This woman says Lydia E. Pinkham's Vegetable Compound cured her. Read her letter. Mrs. J. A. Laliberte, of 34 Artillerie St., Quebec, writes to Mrs. Pinkham: "For six years I have been doctoring for female weakness, heart and nerves, liver and kidney trouble, but in Lydia E. Pinkham's Vegetable Compound I can safely say I have found a cure. I was continually bothered with the most distressing backaches, headaches, and bearing-down pains, and I kept growing more and more nervous. Lydia E. Pinkham's Vegetable Compound relieved me of all these distressing symptoms and made me a well woman. I would advise all suffering women, young or old, to use Lydia E. Pinkham's Vegetable Compound."

FACTS FOR SICK WOMEN. For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it? Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

-It is generally supposed that mail-carriers generally make good time but this supposition is evidently not cherished by a prominent custom house official of Summerside. Having occasion to remain in Bedeque over night, and not wishing to be late for work the next morning, he did not feel inclined to wait for the only conveyance to Summerside that morning but started to walk home. This feat he claims, the time of the mail carrier by some minutes. If his story be true, why not have him appointed carrier, as this official is supposed to make the best time possible, and providing this is so, he should be at once given the contract of carrying the mail between Bedeque and Summerside.
