

I Find it clears my skin

Whenever your skin is blotchy or "pimply" Zam-Buk is what you need. First, wash with warm water and Zam-Buk Soap. Then apply Zam-Buk gently, but thoroughly. If this is done persistently each night before retiring, you will soon be repaid by a much improved condition of the skin, and eventually by freedom from all blotches or pimples.

Mrs. Owen A. Gee, of 3 Bonaventure Ave., Montreal, states: "Generally speaking, I have no faith in so-called skin remedies, but I am willing to admit that Zam-Buk is quite different. It is very superior to anything I have ever used, and I have good cause to know, as I used innumerable remedies before I heard of Zam-Buk. I had suffered for a long time from blotches and spots on my face and body, and had used so many remedies without receiving benefit, that I had given up hope of anything curing me when Zam-Buk was recommended. I agreed, however, to give it a trial, and to my amazement I soon noticed a marked improvement in my condition. I persevered with Zam-Buk until finally it rid my skin of every spot and blotchy patch and left it clear and smooth. Zam-Buk is certainly worthy of all the credit and praise given it."

For eczema, ulcers, abscesses, boils, blood-poisoning, piles, cuts, burns and scalds, Zam-Buk is equally good. All dealers 50c. box.

LET US SEE WHAT GROUNDS we have for believing the "Briscoe" to be the best car of its class in the world. Well, take the matter of the motor alone: It has been admitted by all that the famous Half-Million-Dollar motor (which is the heart of Briscoe motor car) is the greatest four cylinder motor manufacturing giving owners no motor trouble and averaging up to 30 miles to the gallon of gas. And, when you stop to think of it, isn't the motor a matter of prime importance? Here, undoubtedly you have one very good reason why the Briscoe should have your consideration. Capt. L. F. Tanner Gives Good Advice

Tells People Who Would Keep Young to Use Dodd's Kidney Pills

Nova Scotia Man Who Has Used Dodd's Kidney Pills for Pain in the Back Recommends Them to Everyone Who Suffers.

Cole Harbor, Guysboro Co., N. S., Feb. 9.—(Special)—Capt. L. F. Tanner, a well known resident here, is shouting the praises of Dodd's Kidney Pills. As a reliever of pain in the back he claims they are without an equal anywhere. He knows because he suffered severely with his back. He tried Dodd's Kidney Pills. He found in them the remedy he required. The Captain's other eyes showed that his trouble came from bad kidneys. That's why Dodd's Kidney Pills cured him. They are a kidney remedy pure and simple.

"My trouble started from hard work and colds," Capt. Tanner states, "I suffered with pains in the back, and at times from rheumatism. I often had headaches, and sometimes cramps in the muscles. I was often dizzy and had flashes of light before the eyes at times. I perspired quite a lot with the least exertion."

Captain Tanner, who is 61 years of age, is still a young man. He advises those who would keep young to use Dodd's Kidney Pills.

Montreal Women Gained 20 Pounds

HAD SPENT HUNDREDS OF DOLLARS WITHOUT BENEFIT LIKE NEW WOMAN, NOW

"Tanlac has brought me health, strength and happiness, and I am glad of the opportunity to give my testimonial, which I sincerely hope will be of benefit to others," said Mrs. Phileas Coude, residing at 72 Massue Street, one of the most highly esteemed women of Quebec, in an interview, a few days ago.

Mrs. Coude in relating her experience also reported a gain of twenty pounds in weight and her statement, while indeed remarkable, is by no means unusual, as many thousands have testified to having used Tanlac with the same wonderful results.

Phileas Coude, Mrs. Coude's husband, has been a navigator for forty years and is widely known, especially in maritime circles.

"It just seems like I am starting life all anew," explained Mrs. Coude, "for I no longer feel like the same person. My stomach has been in such a bad fix for the past forty years, that is until I took Tanlac, that I was always sick. I was troubled so with indigestion that I had ceased eating any kind of substantial food. In fact, nothing agreed with me, and I had pains all over my body. My arms and legs, especially, hurt me dreadfully. Even the white part of eggs caused me trouble and I had gotten where the only nourishment I could take was milk and vichy water. Three months ago I was brought home from Montreal lying on a bed and just suffering agony. I had become so nervous that even the crumpling of a newspaper annoyed me and I have gone through many a night unable to close my eyes in sleep. All energy and strength left me and I felt many times that I had come to the end of my way. My heart would often beat so hard and forcing its way out of my stomach that I thought that I could not live."

"Many hundreds of dollars have been spent on my case, but nothing ever seemed to give me a particle of relief until I began taking Tanlac. I am the mother of twenty children and have had much experience with medicines, having taken most every kind myself, but I owe all the praise, thanks and gratitude for my wonderful recovery to nothing but Tanlac. The very first bottle of Tanlac made a decided change in me and since I have finished my fourth bottle I am feeling just like a new woman. I have an appetite like I have never had before and meats nor anything else I eat hurts me in the least. Since I began taking Tanlac my weight has increased twenty pounds and my strength has returned so that I can now do all my household work with ease and except in the natural way. My pains have all disappeared, I sleep soundly all night long and get up mornings thoroughly rested and feeling fine. My nerves are again normal and I have regained all my energy. Words cannot fully express the gratitude I really feel and I want to recommend Tanlac to all others who may be suffering from stomach trouble and run down condition like I was before taking this grandest of all medicines."

Tanlac is sold in Charlottetown by Reddin Bros., in Montague by H. J. Mabon, in Georgetown by Seymour C. Knight, in Souris by Jas. G. Ferguson, in Kensington by Kler & McFadden and in Emerald Junction by P. F. Hughes.

CATARHAL DEAFNESS AND HEAD NOISES

TELLS SAFE, SIMPLE WAY TO TREAT AND RELIEVE AT HOME.

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels, you are glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parment (Double Strength) Take this home and add to it a pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, headache, dullness, cloudy thinking, etc., should gradually disappear under the action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is said that nearly ninety per cent of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless, home treatment.
