

DOGS VACCINATED.

M. Waldeck, Rousseau the France premier, had all his dogs vaccinated to prevent them from having distemper, and has never lost one from that disease. Jenner, who introduced vaccination, proposed that all the dogs in England should be treated in this manner, but the suggestion was laughed at.

Many School Children are Pale, Weak and Nervous.

Debilitated and Exhausted in Mind and Body—Dr. Chase's Nerve Food is Surprisingly Beneficial for Children.

The severe and ever-increasing strain of competitive examinations coming at a time when every boy and girl is undergoing trying physiological changes does much towards making mental and physical wrecks of school children. Run down in health, with the blood thin and watery and the nervous system exhausted, children have no chance to escape the many ills that beset a feeble body. There is no treatment known to science that so naturally and thoroughly restores strength and vitality to the nervous system as Dr. Chase's Nerve Food. It makes parents happy by bringing back the color to the faces and the strength and elasticity to the bodies of their pale, puny children.

Mrs. S. Dempsey, Albury, Ont., writes:—"My little granddaughter, nine years old, was pale and weak, she had no appetite and seemed to be gradually growing weaker. Dr. Chase's Nerve Food proved invaluable in her case, restoring health and color and making her strong and well."

COULD NOT STRAIGHTEN UP.

David Rowe, of Consecon, had Trouble with his Back—His Experience should be a Lesson to Others.

CONSECON, Ont., July 8—(Special).—Those who would profit by the experience of a man who has found a sure cure for backache in Dodd's Kidney Pills, should read the letter of David Rowe printed herewith. He writes:—"A pain in my back commenced in my shoulders and extended down my spine, finally concentrating its full force in what is commonly called the small of the back, and there it became almost unendurable.

"I could not straighten up to save my life. Continuing gave me great pain, and I was unable to do much work. A doctor failed to help me.

"I bought a box of Dodd's Kidney Pills at Mrs. German's store and on taking them felt a change for the better. I took in all ten boxes and I am a well man today."
