baptized seven persons at Bedeque,
and received them by giving the hand
of fellowship at the service following.
Others are also coming forward to
unite with the church, and the spiritual
outlook in the community is very en-
couraging. Pastor Warren was much
aided by Evangelist McLea, who goes
to another section of the Island.

THE half yearly examination of
Elerlie School took place on the 30th
ult. The school was nicely decorated
for the occasion. A large number of
parents and others were present. The
pupils were examined in Reading,
Writing, Grammar, Arithmetic, Geo-
graphy and History and showed by their
ready and correct answers the very
careful work done by the teacher, Miss
Selia Williams, who though in charge
of the school but a short time has proved
herself a capable and painstaking teach-
er. Those present said it was the best
examination ever held in this school
and expressed their approval of the
rapid advancement made by the pupils.
After the examination dialogues and
recitations were well given by the
pupils, after which prizes offered by
teacher were given to the pupils. Reg-
ret was expressed at the departure of
Miss Williams who resigns to take
charge of Freeland School.—COM.

DIED.

Passed peacefully away on July 10th,
1899, at her late home in Argyle Shore,
after a lingering illness of six months
which she bore with Christian resig-
nation, Anabella McDougall, beloved
wife of Archibald Ferguson, aged 76
years, leaving a sorrowing husband,
five sons and four daughters to mourn
the loss of a kind and loving wife and
mother.

Dear is the spot where Christians sleep,
And sweet the strains that angels pour,
Oh! Why should we in anguish weep,
They are not lost but gone before.

Suddenly at her son's residence, Mr.
Neil McKay, Dundas, May, the beloved
relict of the late Donald McKay, former-
ly of Strathabryn, in her 87 year, leaving
two sons and daughters to mourn their
irreparable loss, but their loss was her
gain. The deceased was well and
favorably known as a kind Christian
among those with whom she sojournd,
and we believe trusting in a glorious
immortality beyond the grave. She
was buried along side of her husband
in the cemetery at Strathabryn.

NEW GLASGOW July 12—(Special)—

In the Bicycle Races here to day the

ford, Amherst; Harry Hills, Oxford
tied with six points each for the Silver
Cup, for competition winning the most
number of points in the bicycle events.

In the run off the cup was won by
Frederic Mumford of Amherst.

The boys from Charlottetown were
Louis Large, Pictou Brown, Byron
Brown, sent over by the Abegweit

Crescent Athletic Club. Walter Davison
won the five mile.

The sports were largely attended and
the weather was all that could be de-
sired. The trains from Halifax and on
the Short Line were both late owing to
the crush of passengers, one train
having thirteen coaches filled. The
S. S. Acadia ran excursion trips from
Pictou to here, carrying crowds of pas-
sengers. Very few came from the
Island.

BRAIN FAG

Is the result of Overwork and an
Exhausted Nervous System. Dr.
A. W. Chase's Nerve Food creates
New Brain and Nerve Tissue.

Business and professional men, accountants,
stenographers, teachers, students and all brain
workers know only too well what it means to
have the brain so tired out that concentration
of thought is almost impossible.

One-fifth of all the blood in the human body
is found in the brain, and unless the blood is
pure and rich the brain becomes exhausted for
want of proper nourishment.

Dr. A. W. Chase's Nerve Food creates new
brain and nerve tissue, and produces rich red
blood, "the vital fluid" of the body.

All brain workers quickly recognize the merits
of this great food cure, and after a few doses
enter on their work with new energy and ambi-
tion.

Brain fag is unknown to persons whose brain
and nerve have been invigorated by the use of
Dr. A. W. Chase's Nerve Food, which is for
sale by all dealers at 50c a box.

Dr. Chase's New Book, "The Use of Life
and How To Cure Them," sent free to your
address. Edmanson, Bates & Co., Toronto.
