THE HOME RULE BILLS OF MR. GLADSTONE.

The late Mr. Gladstone, famous Liberal leader of the United Kingdom, was at first opposed to Home Rule for Ireland, but in the early eighties of the last century he began to come round in its favor.

ish statesmen of those days with regard to Home Rule. In a letter to the Lord Lieutenant of Ireland in 1880 Lord Beaconsfield denounced the Home Rule movement as "a danger in its ultimate results scarcely less disastrous than pestilence and famine."

Both these bills withheld from the proposed Irish Parliament the power to deal with matters of defence, foreign policy, the colonies, customs, excise and the post office. The first bill excluded Irish representatives from the House of Commons altogether.

It is easy now to see that it was well that Mr. Gladstone's bills did not become law. Time and ameliorating measures have accomplished much in the meantime and the attitude of the Home Rulers today is very different from what it was twenty or thirty years ago.

It is of interest to recall the attitude and views of some of the British statesmen of those days with regard to Home Rule.

GUARDING THE YOUNG.

ment unattended by their parents. Some of them are found committing petty thefts, or begging money under the pretext of needed bread, but really to obtain the means of amusing themselves.

THE PROHIBITION AMENDMENTS

Dear Mr. Editor:—I would like to occupy a little of your valuable space in making a few observations, touching one phase of the proposed improvement in the operation of our

When Nostrils are plugged Your Catarrh Is Bad

By Acting To-day You Can Quickly Cure Catarrh And Avoid Bronchitis, Perhaps Consumption.

Most Agreeable and Surest Cure is Catarrhazone, Which Cures Every Curable Case.

Catarrhazone proves especially good in those chronic cases where mucous drops down the throat, sickens the stomach, and pollutes the breath.

Once you stop taking medicine into the stomach and get the healing oils and pure balsams of Catarrhazone at work you can be sure of quick and lasting cure for nose colds, catarrh, weak lungs, bronchitis, and speaker's sore throat.

13 YEARS OF CATARRH CURED.

"As Catarrhazone has cured me of a Catarrhal Cough and Asthma that lasted thirteen years, I feel I can honestly recommend it. I really used Catarrhazone for the first time and it was the only one that did any real good. I am entirely cured—have no cough, no bad breathing spells, not a sign of a cold or catarrh about me.

The complete \$1.00 outfit of Catarrhazone is sufficient for 2 months' treatment, and is guaranteed. Smaller size, 50c., at all dealers. The Catarrhazone Co., Buffalo, N. Y., and Kingston, Ont.

Stop That Itch!

I stop that itch in two seconds with D. D. D.

No remedy that I have ever sold for Eczema, Psoriasis, and all other diseases of the skin has given more thorough satisfaction than the D. D. D. Prescription for Eczema.

If you feel weak and rundown after fighting a heavy cold there is nothing we could recommend that will do you so much good as VINOL \$1.00 bottle, E. A. Foster, Vinol Agent, Central Drugstore.

Prohibitory Law.

The proposed amendments prohibits the sale of intoxicating liquors by drug stores—very good—but no restriction seems to be placed on the disposition of it by doctors—that is if they claim its use for medical purposes.

What I claim we need, is the law amended so as to prohibit all doctors from handling liquor at all. This is the view that some, at least, of the very best doctors in the Province hold.

TRAIL OF DYNAMITERS.

INDIANAPOLIS, Feb. 19.—Ortie E. McManigal, the confessed dynamiter, is not to be arraigned here with the other defendants on March 12th, but will be brought here during the trials, probably in May.

Irwin named in the indictment has been recording secretary and treasurer of the Local Union of Peoria, Ill., 1908-1909. McManigal confessed to blowing up several places in and near Peoria after that time.

CONSERVATIVE BANQUET AT NEW HAVEN

Conservative victories have lately been so rare in this province especially so in the second district of Queen's that conservatives there may well be pardoned for honoring such an event.

One might hear the bag-pipes, which were played by Mr McDonald, the organ, which was played by several members of the fair sex, or the violin and accordion, played by some of the young men.

2 IN 1 FAMILY. Here is one of the many cases in which several members of one family have benefited from the household box of Zam-Buk. Col. Sgt. Louis Elliott, 3rd Co., 46th Battalion, Peterboro, Ont., says: "The lower part of my face, cheek and chin broke out in small red pimples, which later festered and broke, forming nasty sores and dry scabs. The itching set up by these eruptions and sores was terrible, and seemed far worse during the night. All kinds of soaps, washes and ointments were tried in the vain attempt to get relief, even to bathing with carbolic acid and water. Finally I thought of Zam-Buk and straightway procured a box at the drug store. One night's application brought great relief from the intense itching, and as I kept on applying this balm daily, the inflammation was soon drawn out, and in less than a week's time the sores were thoroughly healed and every scab banished." Mrs. Elliott, 139 Sherbrooke St., Peterboro, telling of Zam-Buk's effect on her youngsters: "Walter, says: "He slipped and caused a wound on his right hip, which developed into a running sore. From this smaller sores spread until his lower limbs were covered with ulcers. These proved very alarming and I feared blood-poisoning! I began the Zam-Buk treatment, and it really seemed to aid like magic! In a remarkably short space of time the raw running sores were all healed. I am very grateful indeed for his cure, and I strongly recommend all mothers to keep Zam-Buk always handy." WHAT ZAM-BUK WILL CURE. Zam-Buk will be found a cure for cold sores, chapped hands, frost bite, itchy, also poison, varicose sores, piles, scalp sores, ringworm, inflamed patches, babies' eruptions and chapped places, cuts, burns, bruises, and skin injuries generally.
